GREETINGS!!!

HAPPY 4TH OF JULY! Hope you all are going to Celebrate America!! We live in a wonderful free land and we should all be glad of that.

First off this month, we would like to take this opportunity to congratulate some very deserving people. Allen and LeeAnn Robertson, Chapter Directors of Kansas B, DeSoto, Kansas, received the honor of becoming Senior Chapter Directors. They have a very active chapter in the Northeast part of our state. They have rides planned all the time and would welcome any who want to participate. Also, Terry and Judy Mann, Chapter Directors of Kansas H, Hutchinson, Kansas, received the honor of becoming Senior Chapter Directors. They also have a very active chapter and their chapter is participating in the Chapter of the Year Program. When you see these people, please give them your congratulations, as they have worked hard in their respective chapters and are very deserving of this honor.

By the time you are reading this, a lot of us will be on our way to Wing Ding in Madison, Wisconsin. Hopefully we will see a lot of you there. This will be the last year they are having it on the July 4th week, as next year they will have it over the Labor Day Holiday. We will have more to report on next month on what happens while we are there.

This past month for Kansas has seen a lot of activity. The chapters are all busy with rides, breakfasts, and dinners. Some have even gone on a boat trip that sounded like an awful lot of fun! Wish we could have gone on that one. Many of the chapters have planned day rides and some have had overnight rides that have been a lot of fun. Several members from Kansas went to the Missouri Rally in Branson.

They all reported they had fun, but they got wet as it rained a lot over that Rally Weekend.

The Kansas Campout was the weekend of June 20-22, 2014 and those that attended had a really good time!! The weather was a little warm but there was a good breeze through the shelter house which made it okay to sit there and visit with friends. We had 35 people for supper on Saturday evening, where the state provided drinks, hamburgers and hot dogs for supper. Everyone else contributed a side dish and there was plenty of food for all. If you did not get to attend this, you missed a great time! Thanks to all who came and thanks to all who helped make it a really great weekend of fun!

Next Page

Please remember that our own State Rally/Convention is coming up September 12-14, 2014 at Abilene, Kansas. We will be having a lot of activities and giving away Grand Prizes as usual. If you have not purchased your Grand Prize Tickets, please let someone on State Staff know and we will get tickets to you. We are also going to have a drawing for a Quilt we have and several of the programs will be giving away items also. We will have seminars, games, and vendors. Chapter Directors, please remember we will have the Train Races again this year so get your engines ready and we will all have some fun!!

We will have our East Picnic Ride to Wamego, Kansas on Saturday, September 21, 2014 and hope that a lot of you will be there. It is a really neat small town and in the last decade they have built a Wizard of Oz museum that is very popular. There will be more information coming as the time gets closer.

Until next time, please remember to stay cool and ride safe as you travel this summer. We look forward to seeing all of you in the coming months.

Jack and Doris Schoeck, Kansas District Directors

CE-KS-A	CE-KS-B	CE-KS-F	CE-KS-H	CE-KS-P
Larry Mazur	Eric Wadman	Russel Harrold	Marv Ayres	Rick & Carolyn Stevens
316-688-5696	913-219-6678	316-648-4714	620-241-2499	316-213-4630

I was one of many that participated in the first 'Annual Aileen Koch Memorial Ride' to Potwin KS. Chapter 'H' was the host chapter. KSQ members rode to Newton and met the 'H' group.

I assisted Marv Ayers KSH CE with getting the groups prepared for the ride. Glen Koch led the first GW group and Terry Mann lead the second GW group. Also arriving to ride with us was a group of Harley riders, I believe from the Moundridge area and they followed our second group. Boy, do they know how to use hand signals. IMPRESSIVE. Weather was good and the ride went well.

We attended Chapter H's June 26th meeting and it was my privilege to present five KS-H members their Level IV appointments. The recipients are Marv Ayers #9491; Dale Tritsch #9492; Bruce Malecki #9493; Judy Mann #9499; Terry Mann #9500. **CONGRATULATIONS TO EVERY ONE OF YOU!** I guess I'll see you at our Level IV breakfast at the Kansas Convention. **WOW!** Five more mouths to feed.

It was a pleasure to present Marv Ayers his certificate of appointment for University Trainer, Rider Education Program. Welcome to the Kansas Rider Ed Seminar Team. Marv now wears three hats: Chapter Educator, Medic First Aid Instructor and Rider Ed Seminar presenter. I think he may be trying on one more hat for his chapter, Motor Awareness Coordinator. If you keep it up Marv you will have as many hats that I do.

Kansas Rider Education now have Marv Ayers, Doris Schoeck, Rick Stevens, Carolyn Stevens, Jim Lamb and me certified to present Rider Ed seminars. **"Have Seminars! Will Travel!"**

Speaking of presentations. Marv Ayers Rider Ed presentation was based on the Gettysburg Address. He changed the wording to fit GWRRA Rider Ed stuff and it was great. He should present that at the Level IV Break-

fast at Wing Ding. Too bad that won't happen.

We have rescheduled our May 31st Trike course to July 12th, start time 7:30am. At the writing of this article I have nine signed up.

Our schedule for other riding courses are the two wheeled trailering course (Aug 9) and September 6 the Trike/Trailering course. To be part of these events, email me at wtucker1@cox.net. All courses are at the SCMTC (South Central Motorcycle Training Center-owner Bill Tucker) Range in Wichita.

