

KANSAS DISTRICT NEWS

'The Winger'

Gold Wing Road Riders Association

"Friends for Fun, Safety, and Knowledge"

Bill & Sarah Watts
District Directors

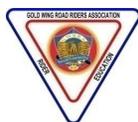

Anita Alkire
President of GWRRA

The Kansas Winger is a monthly publication containing articles submitted by the Chapter Editors and the District Team. These articles are about the activities chapter members participated in and what the coming events are for the chapter.

Because GWRRA members are members of all chapters, they are encouraged to attend any chapter gathering and participate in any chapter event.

The Gold Wing Road Riders Association is all about "FUN, SAFETY, and KNOWLEDGE".

The contributing Editors are: KSA Mary Mazur, KSB Paula Aikens, KSC Don Williams, KSF Doris Schoeck, KSH Ann Whithorn, KSP Theresa McDonald, KSQ Teresa Kistler.

A Message from your District Directors

Kansas Monthly Newsletter

Bill & Sarah Watts
Grand Master Riders
Bill #10040 Sarah #10039

Greetings to all of our G.W.R.R.A. Family,

We do hope all is well with each of you and yours. Well another Kansas District Rally is wrapped up and in the books for 2018. And all I can say to those of you that were not able to make it this year we missed each one of you and you missed the FUN! Our hats are off to Jenna and her great staff at the Memorial Auditorium in Pittsburg, Kansas for everything they did for us before and during the entire Rally they really made us feel welcome and that us being there was their number one priority.

We know that everyone that attended this year found many FUN things to do not only at the Rally but in and around Pittsburg, and the surrounding area. We had guided rides both Friday and Saturday and Bob and Barb Brown did an outstanding job putting them together and leading them. And another great big Thank you goes out to the Pittsburg, Police Department for their assistance in providing a full Police escort for this year light parade for the entire route it was a pretty awesome sight.

And our entire District Team and all Members who pitched in and volunteered or just said yes when asked We cannot Thank each of you enough for all you did and all you do you are all the best. And what we do would not be possible without each of you!

And don't let me forget to give a big Thank you to Mark Classen as he willingly volunteered to be my bad guy attacker for the Self Defense program I put on. And he endured some things I know he was not expecting and a few of his extremities got put to sleep for a while but they woke back up and he came through just fine and he was a great sport about it. Hopefully we will do this again real soon and it was a full room of people and all the ladies in attendance received a free personal gift from Sarah and I.

If you have never made it to one of our Kansas District Rallies we do hope that you will make plans to attend our 2019 Rally or even check the web sites for a Rally some-

where to attend. But we do hope to see you at next years.

It was announced at the Rally that there is no longer going to be Motorcycle Sunday at the Kansas State Fair, so that date can be scratched from the District Events for 2018. We are not really sure why the Fair Board has eliminated this from the schedule but we do know there are many changes taking place in their scheduling. But with that being said there are still plenty of activities and things to participate in with all of our Kansas Chapters again check the web site and check out the Kansas District Face book page. And if you have not requested to join the District Face book page we encourage you to do so we just ask that any posts you make be of either G.W.R.R.A. OR Motorcycling nature and not be used as a personal platform for other type of posts.

Remember the District Campout is coming up in October 5th and 6th at Council Grove, lake and start making your plans now for a FUN filled weekend it will be here before we know it.

Ride safe and ride often!

Hello from your Rider Ed Gang,

The Kansas rally is over. A good one, somewhat hot but no storms to interrupt the super rides our District Ride Coordinators Bob & Barb Brown put together. Be sure to look at the pictures that are in this issue of the Winger. A special page with the DRC's Pics as well as the Master Breakfast photographs provided by my right hand lady, Sheila.

Your Rider Coach/Range Aid team will be meeting very soon to put together next year's Rider Safety courses and other activities. Be watching for the dates and log them on your calendar.

We are working with Joe Magnant, Chapter Director for KSB, DeSoto area to have a Mini-Summit there. The date has been set for October 13th. The event is in its planning stages so additional information will become available later.

I was a privileged to facilitate two Medic First Aid classes in June. One was at our home and the second one was Co-Sponsored by KSH and was held in Mark Classen's Bible School Classroom in Buhler.

Check out the next page for the Masters Breakfast pictures.

Please Remember:

DISTRICT RIDER COORDINATORS Bob & Barb Brown

District Ride to Leavenworth Kansas May 26, 2018

Our ride to Leavenworth started early in the morning to beat the heat of the day. We met up with Dave & Dana Beranek from our chapter, Chapter A. It was just the 4 of us for the whole day. We had a wonderful ride with our 1st stop to the Leavenworth National Cemetery. It was Memorial Weekend and the gravestones were decorated and the area looked beautiful.

Our next stop was the C.W. Parker Carousel. The C.W. Parker Carousel Museum, also known as the Leavenworth Carousel Museum, is located in Leavenworth, Kansas and is one of several museums sponsored by the Leavenworth Historical Museum Association.

Overall we had a great ride.....We had trouble with our alternator, but Bob does not want to talk about it..... AND, due to Dave Baranek's Seal Training, he says "Never leave a man behind"!! Dave and Dana really did save the Day!! Ask Dave, he will tell you all about his Seal training!!

Kansas District Rally.. It was truly a "Wings In The Wind" Rally!

To start the riding off on Thursday night we met up at Braums for some ice cream and fellowship. Sorry forgot to take pictures. Saturday morning, a group of six bikes and one car that made up 13 people start off for the Minors Memorial just a few blocks from the rally... Audible kiosks really helped understand the importance of the park.

After the Memorial Park the group set out for Galena Kansas for good old Route 66 and what a ride it was. One of our stops was to "Cars on the Route" an old Kan-Tex service station that's on the North end of Main Street. All went well till we went inside.. the cash register just didn't stop ringing with our group! Lots of great goodies to buy!

