*Ride Safe and Often*
Greetings G.W.R.R.A. Family,

And WOW! Just like that we are already in September! It seems as if this year is flying by at a pretty good clip. But hey September usually means cooler temps right? Well let’s all hope so and cooler weather means giving the central air units a break and opening the windows and listening to the leaves rustle in the evening and night time breeze.

September usually brings much more comfortable temps for getting out and riding too—it’s all part of the yearly cycle that repeats itself every year. I know Sarah and I are both looking forward to it and we do hope all or most of you are too.

But with that being said please remember there are still some FUN activities planned for each of you at the District level here are just a few. There is a District fall ride in September and then there is the District campout in October! Both of these activities are on the Kansas web site and the information as far as dates and scheduled activities can be viewed there. We do encourage each of you to take a look at them and make your plans to attend either one or both of them. Because it is a really small window of opportunity to get out and do it before Old Man Winter, shows up to spoil the outside FUN.

We look forward to seeing all of you soon but until then ride safe and have FUN!

January 17-18:      Kansas Mid-Winter Rendezvous
It is September already. Happy Labor Day to everyone.

I am writing this as we prepare to leave for Wing Ding in less than a week. If you are making the trip I hope that it was a safe and enjoyable trip. It is difficult to offer pointers and suggestions to make the ride safer and more fun when this will not be published until most everyone has returned.

Also this has been the year for riding course range woes. First we had the challenge of getting the range certified by Motorcycle Safety Foundation. It was not difficult just had to have the correct documentation and paperwork to get that done. Then there were cancellations for weather and low enrollment.

We then rescheduled the Basic Rider Course 2 (formally known as Experienced Rider Course) for September 28, 2019 on our newly certified range. Then around the first of August I was informed by the City of Wichita, who owns the parking lot that we use as a range that the lot was being evaluated for its stability as it pertains to weight limits and the lot is closed indefinitely.

Facing another cancellation I reached out to Joe Gattenby who works for Motorcycle Rider Education, LLC and they graciously offered us the use of their MSF Range. I would like to personally, on behalf of GWRRA Kansas, to thank them for this great gesture.
We will now have the class on Sunday September 29, 2019. We will meet on the range at 11:30 AM for registration and hope to start the class by 12:00pm. We will meet at the range which is located on the south side of Towne West Square Shopping Center in West Wichita. The range is located behind Town and Country Restaurant 4702 West Kellogg Drive in Wichita. Please arrive promptly by 11:30 so that we can complete the paperwork and get the exercises under way. Please also make sure that you have lunch prior to arriving at the range. We will have breaks and Town and Country allows us the use of their restrooms.

If you would like to attend this training please notify me as soon as possible so that I can get the proper paperwork prepared and know how many plan on attending. We are allowed to have 12 bikes participate in the training. Co-riders are welcome and encouraged to attend to ride and learn at no additional cost.

I am going to keep this fairly short this month. If you went to Nashville I hope you had a safe and enjoyable ride. If you could not attend I hope you at least took an opportunity to do a bit of riding.

Rick Stevens
Kansas District Educator

Hello everyone.

By the time you all read this summer will be officially over for 2019. And what a strange year this has been weather wise. One week it’s cold, the next week it’s hot, then we have to deal with the rain and flooding just to end up going back to the heat and then again the cool weather. Makes you wonder what this winter is going to be like.

So what can I tell you about what Chapter A did in August? We had our monthly meeting on the 8th and it’s always a fun time talking to everyone. Catching up with them and what they’ve been doing. If you’ve never come to one of the meetings they are held on the 2nd Thursday of the month. We meet at the Country Café on South Seneca. The meeting is @ 7:00 but come early for a meal and a chance to gossip.

The following week on the 17th Chapter P took a dinner ride down to Oxford Ks to the La Casita Mexican Restaurant and a few members from Chapter A joined in on the fun.

To quote Ms Debbie “Food was great! Homey atmosphere. Good Food...Good Friends.”

On the 23rd a few of us got together to do some mini golf @ Towne West Mall. I’m sorry that I didn’t post many pictures but the picture that I have aren’t very good because it’s hard to get a good shot with only black light to light your way.
Not everyone’s score was given to me but here are the ones I have for the 1st game. Dave Beranek-42, Dana Beranek-47, Denny Chesnut-44, Kathy Chesnut-51, Mary Mazur-54, Debbie Gattenby-59, Chris Grooms-50, Steve Bockhaus-54, Terri Bockhaus-49. As you can see we all did pretty good. We didn’t keep score on our 2nd round of golf which means none of us will ever know if our game improved or not…oh well. We all enjoyed pizza & pop in between rounds. I think a good time was had by all.
All that’s left for the month of August is Wing Ding. Don’t know how many of you will get a chance to go but if you do I would love to have you send me pictures and a brief story about your adventure that I can include in next month’s newsletter.