Recently I have received very good comments about our Last BRC2 class. The rider told me he was so glad he took the course prior to his trip west. He felt that some of the techniques he learned & practiced on the range made the trip safer, therefore more fun and relaxing. Jim, Rick and I like to hear comments like that. Keeps us pumped.

See some of you at the July 12th Trike Course.

Be Safe and remember

PRACTICE MAKES PERMANENT! YOU ARE WHAT YOU PRACTICE!

Do yourself and your loved one a favor. Take a Riders course!

(If you keep on doing what you are doing, you will keep getting what you are getting!)

Bill Tucker
KS District Educator

Correction: In my June article, reference the paragraph addressing Level II. I said "1) you need to have ridden 5000 safe miles on your current motorcycle". It should have read "Be enrolled in Level I of the Rider Education Levels Program and have 5000 safe miles."

Rider Ed Continued

I 'the Editor' requested permission from Marv Ayers, Chapter Educator KSH to place his speech in this issue of The Kansas Winger. Marv is putting together a series of talks based on 'Famous Speeches'. He changes the original wording to fit Safety Education related to Rider Education. This presentation was the 'changed' version of "The Gettysburg Address".

Gold Wing Address*

One score and 17 years ago our founders brought forth on this continent, a new association, possibly conceived over ice cream and dedicated to the proposition that all members are to be trained equal.

Now we are engaged in a great struggle to train, testing whether this association, or any association so conceived and so dedicated, can long endure. We have met in great seminar rooms, small seminar rooms, and garages. After all "To save lives through quality world class education" is the mission of GWRRA Educators. These Educators strives to increase rider knowledge, increase safety skills, prevent accidents, reducing injuries and fatalities, increasing the general public image of motorcyclists, and therefore providing an enhanced enjoyment of motorcycle riding. "SAFETY IS FOR LIFE" We have gathered here to thank the Region and District Educators who give of their time and effort that this training might thrive. It is altogether fitting and proper that we should do this. Tonight we, CHAPTER H and guests, thank Bill "Bubba" Tucker for his dedication and effort – Billy Bubba Tucker – kinda sounds like he should be a country western star. But in a larger sense, we, the membership, cannot dedicate – we cannot consecrate – we cannot honor this training. The educators, living and dead, who struggled to train the membership, have done that. The world will little note, nor long remember, and you make be shaking your head in disbelief at what I am saying here this evening, but we can never forget what the educators have done for the membership and this association. It is for us, the membership, rather to be dedicated to the great opportunities for training remaining before us – that from these many opportunities we take increased devotion to that cause for which they gave their time and effort – that we here highly resolve that these Educators shall not have trained in vain – that this association, shall have a new birth of training and that training of the members, by the members, and for the members shall not perish from this association. So my friends:

**GEAR UP
THROW A LEG OVER
TRUST IN YOUR TRAINING
ENJOY THE RIDE
THANK YOU AND GOOD EVENING!**

*President Lincoln

Kansas Chapter H 6/26/2014

BY THE BOOK

By: Jack Wagner
Region H Trainer

"By the Book" articles are intended to help familiarize GWRRA Volunteer Leaders and Members with the policies, procedures, and information contained in the GWRRA Officer's Handbook (OHB). A Copy of the Officer's Handbook can be found at the following Internet website: www.gwrra.org/oconnect/officerhandbook.html Please feel free to reprint these articles in Region, District, or Chapter newsletters.

What is a Chapter Gathering?

It is the means whereby GWRRA has **FUN**, grows, teaches, educates, informs and establishes the basis for GWRRA's very existence. The Chapter gathering is the most important aspect of what we strive the hardest to accomplish - educating our

Members in ways of safety, skill, knowledge and the **FUN OF GWRRA**. If we, as Officers, recognize and acknowledge these responsibilities to our Members, we understand the importance and the difficulty of obtaining our goals as represented in our motto, "FRIENDS FOR FUN, SAFETY AND KNOWLEDGE." In paraphrasing an adage, "You can take Members to water, but you can't make them drink," we understand, in a volunteer, hobby environment, the difficulty in even getting our Members *to* the water, much less getting them to take a drink. We have found the only way to get them involved (so we can provide the "water") is to provide a positive, **FUN** and worthwhile environment. We call this a Chapter gathering. Properly done, a Chapter gathering is the perfect medium to carry out our prime responsibility to our Members. It provides them a place to come to gain fun, friends, knowledge and camaraderie. It provides us the opportunity to "sugar coat" the pills of safety so we can teach our "family" the tools and skills that will enable them to live longer and to better enjoy their chosen hobby — Motorcycling.

Our immediate goal is to entice our Members to come to a monthly activity with their "family." **We do this by making our Chapter gatherings FUN!** We make it a relaxed, non-political, non-religious, friendly place where there are *No Strangers* - just good food, interesting people and educational programs. This is not as difficult as it sounds, but it is very basic to accomplishing another of our missions: **EDUCATE!** If we can motivate our Members to attend a Chapter gathering, our job is half done. We must then insure that the gathering is so good, so interesting, so entertaining, so rewarding and so much **FUN** that they will return every month. They will also "talk it up" with their friends, thereby helping GWRRA receive the positive publicity that goes a long way in attracting new Members into our "family."

The importance of good **FUN** Chapter gatherings cannot be overemphasized. They are the backbone of a successful Chapter. Good luck, and may all your efforts be amply rewarded.

The more you know, the better it gets!

Jack Wagner

Hello everyone...

This is going to be a short article this month because a lot went on but I was unable to attend a lot of it so I will depend on others to write about them.