After spending a short time visiting with new found friends from across the pond, we were off to the Galena Museum.. The museum had a Helicopter out side that we had to convince David McDonald that he couldn't take it home with

After stopping for lunch at Route 66 dinner we returned back to the Rally.. All in all it was a great time with our GWRRRA family.....

Bob and Barb KS-DRC

Our next ride will be Saturday September 15, 2018 to Wamego Kansas for a Brown Bag Picnic. We have this location reserved from Noon to 3p on that day. The location will be at the Train Station Shelter, 599 6th St., Wamego, KS.

Notes from Your District University Coordinator Mark Classen

Summer is here!

Wow, what a rally we had last month in June at Pittsburg. Thank you every one who attended. If you missed the rally seminars you missed a great time. Probably the most memorable seminar was when Bill used me as his very own crash dummy, when we had a self defense seminar. No that is not a University course but it is always the little extras that you get when you come to a GWRRA event!

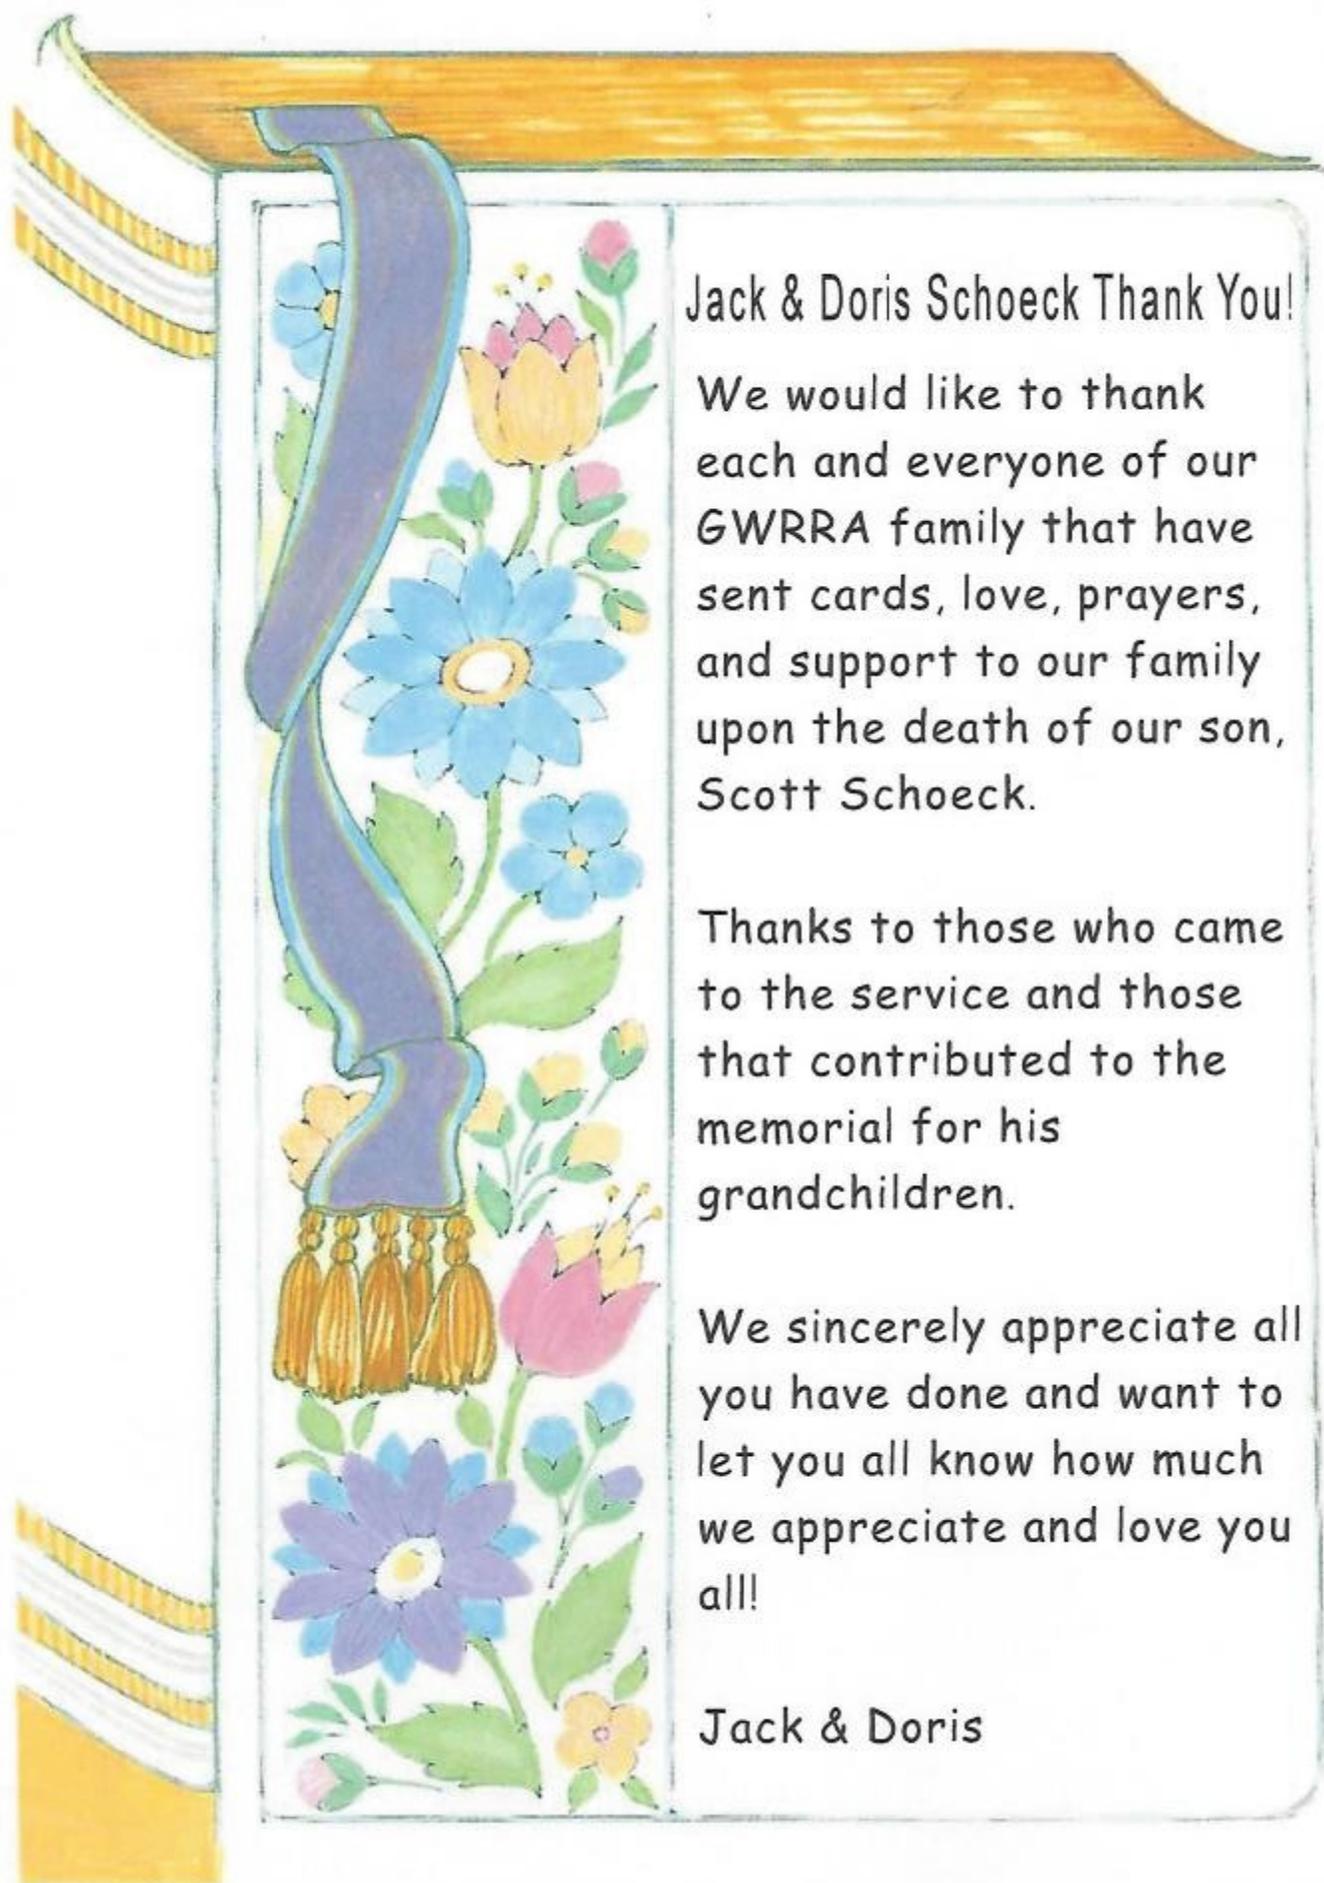

You better be getting ready for Wing Ding at the end of next month. Right now, we have 20, get that 20 seminars that we are doing for you some of them will be doing twice. Your wish is our work, but work being done in excitement for you all. I will be doing 2 seminars one Wednesday and one Friday. Please plan on being there at the end of the summer.

We are now started to plan our northern Kansas Summit to be done in October. That is just one more thing that we are working for you so that you will get all the knowledge that you want here in the Kansas District.

Hoping to see you all at Wing Ding next month! Be safe! Be cool! And be smart - with the knowledge that you have received through your GWRRA organization.

Mark and Linda Classen

District University Coordinators DUCS

Jack & Doris Schoeck Thank You!

