# HAPPY THANKSGIVING!

From your **Kansas  
District Directors  
Joe & Deb Gattenby**

October was a nice month for riding, we got a bit in on some of the warmer days. The weather was great for the district campout, and we had a good turnout for it. There were a few short periods of rain, but not that much. The important thing was that the temperature was fantastic for a pleasant change. Debbie and I went up on Tuesday and relaxed for a few days. Super Nice!! The Saddlerock Cafe was suffering from a sever employee shortage, so the ladies went to the store and we did our Saturday and Sunday breakfasts at the campground, which in my opinion was much better any way. I'd like to take this opportunity to thank Allen, Kathy Chesnuts brother-in-law for providing both beef and pork barbeque for Saturdays dinner. It was fantastic! Saturday and Sunday movie nights went well, the equipment worked well both nights. I didn't remember the language being so colorful in Porky's, but we got through it with a lot of laughs any way. A special thanks to all who helped prepare the campout, it was absolutely perfect.

I'll be going to Chapter A's Halloween party on the 30th at Chris and Michelle Grooms' house. It's always a lot of fun and there'll be a movie there also, but it definitely won't be Porky's. I've been looking forward to this party for a while now, and this year I'll be taking a warm jacket, just in case.

Christmas decorations are out all over Wichita and have been all month. It's a shame, Halloween and Thanksgiving seem to have been commercially forgotten. Lets all keep all the holidays and their traditions alive in our hearts. I love giving candy out to all the little ghosts and goblins, and I have so many things to be thankful for. I intend to take that holiday and do so with as many of my family members as possible.

The next event for us will be the District Christmas party on December 4th, from 11:00 am until 2:00 pm in Cassoday at the Senior Center. The Chapters will be bringing a bucket of chicken and individual members are bringing sides and desserts. If you wish to participate in the gift exchange, bring a gender specific gift, \$15 max, wrapped please. We always have fun at our Christmas parties, this year won't be an exception. This is a District event, not to interfere with any Chapter parties you wish to have, and if you are going to have one, send me an invite and we'll be there if at all possible.

Our Mid-Winter Rendezvous will be on January 10th and 11th in Arkansas City at the Quality Inn, the same place as the last one. It's a definite go, so get your registrations in and your rooms reserved. The Quality Inn only had one handicap room available, and it's already reserved, but there are first floor and second floor rooms available. We also have some handicap rooms and other rooms blocked at the Super 8 immediately south of the Quality Inn, same parking lot. Both phone numbers are on the registration form in this newsletter and on the website. As usual, there have been some problems getting rooms in the host motel at our price. I recommend calling during the week during normal business hours and asking for Viktor. CD's, as usual, bring your Treasurer so we can get our end of the year business taken care of with Carolyn. There'll be a time frame for this and we'll get that to you.

That's it for now, I'm batchin' again, Debbie is in North Carolina for our Granddaughter-in-laws baby shower, which means I have to get my own dinner. See ya'll down the road!

Joe and Debbie

## A WORD FROM YOUR DISTRICT RIDER EDUCATORS

Autumn is definitely the best time for riding. With the cool, crisp air and the captivating colors of autumn, no one can deny that this is the perfect time to hop on your motorcycle and explore the beauty of the great outdoor.

Any rider will agree that fall motorcycle riding can be pretty rewarding for a number of reasons. For one, you don't have to bear the heat. You don't have to put up with the traffic, either! It is just you and your beloved bike on the wide, open road. How exciting can that be?

However, riding your motorcycle during this time of the year also comes with its own set of challenges so make sure you take the necessary precautions to avoid any unpleasant surprises that will spoil an otherwise remarkable experience.

# FALL MOTORCYCLE RIDING TIPS:

## HOW TO STAY SAFE ON THE ROAD

**BRUSH UP ON YOUR RIDING SKILLS.** If you haven't been riding your bike lately, it is possible that your riding skills may have become a little rusty so do some slow speed maneuvering and braking drills before taking your motorcycle out for a spin. Remember, it is always better to be safe than sorry!

**USE THE RIGHT TIRES.** Are you still using those sporty tires you used this summer? Well, this is the perfect time to change them. Sporty tires are made with softer rubber and are great for warm weather but they tend to lose their traction in colder weather. Use touring tires instead.

**CHECK YOUR LIGHTS.** Now that the days are shorter, you will probably go riding in the dark so check your headlights, brake lights and turn lights are in great working condition.

**WATCH WHAT YOU WEAR.** Autumn is notorious for greatly fluctuating temperatures so dress appropriately to counter these abrupt changes. Wear a leather jacket to keep you warm since the wind and dropping temperature can easily tire you out and impair your senses. Layering up may be a good idea but if you find it exhausting, you may choose to wear heated gear instead. You may also want to bring several pairs of riding gloves so you'll have the perfect pair whatever the weather.