June started out with the Kansas Twisters going to the Missouri performed at their District Convention on the 7th but I'm going to let Steve talk more about that in the article that he'll write.

Next we had our meeting on the 12th but we had to move it's location because our regular place went out of business. We met at Spears for the 1st time and even though it was a last minute change most everyone was able to figure out where we were...we filled every chair that was in that room.

@
of

Please note that unless you hear differently the meeting on July 10th will also be at Spears 4323 W Maple (by Towne West at the corner Tracy & Maple)

Next came our dinner ride on the 19th That Glen lead. We met at the Quik Trip @ 61st & I135 and rode to Mound Ridge to a Mexican restaurant. There wasn't a large group of us...only 8 bikes with 10 people but we made enough noise you would have thought there were more of us in the room

Next event was the District Campout the weekend of the 20th, 21st & 23rd. I'm sure someone from District will talk about this but I hope everyone that attended the campout had a great time.

So now let's talk about some of the things that coming up in July...

Next Page

KS-A Continued

2nd thru 5th is Wing Ding in Madison Wisconsin...always a fun time

4th Independence Day 

7th Ruth Danner's birthday 

10th Chapter A's monthly meeting...remember the meeting starts @ 7:00 but get there @ 6 to enjoy a meal and a chance to visit with the other members (Remember it's at Spears and Thursday is Free Pie day)

12th Trike course...this class was rescheduled from May 31st so you might want to contact Bill Tucker if you want to make sure you are in this class

14th Steve Bockhaus's birthday 

16th Glen Koch's Birthday 

17th Dinner ride Rod Gillett is planning this one...more information to come.

22nd Ann Gillett's birthday 

25th Posgai's Anniversary 

31st Debbie Gattenby's birthday 

Don't forget the Kansas District Convention coming up in Abilene Kansas Sept 12th & 13th.

This is all I can think of for now but if I missed anything or you would like me to include something that you would like the members to know about please e-mailing me at scarymary1210@sbcglobal.net and I will include it in the next newsletter

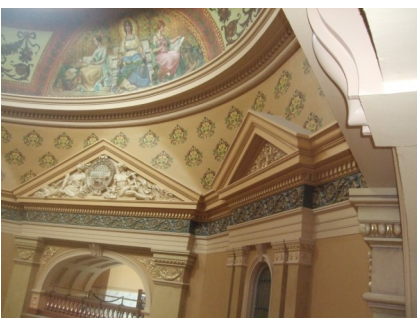

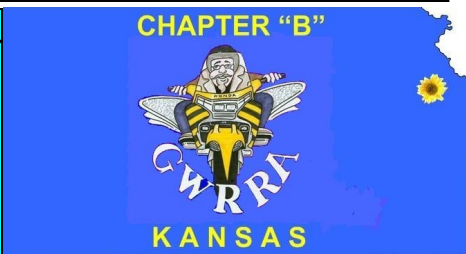

Until then...ride as often as you can.

Chapter B – DeSoto

Chapter Director Allen & Lee Ann Robertson 785-979-4831	Ass't Chapter Director Paula Aiken 785-842-8503	Chapter Educator Eric Wadman 913-219-6678	Chapter Treasurer Ed James 816-225-2679
Chapter Couple Steve & Brenda Milam	Chapter MEC Joe Magnant	Chapter Editor Paula Aiken 785-842-8503	

Mark Twain once said, "No man's life, liberty, or property is safe while the legislature is in session." Chapter B didn't have to worry about that when seven members, led by Bogie Bogenrife and Mary Rose Enderle, ventured to the state capitol for a tour. Eating to build up their strength for the climb to the capitol dome, the group stopped to enjoy lunch at C W Porubsky Grocery and Meats. Then it was on to the capitol to check out the 325 million dollar renovations.

Two hundred ninety six steps later, the group was able to see for miles under the watchful eye of the Kansa Warrior pointing the way to the stars. Then another two hundred ninety six steps and they were back at the ground level where they checked out the governor's office. There was a vote amongst those present to determine whether John English or Ed James would be the next governor, but following a tie vote, their political careers were over and the group moved on to other venues.

Climbing all those stairs had definitely used all the calories consumed at lunch and energy was needed for the ride home. Old Prairie Town and the Potwin Old Fashion Soda Fountain were next on the agenda. After enjoying the refreshments, country roads led the group back home. It was a great ride and learning experience for all.

Two wheels, three wheels, four wheels and wings were the methods of transport for a Chapter B ride to the Hanger Kafe in Miller, Missouri, led by Roger and Melissa Shores. It was great riding through the alphabet roads of Missouri as the group ventured on their journey toward lunch. The buildings seemed to rise from the wheat fields as the group approached. Planes were flying and parachutists were preparing for their jumps. The restaurant overlooked the grass runway and just as the group began to order, they caught sight of another Chapter B couple flying past the window. Doug and Darlene McMullen had arrived in just

about thirty minutes in their experimental plane, hand built by Doug. The hundred mile trip from Ottawa was much quicker for them.

KS-B Continued

It was great fun to eat and enjoy the activities going on outside the building. After looking over the McMullen's plane and watching them take off and disappear from sight in a matter of minutes, it was time for dessert. The group headed to Golden City and Cooky's Café for pie. And then it was homeward bound from a perfect day of fun and fellowship.

Ed and Janice James led the June dinner ride to Bo Bo's Chinese Restaurant in Olathe. Twenty five members almost filled the very small restaurant where the food was yummy. Other patrons found that "take out" was their meal of choice as Chapter B members visited and enjoyed the evening.