We would like to thank each and everyone of our GWRRA family that have sent cards, love, prayers, and support to our family upon the death of our son, Scott Schoeck.

Thanks to those who came to the service and those that contributed to the memorial for his grandchildren.

We sincerely appreciate all you have done and want to let you all know how much we appreciate and love you all!

Hello Everyone...

June was a very busy month and I've got the pictures to prove it (I want to thank Barb Brown for most of these pictures which I stole from her after she posted them on Face book .

1st I would like to say a little something about the last ride in May that our District Ride Coordinator. It was to Leavenworth Ks and although not many people were able to attend those that did had a great time (but don't ask Bob about his bike troubles...it's kind of a sore spot with him.

The next week was the Missouri Rally. Our districts very own Kansas Twisters were supposed to perform again this year but sadly they had to cancel the show due to 2 of the team members needing to have hip replacement surgery. Shout out to Steve Bockhaus who had his on June 14th. I've heard he's doing pretty well walking blocks around Terri (or is that walking around the block with Terri). Larry Mazur is having his surgery on July 18th and I'm sure he'll have no problem once it's all done and over with. So let's get back to talking about the Missouri Rally. It was the 1st weekend of June and other than being hot and muggy it was a very good place to be. If you've never done the Missouri Rally it's something you need to try. They feed you well and there is always something to do. Such as riding the Ducks or the Ferris wheel. They were going to try out some kind of go cart but due to weather those got shut down.

I know most of you are aware that if you wait long enough one of your favorite singers will build themselves a dinner theater...so here's the new place that just opened. Looks like it's a bring your own...everything and maybe if you're lucky you just might see him...Big Foot.

