From your Kansas District Directors Joe & Deb Gattenby

I'm sure I don't have to tell you, but it's been hot lately!

I taught two Basic Rider courses in August, both times with temperatures in the high 90's with high humidity. It was like working in a sauna. Not much fun, so I notified the school owner that this was my last year as a Rider Coach, 16 years is enough.

Debbie, the Chesnuts and I visited Independence on August 13th to see how preparations for our District Rally are shaping up. We're getting a lot more than we asked for. The Chamber of Commerce is going to put up some items for our silent auctions, they are personally going to make sure all our rooms are clean and the air conditioners on at the host motel for our arrival. There's going to be a 9/11 Memorial at 10:30 am Sat, the Optimist Club is having a pancake breakfast from 7:00 am until 11:00 am for five bucks. There's going to be a lot happening and a lot to see in around the city, and they really want us there. I'm sure looking forward to this event.

The Oklahoma Rally is the following weekend, We've been to a few of their events, and they put on a great rally. The rally will be in the Muskogee Civic Center 425 Boston Street, 74401. See the OK District website for details. I hope to see you there.

October 1st and 2nd is our annual District Campout at Council Grove Lake, Santa Fe Trail Cove. All are invited, if you don't camp, come any way and we'll feed you and entertain you with games, fellowship, and movies on Fri and Sat night. Spend the night, there are a couple of nice motels not far from the campsite. I've overheard some of the meal plans and I'm salivating thinking about them, or maybe it's just lunch time. So come see us, it's the nicest group camp site in Eastern Kansas, I know, because several of us spent an entire weekend looking last year. Campers, if you haven't signed up with me or Debbie, give us a call or contact us via text or email to get on the list. We want to be sure you get a spot!

So, there's plenty to do with all that's coming up, plus Chapters have stuff scheduled too. Take your pick and have a great month. We'll see you down the road!

A WORD FROM YOUR DISTRICT RIDER EDUCATORS

It is almost time for the Kansas District Rally in Independence, KS September 10th and 11th. The Rider Ed team will be presenting 2 seminars to help make you safer. We will be presenting a revised version of Mountains, Hills and Curves and also Crash Scene Response. Both of these classes will give you some good information. Please take advantage of them while you are there.

The team also met a couple of weeks ago and we have a schedule for some range courses for both later this year and early 2022. We are planning to present the Advanced Rider Course for October. This class is for 2 wheeled motorcycle riders and co-riders. This is a new version of the course that has not been presented in Kansas and was first presented in July at Wing Ding. This is NOT like any other 2 wheeled courses we have presented. Here is the information on the course:

When: October 10, 2021.

Where: start at Don & Jan's Schroeder, 708 Charles, Hesston.

7:30 registration, 8:00 class starts.

11:30-12:00 lunch will be served.

12:00-about 4:30 range practice at the Hesston High School parking lot - 200 N Ridge Rd. Hesston, KS

Water and snacks provided.

Cost: \$25 for the Rider and no cost for the Co-Rider

If you are interested in taking this training please contact Rick Stevens at stevensrf@cox.net or 316-213-4630

I will publish the remaining courses in next month's article.

IT'S SCHOOL TIME!

Yes, school is back in session and that means school zones, speed, and kids who forget to look. Let's put safety first here.

We have all heard it said, "The biggest worries in school zones are caused by the smallest people." Children see traffic from their own little world. A child develops a sense of danger around nine or ten years of age. Unlike adults, it is difficult for small children to recognize a hazardous situation. A child may think that if one automobile stops, all traffic will stop.

Teenage drivers and parents pose additional hazards for drivers in school zones. Teenage drivers take risks and may speed through school zones or suddenly cut in front of you. Parents transporting a carload of noisy children may fail to use his or her turn signals, stop suddenly, or abruptly change lanes.

We all have difficulty seeing young children and must always anticipate the presence of children when riding in and around a school zone, residential area, strip mall, shopping center, playground, and on highways with bicycle lanes. When riding in these areas, riders must reduce the speed of their vehicle to below the posted limit and plan for unexpected movements of young children and teenagers. Remember, these young people are easily distracted by activities or actions of others around them.