Speaking of next month…what’s going on in September? I’m not showing much on the calendar but I’m sure something will pop-up starting with…

7th – Chapter A’s planning meeting. It’s @ noon & Chris & Michelle Grooms and Lunch will be included. Just remember if you want to have the Chapter do something or go somewhere that you think will be a great place to visit then come to the meeting and help us plan it. And if you can’t come to the meeting send your ideas to our fearless leaders and I’m sure they will see what they can do.

8th – Margo Roberts birthday

14th – District ride…more information to be coming

Oct 4th, 5th, & 6th is the District campout @ Santa Fe Cove – Council Grove Lake. If you are interested in going you can find more information on the District website.

Remember to ride them, not hide them (weather permitting)

Mary Mazur,
Your Chapter A Newsletter editor
Blackberries, blackberries, yummy, yummy blackberries! It was time for Chapter B’s annual breakfast and blackberry run on July 27. Dave Aiken led the group to Miss B’s in Louisburg, KS for a yummy breakfast. Twenty plus people enjoyed the food and fellowship. Then due to the hot weather, only three ventured on to pick blackberries at Cy and Dee’s Blackberry Patch. The berries this year were big and sweet and hopefully the twelve quart that were put into the freezer will last until next summer’s bounty.

July 30 found a group of Chapter B members and friends headed to Sturgis, South Dakota. Allen Robertson organized the event and twenty-two riders and co-riders made the trip. After a long day of riding, the group stopped in Sidney, Nebraska for the night. July 31 was a day with fewer miles of riding with a short stop just north of Alliance, Nebraska to see Carhenge. Carhenge is a unique sculpture formed from vintage automobiles which have been painted gray to replicate England’s Stonehenge. Then it was on to the college dorms at the South Dakota School of Mines and Technology in Rapid City to get checked in.

Each day began with a wonderful breakfast buffet at the college and then it was time to ride. With the many choices in the area, it was a different destination every day. There was Sturgis, Deadwood, Lead, and Spearfish to the north, or Hill City, Custer State Park, Keystone, Mt. Rushmore, and Crazy Horse to the south. Smaller groups split off and rode.

August 1 was the monthly dinner ride. With many from the chapter in Sturgis, Joe Magnant led the ride to Johnny’s BBQ in Olathe. A good time was had by those in attendance. The monthly meeting occurred on August 15 with thirty-two people at JT’s Bar and Grill. Rick and Carolyn Stevens attended and awarded Joyce Dalsing her patch for reaching Level 3 in the Rider Education Levels Program. It’s always great to have district staff come north to see us. Trivia was on left-handedness. It proved to be rather difficult and even our southpaws were stumped on many of the questions.
Members and friends attended the T-Bones baseball game on August 21. The chance of rain kept some away, but those who went had fun. The weather was cooler than the past several years and we had a good time conversing and cheering on the team as the T-Bones won the game.

NEXT CHAPTER GATHERING IS SATURDAY SEPTEMBER 14, 2019 5:30 P.M. AT FETCH BAR & GRILL BLOCK 52 MOUND RIDGE, KS
Happy Fall Y’all!
We have a couple of members who have been in the shop for repairs and they need to be kept in our prayers. Dennis Pierson had more of his right leg removed above the knee because of problems with healing and is now going to Wesley Rehab; and Don Gray had some work done on his right shoulder on Thursday August 22nd. Don is doing ok, just getting over the after surgery effects but it might be awhile before he is able to ride.

In case you didn’t notice on the first page, **WE HAVE A MEETING PLACE CHANGE FOR SEPTEMBER.** It will be at **Fetch Bar & Grill Block 52 in Moundridge on September 14th.** You can order from the menu beginning at 5:30 pm and our meeting will begin at 7 as usual. **Please contact Dale at dalet@cox.net by September 10th if you plan to come.** We will see how everyone likes the change before making it permanent.

Also in the works is a location and date for our Christmas party. We will discuss it at our meeting on September 14th, so bring any and all ideas so we can make this a fun celebration.

Sunday September 22nd is the annual wiener roast at the Tritsch home. 3pm until the cows come home. I don’t have cows, so we’ll go until everyone leaves. We will begin serving around 4pm. and will provide the water, tea, coffee and hot dogs. You are welcome to bring a side dish or dessert if you want, but it’s not as important as just having you there for some fun.