June 8th was the annual Beranek Bash where we all get to celebrate Dave turning another year older. There was a nice crowd there and as always the food was great

The 15th & 16th was our states rally and this year it was really fun again with plenty of stuff to do so everyone should have been able to find something to do. For those of us who chose to get there on Thursday to beat the rush there was a dinner ride to Josie's in Scammon KS. It's a very nice Italian restaurant in the middle of nowhere (not sure what they thought when 28 of us showed up at one time) followed by ice cream at Braums

Next morning a few of us went to Galena to visit the "Cars on the Route". It's a little spot on the road that route 66 goes through. For all of you that has seen the Disney movie "Cars" this place was some of the inspiration for the town Radiator Springs in the movie.

After we left this little site as we were driving back through town there were a couple other "toys" that looked like they needed to be played with. We then had lunch across the street at a little café, followed by a visit to the train/mine museum across the street. Here are some of the guys having a little bit of fun...and Bob met himself a new friend while he was there.

That evening we were entertained by the District staff as they put on a great skit

On Saturday in place of the Twister's performance our fearless leader Bill Watts gave a great class on how to protect yourself. I'm sure those of you that were there watching had to cringe a little bit as Bill used Mark Clausen as his criminal element and Mark took a lot of abuse...of course when he put Bill in the head lock that was a little payback.

Later that morning there was a ride to see Big Brutus.

For those of you who don't know what Big Brutus is here are a few facts

- Bucyrus Erie model 1850B
- largest electric shovel in the world
- 16 stories tall (160 feet)
- weight 11 million pounds
- boom 150 feet long
- dipper capacity 90 cu. yds (by heaping, 150 tons — enough to fill three railroad cars.)
- maximum speed .22 MPH

cost \$6.5 million (in 1962)

If you ever need a place to take a ride I would suggest going here...located in West Mineral Kansas.

Well that's all I know about June now let's see what's going on in July

4th – Independence Day...don't forget to wish America a big Happy Birthday

12th – is Chapter A's monthly meeting @ the Country Café @ 2804 South Seneca. The meeting starts @ 7:00 but please come early for a meal and/or to visit with the other members.

14 – Steve Bockhaus birthday

22 – Ann Gillett birthday

27th – 29th – Joe & Debby planning a ride not sure where to but I'm sure they will give us more information

31 – Deb Gattenby & Sharon Hohlfeld birthday

August 28th thru Sept 1st is Wing Ding in Knoxville , TN

As always please remember to send me information and/or pictures of a ride or event you've been involved in and I will be glad to add it to the newsletter.

You may e-mail me @ scarymary1210@sbcglobal.net

That's all for now so until then...ride safe

Mary Mazur, Chapter A Newsletter editor

Chapter B – DeSoto

Meet 3rd Thursday every month in DeSoto at JT's Grill 7:00pm– Eat 6:00pm

Chapter Directors	Asst Chapter Director	Chapter Ride Coordinator	Chapter Treasurer	Chapter Editor
Joe & Pam Magnant 913-660-5176	Paula Aiken 785-842-8503	Gary Ohler 913-845-3946	Ed James 816-225-2679	Paula Aikens 7 85-842-8503

The June dinner ride traveled to Smokey's BBQ in Wellsville. Ed James led the three bikes to the event where they were met by many who had traveled on four wheels due to a questionable weather forecast. It was an enjoyable time with good food and conversations.

The ride to Jamesport was held a week early this year. Mary Rose Enderle and Bogie Bogenrife led this annual ride on June 9. Members traveled to the furniture store to peruse the beautiful Amish furniture and enter the drawing for a gift certificate. A stop for lunch at the Amish restaurant and shopping at the stores filled the afternoon. Everyone had a great time.

Dave and I were sad to miss the Kansas District Rally in Pittsburg. The first winter rendezvous that we attended was held there. We were hoping to go back to the southeastern part of Kansas, but had already made plans to attend the "Ride Around..." trip which began the same weekend.

This year's "Ride Around..." journey left on June 16. Twenty-eight bikes and thirty-eight people traveled around the state of Wisconsin led once again by Dan and Ellen Gray. We saw lots of water, and plant life as well as a few animals up close and personal. We enjoyed the company of old and new friends. More information will be coming next month about this eight-day trip.

Eric Wadman led Chapter B members to The Big Biscuit in Shawnee for the monthly breakfast ride. It's always a favorite and members had a great time.

Chapter B events for July:

July 5 - Dinner Ride

July ?? - Blackberry Run - Date to be determined by the availability of berries

July 19 - Chapter Meeting

July 28 - Breakfast Ride

Safe Travels,
Paula Aiken

Chapter C - Topeka

Meet 3rd Tuesday every month in Topeka at Perkins Restaurant 7:00pm– Eat at 6:00pm

Chapter Director	Asst Chapter Director	Chapter Ride Coordinator	Chapter Treasurer	Chapter Editor
Don & Brenda Williams 785-341-4211	John & Teresa Gull 785-266-6735	Bill Hanson 620-342-4388	Sandy Davis 785-691-7000	Don Williams 785-341-4211
Chapter Web Master John Gull		Chapter Individual of The Year Sandy Davis		

We started the month out with our supper ride on the 5th with 6 bikes and 16 people being led to Leon's (formally known as Poncho's in Ottawa). Rod Williams couldn't ride their trike because of a medical procedure, so he and Lara ended up coming in their pickup and letting Ken and Arlene Felch ride along with them. In addition Terry and Bonnie Hull from Manhattan joined us for the ride. Terry has ridden with us before but it was the first ride with us for Bonnie. She seemed to fit in well as she got her fair share of jabs in during the meal.

As normally happens when we let them know we are coming they put us in the closed section so we won't bother anybody. Charlene did her usual fantastic job of waiting on us. She might have bribed the cook because all of the food came out in a timely manner and nobody was left drooling over somebody else's plate with no food. I even managed to be seated far enough from Teresa Gull that I got to enjoy my food all by myself. Teresa just had to have some of my taco salad shell that Brenda was eating, after I decided it didn't want any of it. Brenda shared some with Rita Thompson and Teresa heard it was mine so she grabbed some just because.