When young people are walking near the roadway, riders should sound the horn to get their attention, reduce speed, and be prepared to break.

Every year, young people are killed by motorists who fail to stop while children are boarding or exiting a stopped school bus. When following a school bus, ALL drivers should maintain the proper speed and increase their following distance, in case the school bus driver stops suddenly to pick up a young student who may be late.

Children are our future; be on the look-out and protect them.

Safety Comes in Cans: I Can, You Can, We all Can !

Remember: ALL the Gear ALL the Time (ATGATT)

**Ride Safe and practice, practice, practice...Why?
Because practice makes permanent
YOU ARE WHAT YOU PRACTICE!!!!**

Hello y'all from Chapter A!

We hope that everyone has been able to stay cool but still be able to get out and do things.

August has been a hot and crazy month for everyone. Cannot wait for fall to come on. Love the autumn weather with soups and stews to include football for those that follow it.

Kansas Rally is around the corner and we hope to see everyone there! A great time is sure to be had by those who attend.

Due to helping get the rally set up, Chapter A will not be meeting in September. Our next meeting is October 14th. The location will be announced the closer we get.

The month of September has a few birthdays all on the same day!
Happy Birthday wishes to:

- Rhonda Brooksher - September 18th
- Chuck McClung - September 18th
- Margo Roberts - September 18th

We only have one anniversary to celebrate this month and we want to wish a Happy Anniversary to Chuck and Rhonda Brooksher on September 22nd!

Until we meet again -

Chapter Couple of the Year

August was hot and Chapter B members would like a little cooler weather for riding. The August dinner ride was led by Allen and Lee Ann Robertson. On August 5th, the group headed to Spring Hill and K & M Barbecue. It's this editor's favorite place to eat, but unfortunately, I had already agreed to judge all the 4-H and youth entries at the Vinland Fair and was unable to attend. While I was judging, the rest were eating wonderful barbecue and enjoying the company of many friends. I was hoping for a "doggy bag", but none appeared on my doorstep, so the food must have been just as great as ever and everyone cleaned their plates.

On the evening of August 18th about 25 Chapter B members met at the Legends Field to watch the Kansas City Monarchs take on the Sioux City Explorers. It was a bonus night for everyone who attended. Due to a rainout the night before, they played a double header. The Monarchs took the first game. They came close in the second. With two down and the bases loaded in the final inning, the Monarchs hit into a double play, and an exciting finish. It was great getting together with folks we haven't seen in a while and enjoying a delightful evening. Lee Ann Robertson and Kathy Willis capped off the evening as they were seen on the center field jumbo screen dancing to YMCA.

It was National Potato Day on August 19th for the monthly meeting. Twenty-eight people were in attendance including our friend Rob Schmidt who returned to Kansas to say hi. Even though there were many groans when the trivia was announced, seven people answered six of the ten questions correctly. Guess they knew more about potatoes than they thought. Thomas Jefferson was the first president to serve French fried potatoes in the White House. You may remember that he also was the first to serve macaroni and cheese in the White House. He must have been an adventuresome eater, trying lots of different foods. Mr. Potato Head was the first toy to be advertised on television and the average American eats about 125 pounds of potatoes each year. Some little-known facts in case potatoes are a category in the next trivia contest in which you participate.

Greetings from Kansas Chapter F!!

The meeting was called to order by KS F Director, Rick Kistler. Everyone participated in the Flag Salute this evening. There were 22 Members and guests. The guests were from Chapter A, Chapter H, and Chapter Q. We were glad, as always, to have our guests with us!!

Rick talked about Hebrews at Towanda where we had our last meeting. That meeting place will no longer work for us. Tonight we are meeting at the Oil Hill School in El Dorado, Kansas, which will be our meeting place in the future. Park City Quick Trip will be where we will start from and meet any other Chapters who want to meet with us.

The weekend after ours, the State of Oklahoma is having their Rally (October 8-10) and have invited the State of Kansas to come join them. Anyone that wants to go, please make your reservations now.

Also, the Kansas District Campout will be October 1-3, 2021 at Council Grove State Lake. Please come and enjoy the weekend! We will leave on Saturday morning at 9:00 am to go to breakfast.