**Reminder! October 4th, 5th and 6th is the District Campout at Santa Fe Cove, Council Grove Lake.** It’s gonna be a lot of fun visiting, eating and watching a movie under the stars. Speaking of stars, if the skies are clear, Jeff Whithorn, fellow KS-H member and member of the Salina Astronomy Club with Kansas Wesleyan University said he’d like to bring his telescope for some stargazing.

At the present time, we do not have any rides planned yet for September. If you have something in mind, get with us so we can get one or two organized. You’re always welcome to ride or drive, just come along!

Meanwhile, right next door, Joe Gattenby was teaching a riders ed course. Handy, but he missed out on all the fun.........or did he?!

Thanks KS-A for a fun get together!

I would like to start off by saying Thank You to all of our GWRRA family. It was wonderful to see all of you that were able to attend my Dad’s service. Also, all the cards and prayers were much appreciated.

THANK YOU ALL VERY MUCH!!

Now on to Wing Ding as I’m writing this we’re packed and ready to go, but as you’re reading it, Wing Ding has come and gone. We hope that all of you that were able to attend had a great time in Nashville.

We will be having our September meeting on the 5th, same place, same time. Come join us for an evening of stories from all of those who made Wing Ding. Also, we’ll let you know where we’re going for Wing Ding 2020?!

One other reminder, our Fall Foliage Ride is coming up October 18-20th. Jack and I will be making a trip down to Harrison, Arkansas in September, so we’ll do some riding to check things out. If you need more information give us a call or email us at actionjackson@wheatstate.com.

Looking forward to seeing everyone this month, we had to miss so much last month. Ride safe !!

Happy September Birthday to Jimmy Gardner on the 30th.

WHY SHOULD YOU CALL LAW TIGERS?
We get it. Most people don’t want to involve a lawyer when they get hit on the road. Maybe the damage wasn’t that bad, and you feel fine.
Here’s the reality…
Without representation, there are no guarantees that you’ll get a fair shake.

Hospitals, medical providers, and insurance companies fight to make a profit from the worst day of your life. Without the right motorcycle lawyer on your side you will be the only loser in that fight.

WHAT LAW TIGERS MOTORCYCLE ACCIDENT ATTORNEYS DO FOR THEIR CLIENTS
At Law Tigers, our main focus is to assist in the prevention of motorcycle accidents, and to promote motorcycle safety. However, when accidents do occur, a Law Tigers motorcycle accident attorney is there to assist you. Available for free consultations (at our office, hospital, or your home), we provide clients with aggressive, experienced representation. As motorcyclists ourselves, we understand the challenges that you’re going through and are prepared to assist you every step of the way. Because we are committed to helping our fellow motorcycle riders, we work on a contingency basis. There are no up-front charges, and our motorcycle accident attorney will only receive legal fees upon conclusion of your motorcycle accident case.

MOTORCYCLE ACCIDENT REPRESENTATION: IT’S THE ONLY THING WE DO
If you have been injured as the result of another motorist’s reckless, negligent, or careless driving, you may be entitled to compensation for any damages you suffer. A Law Tigers motorcycle accident attorney can help you get your life back on track and help you obtain the maximum settlement possible.

Find a motorcycle accident attorney near you or call Law Tigers, toll-free, at 1-888-863-7216. Our lawyers are available—24 hours a day, 7 days a week.

HOW MUCH DOES IT COST TO HAVE LAW TIGERS REPRESENT YOU?
Every attorney-client relationship with our personal injury lawyers begins with a free consultation. Once we have evaluated your motorcycle injury case and determined it is viable, we charge no fee. That means client do not pay attorney fees unless we obtain compensation on their claim, either through a settlement or a trial.

MOTORCYCLE ACCIDENT REPRESENTATION: It’s the only thing we do
RACKUP TRAILERS
Manufactured 100% in Tennessee, we make and sale new and pre-owned trailers for motorcycle, ATV, Razor, Jeep, Mini-Cooper, Smart Car, and other vehicles.

RackUp trailers is your premier source for motorcycle, utility vehicle, and small vehicle trailers. Why choose Rack Up? Rack Up trailers were designed by people who use them. Tracing our roots over a decade ago, we quickly noticed that the trailers on the market had suspension issues causing the trailer to bounce and handle poorly. We also noticed most trailers were set at a price point that were not feasible for a single transaction.

We set out to change that. First we worked with the suspension and developed an adjustable air suspension that does not bounce. Second we worked on the price point. Our approach allowed us to save money but also allows you to build your trailer buying the options you want as you go. Our experience on the road combined with our engineering and machining specialties allowed us to make a trailer far superior to any on the market today. We are confident that our trailer rises far to the top among the competition.