A day ride to the Citadel Caverns and Glick Mansion in Atchison was delayed on June 7 as Mother Nature decided to vent her wrath in the form of a thunderstorm. The group of ten ventured out just a few hours later than originally scheduled with blue skies overhead. A brief shower outside of Leavenworth did dampen the clothes, but not the spirits of the riders.

The tour of the Citadel Caverns began with a history lesson. The caverns are advertised as the largest underground bunker in the world with approximately 2.7 million square feet of developed and undeveloped area. This limestone mine was started in 1896, and then used by the US Government during WW II for storage. The use by the military continued through the 90's and the caverns were sold in April 2013 to a private owner.

The group boarded a tram which took them through both developed and undeveloped areas. The massive ventilation system was a sight to see as were the "cave hairs" that grow only in one specific area of the caverns. True darkness was experienced during the tram ride as the lights were extinguished. It was a very informative tour.

Next Page

KS-B Continued

Then it was on to the Glick Mansion for a tour. This home was originally built around 1860 by George Glick who later became the first democratic governor of Kansas. The mansion has been converted to a bed and breakfast and the owners graciously shared their home. The group enjoyed looking through the various rooms, marveling at the history of the house and dining on raspberry peach cobbler and brownies served with ice cream on the outside patio.

It was burgers and fries for the group at Rudy's Landing along the river for a late lunch following the wonderful dessert. Despite the questionable weather at the start of the day, the group enjoyed the informational day planned by Mary Rose Enderle and Bogie Bogenrife.

The annual trip to Jamesport, Missouri was attended by thirty five members on June 14. The first stop was at the Country Heritage Furniture Store where members enjoyed looking at the beautiful furniture. It was their open house and several members registered for door prizes. Two members were lucky to have their entries drawn and won cash prizes. And, it was heard that at least one furniture delivery would be making its way to the Kansas City area. A prelude to lunch was enjoyed as homemade ice cream, strawberries and other goodies were enjoyed by many.

Next on the agenda was the exploration of the local stores in downtown Jamesport. Lunch was served family style at the Gingerich Dutch Pantry where everyone enjoyed the variety of delicious food and more dessert. A local grocery store and bakery were the next stops. Food seemed to be the dominating factor during this excellent trip organized and led by John and Donna Stevenson.

Chapter B events for July:

July 2-5 - Wing Ding

July 3 - Dinner Ride

July 17 - Chapter Meeting

July 19 - Lambert's Ride

We went on our supper ride on the 3rd to the EZ Rock Café in Lyndon. It was the first time the chapter had been there in quite a while. We unknowingly were there for Taco Tuesday, which was good for the food category but bad for seating since it was almost a, "find a seat if you can" type of evening. We made it with only 3 of us having to sit at a different table. It ended up not being a problem Earl & Lenny Barnes ended up having to sit with their son but were close enough that they didn't have to yell too loud to be heard. John and Teresa both knew our waitress but that didn't seem to take away from the service as it was very good. The food was also good as well as the prices.

Some time back Bill Hanson had told a story where he said and I'll keep it clean here since I have to for publishing and I quote "Teresa you are a royal pain in the poster." Nobody disagreed at the time so it more or less just went as another story until Brenda realized she had a terra from our daughter's wedding so Brenda being Brenda brought it along on the ride and slipped it to Bill who at the appropriate time presented it to Teresa and made her wear it for the rest of the evening. It was also explained to Teresa that no, she wasn't a princess for the evening but she was royalty.

We had a good turnout for the ride with 7 bikes and 11 people. I have to apologize to Earl & Lenny's son for forgetting his name. No on second thought that contraption he was riding had pipes that were way too loud and I was behind him for about 300 yards and it scrambled my brain. The reason I was only behind him for 300 yards is because I was riding drag and low and behold Lenny lost her address book off the fender of her trike and being the talented lady she is it landed exactly in the middle of a T intersection. Darrell & Jenny Anderson, who had joined us for the first time, saw it fall off and stopped to pick it up. They didn't have a CB so I circled back to see why they had stopped and at the same time got away from that noisy contraption. For the rest of the ride, we rode in silence, since we didn't catch up with the rest of the group until just as we were entering Lyndon. A big thank you to Darrell for noticing the book falling off the fender and stopping to pick it up while safely dodging traffic. NOTE: Lenny next time use Velcro to see if that will help the book stick to the fender.

Darrell & Jenny fit right in with our gang. They are interested in joining GWRRA and we explained how things work and told them they were welcome to join us anytime and also warned them we would treat them as bad as we treat everybody so just so they would know they are welcome. They managed to find out about the ride when they followed Earl & Lenny to their house after seeing them riding their trikes.