Jack Kistler, Kansas Chapter Q, advised their meeting would be next Thursday, September 2, 2021 at their regular meeting place. Please come and join them.

Kansas Chapter H advised that for their Breakfast Ride for September, they will be going to a Restaurant in Galva, KS.

Rick Stevens, District Rider Education, advised that on August 29, 2021, there would be a Ride to Jerry's Kitchen in Kingman, Kansas. They will be leaving from Kellogg Street, in Wichita Kansas, at 8:00 am.

On October 10, there will be a 2 Wheel Course put on by Rider Education. There will be a Classroom portion of the class at Don and Jan's Schroeder's home on October 10th. The sign up time will be at their house at 708 Charles, Hesston, Kansas 7:30 am. And the Class begins at 8:00 am. This is with new class material. It is not the same as what we had before. Also, as part of the material that will be presented, there will be a discussion about what people do on motorcycles, as well as talking about curves, swerves, and stops. The cost for this class is \$25.00 for the Rider and the CO-Rider is free.

For discussion tonight, people were asked to talk about things no one in our group had ever seen. This is what we discovered:

Jack Kistler talked about Screw Starters and told what they were about.

James Maybry talked about Multo-Meters and explained what it was. Sharon Webster brought a Butter Churner and showed how it worked. James Maybry advised that WACSAC was: Weird, and, complicated, silly, ass, contraption.

Vicki Kalous showed some pieces that were used in tatting. One of the items she showed for tatting was over 100 years old. She also showed an older item you use to patch socks.

Duane Kalous showed an item that was used to make rugs.

Denny Chesnut showed an item that was called an Omingator. He advised it was used from the late 1940's to about 1955. It was used for Navigation. He also had a Wooden Whistle that he blew into to demonstrate how it sounded.

Rick Kistler showed 3 boxes that had rings in them. That were momento's for him. He also had some plaques he had. He got one for being the Senior Bowler in 2003. He also showed a plaque he had that bowled 806 and before that he had bowled an 800.

Jack Kistler advised they would not be at the Kansas Rally this year. They had another event they were going to attend. He had a list that he read called, 30 Date Nots. It was an interesting list!

The total taken in by 50/50 was \$65.00.

50/50 was won by: Brenda Kistler \$16.25 and James Maybry \$16.25.

The next meeting will be held on September 28, 2021.

Brenda advised she brought an Apple Cake and a Chocolate Cherry Cake for our desserts.

The meeting was adjourned at 7:47 pm.

Happy 
Fall y'all 

It's amazing the summer of 2021 will soon be past. Despite that fact, there are still some activities and rides coming up that should be good. Fall can be a great time to ride as the temps moderate and generally the rain is less frequent than spring.

Check the events page as September is full of activities plus a 2-wheel Advanced Rider Course (ARC) has been scheduled for October 10. Keeping riding skills current is one of the best ways to ride safely. Even if you have taken the class before, the range part of the class has changed and Jan says it is fun.

We are also planning a 3-wheel course and a trailering class in the spring. We cannot run 2 and 3-wheel trailering classes together, so let us know if you are interested in 2 or 3-wheel trailering skills and we will get a class scheduled. We will start with the area of most interest first and schedule a second class if there is enough interest.

The Kansas Rally is coming up the 2nd weekend of September. If you have not registered, it's not too late! We hope to see you there!

ADVANCE RIDER COURSE (ACR)

We are able to offer a 2-wheel rider course. Learn new skills, refresh old ones. A safe rider is a happy rider! This is a NEW course, released for the first time at Wing Ding 2021.

When: October 10, 2021

Where: Start at Don & Jan's house, 708 Charles, Hesston.

Time: 7:30 a.m. registration, 8:00 a.m. class starts.

Coffee break.

11:30-12:00 lunch will be served.

12:00 - 4:30 (or a little shorter) range practice at the

Hesston High School parking lot. (water and snacks provided)

Bring: \$25 for rider (co-rider is free), license with motorcycle endorsement, proof of insurance, over the ankle boots or shoes, riding jacket or long sleeves, full finger gloves, helmet, eye protection (glasses or helmet visor counts as eye protection).