After a leisurely hour and half we headed back home with the riders dropping off on the way back. The ride home was real nice other than it did get dark on some of us but the wind wasn't a problem and the temperature was just about perfect all the way back.

Our monthly extended ride was held on the 9th with 8 people riding to the Corner Café in River-

side, MO. As rides go the route wasn't the best, since getting there pretty much requires the interstate to be ridden more than most people like. However the reward of good food and good people will override that little inconvenience on about any given day.

The ride up was interesting to say the least. We headed out to US 24 the "long" way because I'm not all that good at navigating the various ways around Topeka and was too dumb to ask the ones that live there the easiest way to get there without taking the interstate. Just outside of Tonganoxie there was an SUV backing down a driveway and stopped (apparently to make sure we were coming) and then proceeded to back out onto the highway in front of us requiring myself and John Gull to have to get on our brakes fairly hard. I'm guessing that an SUV backing onto a US highway had the right of way over a group of motorcycles. After we got by the genius, the ride was fairly uneventful with not all that much traffic for a weekend. About three miles short of our exit off I-635 a fairly large turkey decided it was time to take off and fly across in front of us. John said it looked like Brenda could have reached up and caught it. It wasn't that close, however it was still close enough to give me a thrill. Brenda was in her normal riding "position" with her eyes closed so she didn't see it.

After arriving at the restaurant and getting seated fairly quickly even though it was about 11:30 we put in our orders and everybody got their food in a timely manner except Margaret Hanson. She ordered a club sandwich on a crescent roll and it was looking like they had to go to France to get it. She finally got it and said it was worth the wait.

After we finished eating we crossed the road to refuel and after topping off our tanks I promptly looked at the intersection in front of me and not the GPS and proceeded to go the wrong way. Quickly seeing my error when "Betty" started yelling RECALCULATING I turned into a parking lot and actually took the correct road not realizing I could have just turned at the next corner and ran right onto the road I wanted. Since I'm a country guy I can remember where I have to go out in the country, but get me inside of any city limit sign and look out because I'll be lost in a flash without a GPS. After getting us back onto the big road we took the turnpike back to Topeka since we all had K-tags and it was the shortest way for Bill & Margaret and Brenda and I got get back to Emporia and Manhattan respectfully and it was getting hot by then with the temperature around 93°.

The Chapter was well represented at the District Rally in Pittsburg. We seemed to ride down in shifts. Rick Thompson rode down with Dennis Kramer from Chapter F, Brenda and I rode down with Sandy Davis and John & Teresa Gull rode down alone. With the heat up near miserable there wasn't much venturing out on rides and site seeing even though plenty of each were available. Bob Brown did a good job of setting up and also leading the guided rides to Big Brutus and Galena. Brenda and I have been to both locations so we opted for air conditioning (call us wimps but that's fine). The rally was fun and as it's turning out to be with the smaller rallies motorcycle vendors are getting harder to attract them with internet sales being so easy. It appeared the vendors we had were doing good business and that's the important thing. Gene's Gallery brought at

F6B with the leaning frontend or whatever they call it. I'll be kind and say it is different looking. Anybody that is thinking of getting one Gene Shannon from Chapter F has one waiting for him to go to Springfield and pick it up so he would be a good source for a second opinion.

Chapter members didn't fare too bad when it came to winning with Rick, Sandy and Brenda all winning door prizes. Sandy also won a 50/50 drawing for around \$95. I don't remember the exact figure but it was fairly good size, Brenda sold one of the winning tickets for the Grand Prize drawing and even managed to not write her name on the ticket; however the lady that bought it remembered her gray hair so they gave her the \$50 anyway. Rick was the biggest winner of all. He won \$2 at bingo. He was the big winner because he had to work hard by sliding those little number covers over to show he won.

After closing we looked up Mexican restaurants on the phone and several were within a couple miles of the event center so off we went for Mexican food. After riding almost back to the motel we finally saw one. John and I both thought we had missed some but apparently we were wrong. It really didn't matter since the food was good and Teresa didn't eat off anybody's plate. John did confuse one of the wait staff. He said he had just stopped at Wal-Mart and wondered if he got a 10% discount and that poor young guy was totally baffled.

Rick and Dennis decided to beat the heat and headed home about 6:00 am and the rest of us departed after breakfast around 9:00 and it only got to about 95 before Brenda and I got to Manhattan. Our meeting on the 19th started out with a fizzle since when we arrived the room we have reserved a year in advance was taken by 30 some people. I guess profits must come ahead of customer service. Anyway I digress we had 16 people in attendance.

We started things off with a discussion about riding in the heat with talk about cooling collars, vests, and neck bands to name a few things.

I found what I consider a pretty unbiased review of the 2018 Goldwing Tour DCT by Fred Harmon on GL1800riders.com forum. Some of you know that Fred is the individual who sells maintenance DVDs for the GL1800. There is a link on the site under a post entitled 2018 Goldwing 12K update and could be good reading for anybody thinking of buying a new bike. Speaking of new bikes Tiffany Criss and her son William came to the meeting on her new brown Goldwing. Since in order to get that color you can't get a tour model she bought it. However she said she really didn't want the trunk anyway because her husband has a trailer for his Goldwing. After we finished with the meeting she gave us a very good tour of the toys on the bike; however she didn't have much to say when some of us offered to take it for a spin to make sure everything worked. The looks she gave said it all and she did it with a smile too.

Our supper ride for July will be led by Sandy to Amigos in Pomona leaving the Kwik Shop at 6:00 pm on the 3rd. The extended ride will be led by Randy Benteman (that is if the grandbaby doesn't take priority according to Denise) to Cassoday for the Chapter F cookout. We will depart the Kwik Shop at 9:30 and everybody is reminded to bring a covered dish for the cookout.