Our extended ride for the month was on the 14th, which was a week early. Since I can't remember much I'm guessing it was on the schedule that way because of the District Campout on our normal ride weekend. We had 6 bikes and 9 people for the trip to Osage City. Bill Hanson led the ride and as is normal for him it takes a while to

get from point A to B. That man can turn a 30 mile ride into 80 and never blink. That's my kind of motorcycle riding. We departed Topeka west on I 70 just to get out of town then because of construction we ended up on a road several of us had not been on before. We worked our way thru Eskridge and left town on 99 north (remember Osage City is south). Bill took us around Lake Wabaunsee, another road many of us had not been on before. After circling the lake we headed south and worked our way to Marilyn's in Osage City for a very good meal. It seems like the strawberry shortcake was mandatory. I think everybody had one and it was good. The entire staff was extremely friendly even though Bill and Margaret were well known and we were our normal noisy group. While we were eating there was a discussion if the stretch of K99 paralleling the lake is one of the windiest roads in Kansas. Just about everybody came up with a road windier, but none in Kansas. Since I haven't really figured out this trike stuff in crosswinds my arms were getting tired on the third pass along that road since Bill took us over it twice. After we finished eating and the group was splitting up to go our separate ways home. John & Teresa Gull decided to go to Wamego to visit one of Teresa's relative's that was in the hospital so Brenda and I tagged along riding to K99 with Bill & Margaret and yes you guessed it back along the lake in the wind for the third time. The ride was a very good one except for the wind. Bill did get to demonstrate his riding abilities when a car was in the left turn lane and then decided to turn right into a gas station nearly taking out the Hanson's. I didn't see how close it was but both John and Bill said it was just inches. So keep alert out there at all times.

We held our monthly meeting at Perkins on the 17th and to say it was a hoot would be an understatement. Bill Hanson started things off with saying that when riding in the twisties you need to be careful and not stray too near the center line especially on left hand turns as oncoming vehicles could easily cross the line and collect you. He said while riding in Arkansas that a vehicle crossed the centerline in a turn and got Margaret's attention so well she actually screamed. He said that was the first time in over 200,000 bike miles that he could remember her ever screaming. Bill also stressed the need to stay alert when riding even at real slow speeds. As said earlier a vehicle turned right out of the left turn lane in front of our group and almost collected Bill. He said it was only a foot or so between them so be careful.

Ron Crawford brought up the fact that he and Marjie have been Directors for almost four years and was wondering if the members thought it was time for them to step down since they don't ride with the chapter, for the most part, because of personal reasons. After an extended discussion there was a consensus that they were doing a good job and still enjoyed doing it. Everybody that spoke up pretty much said the same thing. If they were happy in the position to continue and to ride as much or as little as they could since GWRRA is a volunteer organization and all members are expected to do as much or as little as they want or can, with nobody else being bothered by it.

KS-C Continued

After the serious portion the meeting almost got out of hand with a discussion on chapter shirts. After the dust settled and everybody quit picking on Teresa it was decided we would get red t-shirts and use a slightly modified logo deleting the second motorcycle from the current logo. Orders are now being taken and hopefully we will know by the next meeting how many we need and what size so the order can be placed.

Upcoming events for the future are: the August supper ride that will be at Gary and Susan Drake's. It will be more or less pot luck with Gary and Susan furnishing the meat and members bringing the rest of the food. Also the Chapter birthday party will be August 16th at 2:00pm at John & Teresa's home. Bring food and try to arrive a few minutes early because there is a special surprise planned for all visiting members from other chapters.

After the t-shirt issue was resolved the 50/50 drawing was held with Teresa winning both drawings but returning the small one so that Brenda could win it. Ken Felch's plan of having Al Davis sit beside him to increase his odds for the 50/50 was a failure.

Below is a trip report from Al & Sandy just the way they wrote it. Our Grand Adventure.

We began our adventure on May24th in the rain.

We rode through Topeka and went to the Friendly Cooker in Wamego for breakfast.

It wasn't until we left Kansas that we left the rain behind. That allowed us to have a pleasant ride through the sand hills of Nebraska. Alliance Nebraska was our stop for our first night out. On day 2 we rode northbound into cooler weather and clipped the south west part of the Black Hills of South Dakota riding into Wyoming. We set the GPS to avoid interstate highways and found out that going west through the north end of Wyoming involved a lot of zigzagging. Now that's my kind of riding. Sandy spotted some Moose when we were riding through the mountains in the Bighorn National Forrest so we had to turn around and go back to take pictures. They didn't seem to even notice us watching them. Eventually we made it to Cody and got a room for the night. That evening Jacob let us know that we needed to stay in Cody another night so that we could take in the sights of Cody. The next day we spent several hours touring the Buffalo Bill Cody Museum. That was awesome. That evening Jacob enjoyed a Buffalo steak and told us that now he understood why the Buffalo almost went extinct. It was because they tasted so good. We turned our sights to Yellowstone. Somebody was adding layers of coats as we rode up into the park. We were amazed to find the Yellowstone Lake was almost completely covered with ice. There was snow here and there in the shade of the trees as we rode onward to Old Faithfull. We just missed one eruption so we toured the Inn and the gift shop before going out to view the next one. No matter how many times you see it, it is always a breath taking event. Next stop were the lower and upper falls below Yellowstone Lake. The snow melt had them running bigger and faster than we have ever seen them. Truly a beautiful sight. We headed north past Mt. Washburn and stopped where some folks were looking at something in the distance. After they pointed out where to look we were able to watch a mother Grizzly bear and her yearling cub grazing. That was the first time we viewed Grizz while in Yellowstone. Next was Beartooth pass. It had only been open a few days when we rode through. There were places that they had cut through the snow banks that were at least 20foot deep and there was snow taller than Jacob in the ditches. When we stopped for a break in Red Lodge.

Jacob noticed that his back tire was running pretty thin so we spent the night in Laurel Montana. The next morning we were at the Honda shop in Billings getting a new tire installed. We decided to make up for the lost time by burning up the Interstate to Missoula to spend the night. The next morning we rode the never end miles of winding US-12 most of the way through Idaho. We turned south to spend the night in Halfway, Oregon. We had stayed at the same Mom and Pop motel 10 years ago. Somehow Jacob had left his stuffed tiger Stripes, there and by the time we noticed and contacted the motel owners, they had already put Stripes in the mail sending him home. I told them the story and they remembered Stripes and his "Grand Adventure". We rode on into Oregon and at one of the gas stops Sandy called the Condo we were going to stay for a week in to let them know that we were going to be arriving later in the day. You could hardly imagine the frustration she felt when she found out that the time share people had screwed up our reservations and that we had no place to stay. Wow what a shock!