Why: Make riding safer and more fun by building, refreshing, or learning new rider skills. Maintain or upgrade your Levels program.

We do not expect a 2-wheel course to be offered in the spring of 2022. Only if this course cancels (eg: weather) will we offer a spring course. The Level's program has extended a grace period until June 30, 2022, but don't count on another extension if a spring course is not offered.

RSVP ASAP to kansaschapterh@gmail.com or rfstevens@gmail.com

As you read this, we're out west vacationing for the month of September. Our plan is to tour part of Washington and Oregon then work our way part way down the coast of California. We started this trip on the 1st and plan to be home by sometime on the 30th. This is a first for us so I'm sure we'll learn a lot but one thing we're sure of is that we plan on having a great time! So at the October meeting, be ready to hear some stories and some of the stats that we'll put together from the trip.

We appreciate everyone that made our August meeting and helped us celebrate "Q's" birthday. Bill & Sheila Tucker brought cake and ice cream for everyone to share and I do believe we all enjoyed it! Our 50/50 winners for August were: James Mabrey, Rick Stevens and Duane Kalous, congrats guys!

We hope all of you have a wonderful time at the Kansas District Rally on Sept. 10-12th. We know that our District Directors have worked hard to put the rally together and we're sorry that we won't be able to attend.

Chapter Q has only one birthday for September and that is Jimmy Gardner on the 30th.

We'll see all of you at the October meeting, until then be safe and ride, ride, ride!!

Why should you call Law Tigers?

We get it. Most people don't want to involve a lawyer when they get hit on the road. Maybe the damage wasn't that bad, and you feel fine.

Here's the reality...

Without representation, there are no guarantees that you'll get a fair shake.

Hospitals, medical providers, and insurance companies fight to make a profit from the worst day of your life. Without the right motorcycle lawyer on your side you will be the only loser in that fight.

What Law Tigers Motorcycle Accident Attorneys do for their Clients

At Law Tigers, our main focus is to assist in the prevention of motorcycle accidents, and to promote motorcycle safety. However, when accidents do occur, a Law Tigers motorcycle accident attorney is there to assist you. Available for free consultations (at our office, hospital, or your home), we provide clients with aggressive, experienced representation. As motorcyclists ourselves, we understand the challenges that you are going through and are prepared to assist you every step of the way. Because we are committed to helping our fellow motorcycle riders, we work on a contingency basis. There are no up-front charges, and our motorcycle accident attorney will only receive legal fees upon conclusion of your motorcycle accident case.

Motorcycle Accident Representation: It's the only thing we do

If you have been injured as the result of another motorist's reckless, negligent, or careless driving, you may be entitled to compensation for any damages you suffer. A Law Tigers motorcycle accident attorney can help you get your life back on track and help you obtain the maximum settlement possible.

[Find a motorcycle accident attorney near you](#) or call Law Tigers, toll-free, at 1-888-863-7216. Our lawyers are available — 24 hours a day, 7 days a week.

How much does it cost to have Law tigers represent you?

Every attorney-client relationship with our personal injury lawyers begins with a free consultation. Once we have evaluated your motorcycle injury case and determined it is viable, we charge no fee. That means clients do not pay attorney fees unless we obtain compensation on their claim, either through a settlement or a trial.

RACKUP TRAILERS

Manufactured 100% in Tennessee, we make and sale new and pre-owned trailers for motorcycle, ATV, Razor, Jeep, Mini-Cooper, Smart Car, and other vehicles.

RackUp trailers is your premier source for motorcycle, utility vehicle, and small vehicle trailers. Why choose Rack Up? Rack Up trailers were designed by people who use them. Tracing our roots over a decade ago, we quickly noticed that the trailers on the market had suspension issues causing the trailer to bounce and handle poorly. We also noticed most trailers were set at a price point that were not feasible for a single transaction.

We set out to change that. First we worked with the suspension and developed an adjustable air suspension that does not bounce. Second we worked on the price point. Our approach allowed us to save money but also allows you to build your trailer buying the options you want as you go. Our experience on the road combined with our engineering and machining specialties allowed us to make a trailer far superior to any on the market today. We are confident that our trailer rises far to the top among the competition.