We held a brief discussion on the District rally and then held the 50/50 drawing with Brenda winning one and Randy winning the other one. With that we headed to the parking lot for the above mentioned tour and then home after we waited to see the new bikes reverse in action, which appears to be about twice as fast as on the GL1800 but not too fast.

Chapter F - El Dorado

Meet 4th Tuesday every month at Oil Hill Elementary School Brown bag at 6:00pm, meet 7:00pm

Chapter Directors	Chapter Treasurer	Chapter Ride Coordinator	Chapter MEC	Chapter Editor
Everett & Carol Chastain 620-374-2006	Gene Shannon 620-735-4254	Jack Schoeck Chapter Couple Rick & Brenda Kistler	Rick Kistler	Doris Schoeck 620-340-5388

Good morning all of our GWRRA friends. We have had a very eventful month. Some fun and some sad. We had our Ks rally in Pittsburg Ks and everyone seemed to be having a great tie and lots of fun. And all our seminars were great. I have to brag a little. Sheila had a game of baseball. Barb Browns team took 1st place. But our team with John Irons took 2nd place. Also on our team Jeff Whithorn took home the trophy for MVP (male) and I took home the trophy for MVP (female). I loved the game but loved the trophies that Sheila made. They are so cute.

Chapter 'F' had a ride to Woolaroc. All that went said it was really interesting and cool. Lots of things to see and do.

Then we got the bad news. Jack and Doris Schoeck's youngest son Scott was found dead. It's not easy losing anyone you love but to lose one of your children unexpectedly is worse, in my opinion. Prayer and thoughts out to them and their family. Also to Phyllis and Garry Van-Buskirks as Garry lost his sister.

Back to happy things. The most interesting thing was Chapter 'F's' gathering and Taco night. We had a very good turn out and everyone got to meet our two newest members, Sharron Webster and Virginia Baird. We want to give them a big Welcome to Chapter 'F' and GWRRA. We had several couples ride to our gathering and probably wished they hadn't. Just right before our gathering started people phones started going off about tornado warning and to take shelter. Then the sirens started going off throughout the town. Thank goodness we have an overhang at the school where we meet. At least the bikes were somewhat protected against the hail that started off small then got a lot larger. Some vehicles got hail damage and some left as the weather started breaking

up a little.

We had 28 people including our granddaughter Bri. Gene Shannon suggested that instead of doing the 50/50 this time we would take up a donation for our members Jack and Doris to help them out with the unexpected expenses during the losing of their son. Thanks for everyone that donated to this. I'm sure they appreciate it greatly. Also I know it really pleased them of all the Gold-wing members that showed up to the memorial for their son Scott. It meant a lot for your support.

UPCOMING EVENTS:

July 7– Roslin has chosen a breakfast ride to Jimmy's Egg at 9 O'clock. Hope everyone can attend.

July 14th, at Cassoday Motorcycle Club House, Chapter 'F's' cookout will be held. Meats and drinks (tea & water) will be furnished, so just bring your lawn chairs and a covered dish (with food) and join our fun!!!

JULY BIRTHDAYS: Jack Schoeck is the 26th

Hope to see y'all soon. Ride safe and have where ever you go.

KS DISTRICT DIRECTORS
Bill & Sarah Watts

We want to start by offering our sincerest condolences to Jack & Doris Schoeck in the loss of Jack's son. Our caring thoughts and prayers are with all of those who are dealing with health difficulties, either personally or with family.

It appears quite a few people will be going to the Watts cookout on June 30. Watch next month's newsletter for the happenings there.

Speaking of Watts, we need to spread the word that Bill Watts will again be presenting his self defense class on Sunday, September 9th. This class is about avoiding or getting away from an attacker. It will be at 2pm with the location pending. More will be announced as the event gets closer.

Since the weather is constantly changing we may make changes to our schedule. Watch your email for announcements on rides and events. And, be sure to read the Kansas Winger newsletter each month to see what the other Kansas Chapters are doing.

For those of you who missed our June gathering, Georgeanna and I and Don and Carma announced their retirement from the Chapter Director and Assistant Chapter Director positions. We felt like it is time for someone else to take the helm and offer new perspectives on the direction Chapter H will take. We have enjoyed doing our part for Chapter H and enjoyed the members input and participation. Anyone interested in the positions should contact Bill & Sarah Watts. I will, of course, be available to assist the new Director with the requirements of that position.

Just a reminder to everyone, always welcome new visitors and new members at our gatherings, rides and events. We need to try to keep in touch with all of our members and get to know them. You might find out you have a lot in common.

Stay cool, stay safe, and ride with who you can, when you can.
Dale & Georgeanna CDs

I want to extend my deepest appreciation and thank you to the Chapter members that came to my brother's funeral in Great Bend. It meant a lot to us having you there.

The District Team did an excellent job with the Kansas Rally in Pittsburg, Kansas this year. We were able to catch up with old and new friends from last year and make a few more this year. It was a lot of FUN, even seeing Mark Classen get a whoopin' from Bill Watts (several times) during the self-defense seminar. Mark was a good sport about it, as he always is. 29 KS-H members attended and quite a few of you won prizes. There was something for everyone and I believe everyone had a good time.

Your Assistant Chapter Directors,
Don and Carma Gray

BUGSY'S FUN DAY AT THE
2018 GWRRA KANSAS RALLY
Pittsburgh, Kansas

What a GREAT Rally!

**I had so much fun playing games,
seeing all of the vendors,
eating at the food trucks
and checking out all of the
interesting things in Pittsburgh.
Who knew we had all of this right
here in Kansas!**

I even participated in the self defense seminar. Bill Watts gave me some great tips and Kalin Koehn helped me practice my technique! Now I know what to do if I see Elmer Fudd sneaking around! He's not going to get this rascally rabbit!