Al decided that when you are given lemons, you make lemonade...and when you don't have a place to stay, you wing it and travel about. We saw Mount Hood and crossed over into Washington and drove west along the Columbia River. When we went back in to Oregon Al missed a turn and we ended up in downtown Portland. It was practically impossible to get anywhere and it was full of dirty hippies. After we finally got out of that one way, transit lane, how the heck do I get out of here, city we headed for the coast. It was a beautiful to travel on coast. We stayed on the coast most of the next day. We ate breakfast a place called Otis Cafe and it was very good. We went on down the coast and ate lunch at a place called Crazy Norwegian fish and chips. It was delicious. The next day we continued on to the big redwoods. Once again let me say, "Wow". Jacob and Sandy drove our bikes through one tree and it was very cool. Next we rode through Yosemite where we viewed a very cool waterfall and some awesome granite mountains. It was Fresno for that night. Next we rode down to Kings Canyon and to the Sequoia National forest. Those are some BIG trees. It was on to Bakersfield for the night. We discussed riding through Death Valley and decided that would be too tough of a ride for us. Barstow was where we jumped on the Interstate to get across the Mohave dessert. We didn't start early enough in the day and found ourselves cooling off in Las Vegas and several other rest/cool down stops. We saw 106 before we called it a day at Saint George, Utah. We headed to Moab and we were going to get a room there. Checked several hotels and they wanted \$285 for one night. We said, "No way". So we headed into Arches national park. It was so beautiful and pictures would not do it justice. Then we made our way to Grand Junction and got a room at the Days Inn. When Sandy was getting ready for bed she looked at the coffee maker and it said Best Western. So I guess we stayed in 2 hotels that night. We made our way to Cortez, Co and checked in the White Eagle Motel before we went to four corners. It changed a lot from the last time we were there. They remodeled everything except the parking lot. It was still terrible. Sandy bought a lot of jewelry for our daughter to compensate her for tending to our pets while we were away enjoying ourselves. You can bet that she loved all of it. Daylight always seem to come too soon so we got up and made our way to Mesa Verde. Jacob took a walking of tour of one of the ruins call "Cliff Palace". He had a good time said it was cool. While he did that we drove around to some of the other sites. At one stop were on a bluff looking across the way and the wind about blew us away. Awesome place, Mesa Verde. We turned east and headed toward home. As we crossed Wolf Creek Pass Sandy appreciated the heated gear (again) and got to see some snow flurries. It was pretty tough talking her into removing a glove to take some pictures of it.

KS-C Continued

We run down to Clayton, New Mexico and when we turned towards the northeast we soon discovered why we were getting such great gas mileage. The wind was blowing from left to right at about 30 MPH. It didn't take much buffeting for us to decide to stay in Elkhart that night. The next day found us at the Dairy Queen in Abilene and home by 3 P.M. We rode over 5,400 miles, through 16 states. What a grand country we live in! What a grand adventure!

This will be short:

Chapter F is looking for the following positions.

1. Chapter Director
2. Assistant Chapter Director

The District is looking for the following positions.

1. District Web Master
- District Vendor Coordinator

Chapter F had their breakfast ride and we met at the Cinema in El Dorado at 7:30 am helmet time.

there was 6 members and 1 guest. We met 2 other members at the restaurant.

We went to Auntie C's Restaurant
425 East 61st St N #1b Park City, KS
67219
(316) 744-7244

The food was most yummy.

The District had their Campout at council Grove

I tried to get a head count but people were coming And going so much I never did get a count.

I know that our District leaders worked their buns Off to see that we (the membership) had a good time

And we did. It was a great time with a lot of jaw flapping.

Thank You District !!

That's it, Dale

Editors Note: Dale & Janis announced at their meeting 6-24-14 that it would be their last as Chapter Directors. Most of you know they are moving out of state. We will miss them very much.

Best to both of you!

Your GW Family

Chapter Directors

Terry & Judy Mann

We've had a good riding month with a ride on June 1st to Cassoday for breakfast and then on to Beaumont for a great lunch and finished up at Braums in Newton.

On June 7th we had several bikes ride in the Black Kettle festival in Moundridge and finished up the weekend with the Aileen Koch memorial ride to Potwin and a scenic ride to Strong City and of course finished at Braums in McPherson.

Unfortunately Glen Koch lost another brother on June 6th. Our thoughts and prayers are with him. We will participate in the District campout at Council Grove on June 20-21.

We have 9 bikes from our Chapter H heading for Wing Ding at the end of the month.

Assistant Chapter Directors

Dale & Georgeanna Tritsch

I have learned a lot belonging to GWRRA. The Fun, the Safety, the Knowledge and most of all, enjoying being around like-minded folks who are the GWRRA family. As an officer of Chapter H I know that I am expected to be involved in the workings of the organization. As a member I want to be involved in as many events as possible. I believe that each and every member should feel the same as I do. No one is expected to do anything that they are not willing to do. We of Chapter H should be happy knowing that we all do what we can to make our chapter one of the best. We go to gatherings, we participate in events, we get involved. Most of all we welcome everyone who joins us in our activities. Although we all can't do it all or go to every event, we do as much as we can. We are always well represented in GWRRA functions. Kudos to those associated with Chapter H!