2018 KANSAS RALLY

PITTSBURGH, KANSAS

*Wings
in the
Wind*

The 2018 KS Rally had it ALL! Thanks to our Directors and all of the hard working volunteers for a great time! Even mother nature gave us beautiful weather! We had everything from games, a self-defense seminar, line dancing, Randy Flickinger doing a rousing rendition of Guitarzan starring Sarah Watts as Guitarzan and none other than Bill Tucker as Jane! There were rides to Big Brutus and The Cars Museum and a beautiful Veterans Memorial.

Editors Note: Because of a miscommunication between the KSP Editor and me I am publishing KSP's June article (pages 22-26) and July Article (pages 27- ??)

Rides in May

We rode over to see Doc-the B-29 over the past 15+ years, hundreds of volunteers have worked on Doc and the restoration project. Skilled workers and retirees from Boeing and Spirit Aero Systems, veterans, active duty military and others wanting to honor those who served, have spent tens of thousands of hours on Doc's restoration. Countless individuals and organizations also made financial and in-kind contributions to keep the project going. We had 40 Gold winger's in attendance at this ride and everyone had a great time we would like to send a special thank you out to DOC's friends for sharing this piece of history with us.

Chapter P Museum tour

Kansas Museum of History this award-winning museum tells the story of the people of Kansas. See the Santa Fe's oldest surviving locomotive, No. 132, from 1880. A. K. Longren's 1914 version of the plane in which he made the first successful flight of a Kansas-built plane in 1911. Named one of the 8 Wonders of Kansas History.

Evil Knievel Museum this is one of the better museums we have ever been to it is very well done and we highly recommend it. For daredevils and dreamers of all ages, come rediscover the spectacle of the death-defying Evil Knievel show, Witness the incredible collection of the physics-defying bikes that launched the legend. See his iconic 1974 Mack Truck & Trailer "Big Red." Examine the star-spangled helmets (battered, and beaten and beautiful) that undoubtedly saved Evil's uninsurable life more than once. Listen to the eye-widening, imagination-sparking, and the doesn't-seem-possible stories that defined an American icon.

May Birthday Kids at the Meeting night

CHAPTER P JULY NEWSLETTER

Meeting Night - Tuesday, July 10th - Brown Bag at 6:30pm Meeting 7:00pm
Derby Church of Christ 225 N. Derby St, Derby Ks. 67037 in the fellowship
hall at south end of the building

The Missouri Rally was May 31st, June 1st and 2nd.

Several of us Gold wingers rode up to see the Thorncrown Chapel in Eureka Springs, Arkansas. This is a Wooden structure, that rises forty-eight feet into the Ozark sky, contains 425 windows and Over 6,000 square feet of glass.

Missouri Rally was a good time as always but I believe this year was the hottest temperature

Garry & Phyllis VanBuskirk and Rick & Carolyn Stevens made it to Louisiana Rally.

Chapter P had a ride to Sugar Shane's in Augusta, for their meeting night in June.

There were 10 in attendance and one guest

The Kansas District Rally was June 21-22 in Pittsburg Kansas... Wow! was it a great time...Thank you to all the staff for a wonderful job of planning and showing us a good time.

Bike show had 8 bikes in it the Oklahoma District Director judged the bikes. David & Theresa won 1st place for Dirtiest bike.

Great Entertainment

Old car and hearse in the old Train Depo- Galena Kansas

Thank you to Bob and Barb Brown for The great rides, so much fun

Pittsburg Ks was a coal mining camp in the 1870's. We stopped at the Miners memorial which honored the miners that worked in the coal mines

The CARS movie was originated in the small town of Galena Ks. Galena also had a brothel house that was said to have had many murders there in its days

We took a ride out to visit Big Brutus, the world's largest electric shovel, 16 stories tall, 11 million pounds, boom 150 feet long.

July Birthdays- David McDonald 7-28

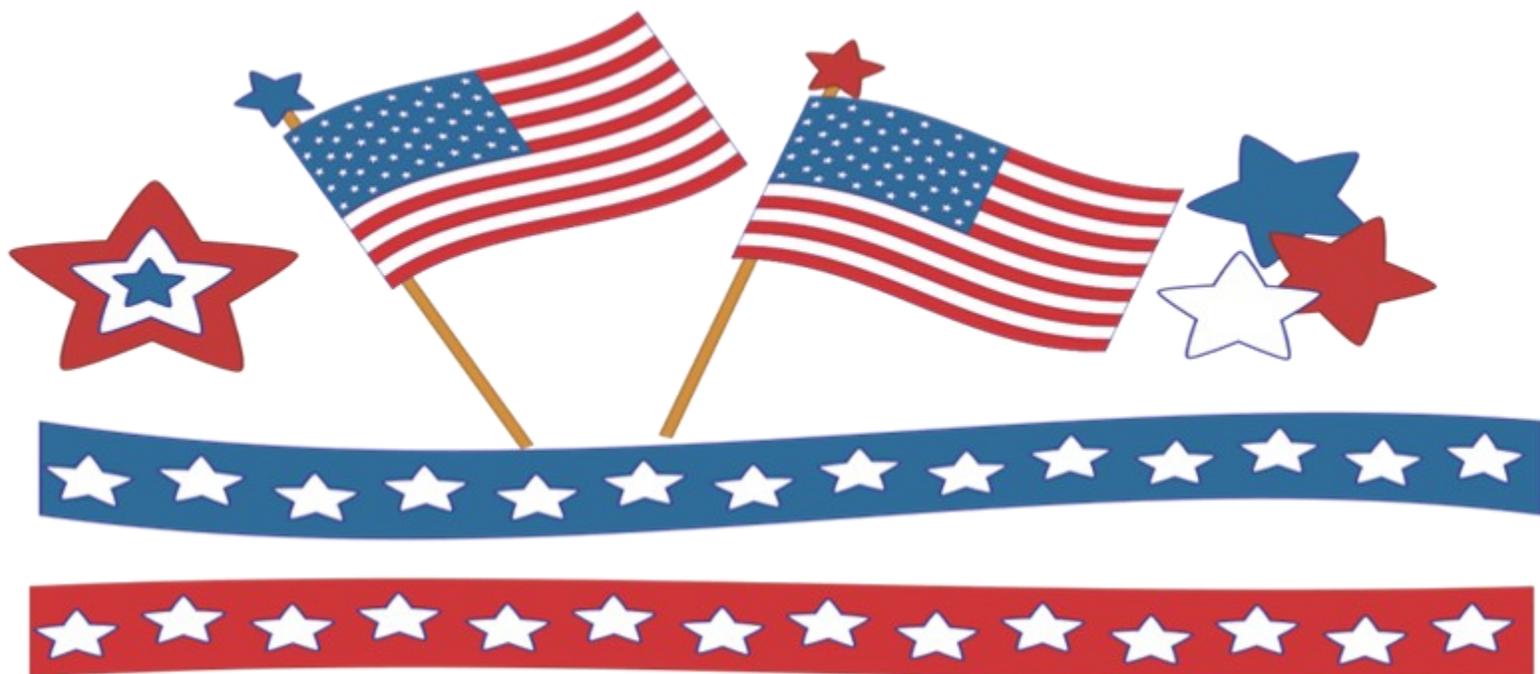

July Anniversaries- None

Everyone have a safe month!

Kansas "Q" July Newsletter

Looking at the calendar, June was a busy month for some of you. We unfortunately weren't able to make a lot of the rides or dinners, but we're happy for the ones of you that did.

We started our month finding out that our meeting place had closed up on us, so we made the best of it and met at Island Park in Winfield, Ks. It was a little warm that evening, but it was still nice to see everyone that was able to get out and join us. I will let everyone know what our plans are the next few months, as we figure it out.

On June 9th some of us joined up with Chapter F and had breakfast at Howard and then ventured on down to Woolaroc in Bartlesville, Oklahoma. I must say if you have never been down there you should really make the time and go. There is something for everyone to enjoy at the museum.

The next weekend was Kansas District Rally at Pittsburg, Kansas. We would like to say Thank You to our District Staff for putting together a great weekend. Jack put on a packing seminar on Friday morning and we had a good turnout. Thank you to everybody that joined us and participated, we always enjoy doing this class. Also, next time you see Jack, you'll have to ask him about the trophy he won at the bike show. I guess sometimes it pays to NOT wash the bike!

On July 7th we would like to invite everyone to Bill Tuckers for Bubba's Birthday Bash, we forward more information when it comes available.

July Birthdays:

Bill Tucker on the 2nd, Vern Trenkle on the 13th, Judy Eggleston on the 15th and Tom Sweet on the 30th.

Anniversaries: Jack & Teresa Kistler on the 22nd and Jim & Rosemary Gardner on the 30th.

HAVE A FUN & SAFE INDEPENDENCE DAY!!

Until the next time,

Jack & Teresa Kistler

KSQ Sr. Chapter Directors

COOK OUTS

Like to Eat? I have yet to meet a Winger that didn't like to eat. Below are the Cook-outs that this editor found out was happening .

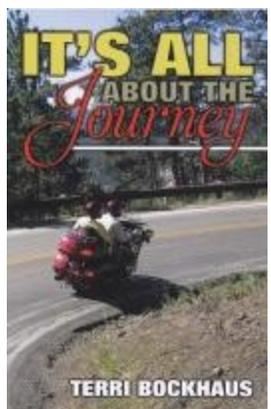

July 7th– Cookout at The Tucker home. The BBBB, aka 'Bubba's Birthday Burger Bash'. He turns 83 July 2nd. 6:30pm RSVP Requested

July 14– Cookout at the Cassoday Club House, by The Shannon's .

October 14th– Cookout at The Tritsch home.

OUR SPONSORS

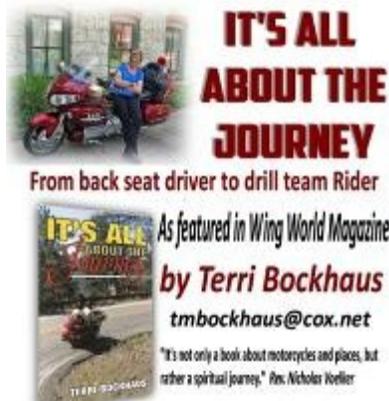

THEY WILL APPRECIATE YOUR SUPPORT

GWRRRA of Kansas has a new author. Terri Bockhaus is pleased to announce the publication of her book titled, "It's all about the Journey". The journey referred to in the book describes her personal journey with GWRRRA. She describes her mishaps as she progresses from being a co-rider to a rider, then joining the Kansas Twisters Motorcycle Drill team. The book tells of many of the funny (and sometimes scary) things that have happened on some of their trips, and embraces the GWRRRA motto of "Friends for Fun, Safety, and Knowledge". You may have read the article about her in the November 2016 issue of Wing World Magazine.

Terri and her husband Steve joined GWRRRA in 2004, and have held several positions in the association, including: Senior Chapter Directors, MFA instructor/trainers, National Director of the Year recipient 2011, District COY 2014, Kansas Twisters Motorcycle Drill Team Captain, and MAC.

The book is available for purchase at Dan's Cycle in Hesston, Ks., Faith and Life Bookstore, in Newton, Ks., Beaumont Hotel and Café in Beaumont, Ks., and by contacting the author directly at tmbockhaus@cox.net.

Her stories embody the Gold Wing Road Riders Association (GWRRRA) principles of having fun while riding safe—and this is one lady who knows how to have fun and laugh at herself. Terri has successfully broken into a motorcycle rider world dominated by men and proved herself worthy. Even if you don't ride, you will enjoy this wonderful collection of entertaining stories. If you do ride, it's even better." Jack Wagon, Deputy Director, GWRRRA