Chapter Educator

Marv Ayers

Rider Ed Bits

How often do you think about your motorcycle training? How many times, when you are out riding, have you found yourself in a situation that tests your riding skills? Every time you take your motorcycle out these thoughts should be in your head. In Kansas Region we have people like Bill Tucker, Jim Lamb, and Rick Stevens that have prepared us for situations we encounter. Trust in your training. Practice the skills you have been taught. A skill no longer used is no longer a skill. RIDE SAFE Marv

Chapter MEC

Bill Watts

On Sunday the 7th a bunch of us went on the Aileen (Baby) Koch Memorial Ride. There were about 24 people in attendance. We met at Newton with the Dridge Hogs and rode to Potwin, had breakfast and then to Cottonwood Falls. Then we rode to McPherson and completed the ride at Braum's.

KS-H Continued

The starting group at Potwin

The special memorial ribbon on a windshield

This was a great way to honor a very special lady and a great member of not only KS-H but also to GWRRA.

It was also a pleasure to ride with the Dridge Hogs of Moundridge, although we may not pick up any potential GWRRA members, we certainly made some good friends, some of whom want to participate in our events. They support us as we support them. They are a good, safe group to ride with. They observe the rules of safe riding the same as we do. Although they do not have CB communication, they know how and use hand signals.

If anyone is interested in having a ribbon, contact either Bill Watts or Sarah Taylor.

Just a reminder that we are a short time away from Wing Ding. I encourage all plan-

ning to ride to Wing Ding not to wait until the last minute to check their bikes and all gear and make sure it is ready for the trip. Get in a fun mind-set so we can all have a fun and safe time.

For anyone attending this month's chapter meeting who are planning to ride to Wing Ding, we would like to get together after the meeting for a riders meeting to plan times of departure, routes, and meeting places so we can possibly ride into Madison as one chapter group.

Ride safe and keep recruiting new members.

Bill Watts

Chapter COY

Dale & Georgeanna Tritsch

We have been having fun going to all the Region H rallies. Being vendors keep us in one place all day, however we do meet many Wingers from all over. We enjoy visiting with everyone. Some just stop by to visit and that is always a pleasure. We are looking forward to getting to all the chapters in the Kansas District. After meeting most of the COYs (chapter of the year couples), we believe the Region COY will be a strong competition. Everyone going to Wing Ding 36 should support our Region H Couple of the Year, Becky and Tim Dinnel. Be sure to go to the International Couple of the Year selection on July 1st from 1:30 pm to 3:30 pm. Wear purple and bring along noisemakers 329320 to show support for our Region H couple.

Our goal is to meet and greet as many members of GWRRA as possible. Not only is it one of our duties as COY for KS-H, it is a good idea for every member to go out and meet and greet. Always carry your GWRRA info cards and handouts so you can get other motorcyclists involved in GWRRA. There are many who are looking for a great group to be with and have fun and be safe.

Chapter Newsletter Editors
Dale & Georgeanna Tritsch

On May 23, Terry & Judy, Bill & Sarah, and Denny & Donna rode to Branson. This was the annual Mann ride to Branson. They had a great time seeing shows. Denny & Terry were even in recruiting (?) mode. They had a good time on the zip line and riding the ducks. Donna even drove one of the ducks.

On Saturday they rode to the AR District Rally in Harrison, AR. Dale & Georgeanna were there as vendors for Tritsch's Stitches.

On June 20 and 21 we were represented at the District Campout in Council Grove, KS. Several chapters were represented and everyone had a good time. Friday evening we had hobo stew. On Saturday we rode to Manhattan, KS for breakfast at the Sirloin Stockade. Following breakfast we took a scenic ride led by Jack Schoeck back to camp. We saw some old stone buildings and stone fences, some of which were rebuilt. The weather cooperated for the ride so it was comfortable and enjoyable.

Bill Tucker prepping 2 hours before the ride

Saturday evening we had burgers and hot dogs and plenty of other plate fillers. My specialty, the desserts, were all good. Judy Mann brought a birthday cake for Terry Mann. We helped him celebrate his birthday (which is on Sunday).
Hurry. It is slipping.

Thanks to the Kansas District for providing the hobo stew and burgers and hot dogs. Thanks also to everyone for bringing a side dish to compliment the meal.

There was more visiting and fun until tired set in and we all had the same idea of finding our beds.

Next Page

KS-H Continued

Some of us went on the annual EMS benefit poker run on Saturday morning before going to the campsite. It also was a great ride.

Bugsy

Bugsy has been having fun with Chris and Janice. He went to the Cosmosphere and tried to talk Chris into driving the Mustang convertible.

We had a very good turnout for our June 26 meeting. There were 24 KS-H members present, 11 visiting members from other chapters, and 3 guests. We had a good presentation from Carl Anderson who owns Onsite mobile Motorcycle Maintenance. Carl will travel to you for basic maintenance and also sells tires. See his website at www.onsitemmm.com or call 316 347 5515 for an appointment.

Bill Tucker presented Marvin Ayers with his University Trainer for Rider Education (Seminars) certificate.

KS-H Continued

Bill also presented Terry Mann, Judy Mann, Marvin Ayres, Bruce Malecki, and Dale Tritsch with their Master Tour Rider certificates

The 5

The Selfie

Jack and Doris Schoeck presented Terry and Judy Mann with a certificate and patches for Senior Chapter Director.

Marvin gave a humorous and informative presentation on safety training and rider programs within GWRRA.

Bill Watts once again challenged everyone to recruit new members and made an offer to see that the recruiting member's dues would be paid for one year. Bill is also our new District MEC. We know that he will do a great job.

Terry said that there were nine Gold Wings going to Wing Ding 36. We will have all the info on that ride in the next newsletter. Dale had a short game where two members at a time alternately tried to name items from a topic within two seconds. The one who either said an item already used or did not say anything within the two seconds was eliminated. We had 8 participants and finally got down to one winner. I think everyone had fun with this. (thnx to Brenda Kistler from KS-F for the idea)

Send your photos and descriptions or short article of what you have been doing to Ann Whithorn so she can add it to the chapter scrapbook. Even a short ride for ice cream or pleasure would be appreciated.

Children Are Quick

TEACHER: Why are you late?

STUDENT: Class started before I got here.

TEACHER: John, why are you doing your math multiplication on the floor?

JOHN: You told me to do it without using tables.

Next Page

KS-H Continued

TEACHER: Glenn, how do you spell 'crocodile?'

GLENN: K-R-O-K-O-D-I-A-L'

TEACHER: No, that's wrong

GLENN: Maybe it is wrong, but you asked me how I spell it.

(I Love this child)

TEACHER: Donald, what is the chemical formula for water?

DONALD: H I J K L M N O.

TEACHER: What are you talking about?

DONALD: Yesterday you said it's H to O.

TEACHER: Winnie, name one important thing we have today that we didn't have ten years ago.

WINNIE: Me!

TEACHER: Glen, why do you always get so dirty?

GLEN: Well, I'm a lot closer to the ground than you are.

TEACHER: Millie, give me a sentence starting with ' I. '

MILLIE: I is..

TEACHER: No, Millie..... Always say, 'I am.'

MILLIE: All right... 'I am the ninth letter of the alphabet.'

TEACHER: George Washington not only chopped down his father's cherry tree, but also admitted it.

Now, Louie, do you know why his father didn't punish him?

LOUIS: Because George still had the axe in his hand.....

TEACHER: Now, Simon, tell me frankly, do you say prayers before eating?

SIMON: No sir, I don't have to, my Mum is a good cook.

TEACHER: Clyde , your composition on 'My Dog' is exactly the same as your brother's..

Did you copy his?

CLYDE : No, sir. It's the same dog.

TEACHER: Harold, what do you call a person who keeps on talking when people are no longer interested?

HAROLD: A teacher

Open

Sure hope all of you got to ride some this last month, we finally got to get our bike out and it felt great to be riding again.

We had our breakfast ride last month to Hunter's Café in Winfield, the turn out was great and the food was really good. After breakfast some of us took a short ride around the Dexter area and back into Ark City. Since this one went so well we are in the process of scheduling several more in the coming months. Our next scheduled breakfast ride is set for July 26th to Little Firehouse Café (currently Mija's Café) in Derby.

The next stop for some of us was the Beranek BDay Bash, Dave and Dana always make everyone feel welcome. There was lots of fun, friends and food. After the meal that evening we all enjoyed the movie "The Worlds Fastest Indian", great movie!

On June 8th some of us joined up with Chapter H for the 1st Annual Aileen Koch Memorial Ride. We met up with them in Newton then rode into Potwin for breakfast. From there Chapter H rode on to Strong City, but our group made our way back south from Potwin. It was good ride and a wonderful tribute to Aileen.

Since we have no meeting in July, we hope to see some of you at the breakfast ride. We'll let you know next month how Wing Ding went and where we'll be next year.

July Birthdays: Bill Tucker 2nd,
Judy Eggleston & Ray Wirtz on the 15th,
Tom Sweet and Duane Sherrard on the 30th.

Until the next time,
Jack and Teresa Kistler, CD's

Hi 'Q' Crew,

Just a note to let you and all of Kansas GWRRA family that KSQ has scheduled Breakfast rides for the rest of the year. We will be sending that to all very soon.

KSQ members attended KSP meeting and their Saturday morning breakfast ride to White-water's Mom's Café. It is a neat, cozy place, with excellent food and good service. We may have to add that ride to our future breakfast schedule.

KSQ members that attended the Kansas Campout had a enjoyable time, eating, riding, riding to eat and just good chit-chat with others. By the way, KSQ has the Campout Champion in Hobo Golf. We stomped KSF. KSF returned the favor in the 'Washer Toss'. Actually Rick Kistler and I played the games. He thumped me good in the Washer Toss, but I got revenge in Hobo Golf. I'm the King of the HOBOS now. Aren't you 'Q' folks proud of that?

Our Chapter Couple & others attended 'F's and 'H' meetings in June.

Be safe out there!

Bill & Sheila Tucker, Asst CD

ATTENTION: No KSQ meeting in July. Also KSQ August meeting will be at Laurie's Kitchen, 113 west Main, Mulvane KS. COME JOIN US!

The following motels are available. Prices for convention attendees are listed on Rally Registration Form.

Super 8 Motel, Holiday Inn, America's Best Value Inn

A camp ground is on site. Electric hook up only. Dump station near by. Restrooms available in Sterl Building and showers will be available in another building. There is a second camp ground off site.

The Kansas Team hope you will meet us "Where The Rails Meet The Trails" to enjoy family fun and entertainment!

Registration Form and additional information on Motel & Camping fees are on the web page and in the Kansas Winger.