**DON'T FORGET YOUR RAIN GEAR.** You wouldn't want to get caught up in the rain without the appropriate motorcycle safety gear since it can significantly affect your riding ability and increase your risk of hypothermia, a potentially dangerous condition wherein your body loses heat faster than it can produce it.

**LOOK OUT FOR THOSE LEAVES.** Yes, the changing colors of autumn may be a sight to behold but you need to look out for those falling leaves! While it may look unassuming, a pile of dry leaves can cover potholes and other inconsistencies on the road that may increase your risk of encountering accidents. Sharp objects hidden beneath the debris can also give you a flat tire and put you in danger. Moreover, wet leaves can make the road slicker than it usually is and reduce your bike traction so drive slowly until you have come past the obstacle.

**BE EXTRA CAUTIOUS.** While you need to be cautious and alert every time you take your motorcycle out for a ride, you need to be especially careful during this time of the year. The morning frost will leave a thin layer of ice on road surfaces making them more slippery than usual while strong gusty winds can easily set you off balance.

Fall motorcycle riding can be fun but you need to take extra precautions to make sure you reach your destination without a hitch!

**Ride Safe and practice, practice, practice  
because practice makes permanent !!!!**

Happy Thanksgiving to everyone. We all have bunches to be thankful for. We are definitely blessed with our awesome families and friends.

This has been a busy month. On October 8th we had a dinner ride with Chapter P to The Copper Oven Café where we enjoyed delicious food and wonderful friends. We all had a great time.

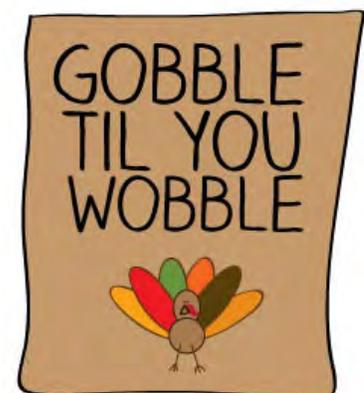

Then on October 30th we had our yearly Halloween get together. As always, there was tons of food. Thank you to those who made soups and sides for us. I think I put on a couple pounds last night! We watched a classic Halloween movie, The Ghost and Mr. Chicken. You just cannot beat Don Knotts! Fun was had by all and we want to thank everyone who was able to join us.

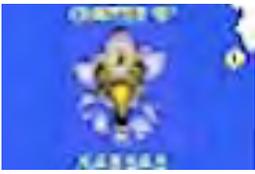

Please help us say HAPPY BIRTHDAY to Larry Mazur on November 7th and Mary Mazur on November 11<sup>th</sup>.

Congratulations and HAPPY ANNIVERSARY to Steve and Terri Bockhaus on November 28<sup>th</sup>!

Our next Chapter A 'eat & meet' is November 11th at Spears Restaurant, 4323 W. Maple Street in Wichita. Hope to see everyone there!!

Frances and Joyce Dalsing set up Chapter B's October 7th dinner ride and Gary Ohler led six bikes to Smoked Creations BBQ in Ottawa. It was the quick route to Ottawa, K-10 west to US-59 south. But with the weather turning cooler, that can be a good thing. Thirteen people enjoyed barbecue and the company of other Chapter B members that evening. Thank you to our ride leader and organizers.

October 16th found Allen Robertson leading a "Day Ride, Fall Color Ride, Lunch Ride?" This began as a rare weekend off for Allen and a chance to ride with friends. It expanded into fourteen bikes, a car, and nineteen people having a great day together. Allen only guaranteed brown and green as the colors they might see since it was actually a little early for a fall color ride. However the leaves on a little tree at Casey's, where the group met, was starting to change color. So, the group did see a little red thrown into the mix of brown and green.

The temperature was a cool 41 for the pre-ride meeting. The destination was the Hangar Kafe in Miller, MO. The route from DeSoto to the restaurant was 186 miles with a gas/comfort stop in Nevada, MO. Roger and Missy Shores had led a ride to this unique restaurant several years ago, and Allen thought it would be a nice destination. The Hangar Kafe is located at the Kingsley Airport which is a private airport in the middle of a field at the Kingsley family farming operation. The airport is home to the Ozark Skydivers, several crop dusters, balloons, and a lot of other activities. The cool temperatures when the group left turned into nice 60's and 70's. It was perfect riding conditions. As the group arrived, skydivers were landing and an old bi-plane was getting ready for take off. The restaurant was ready and everyone ate together in a banquet room. The food and service were very good.

After lunch the group stayed and watched sky divers and some of the other activities at this busy and unique venue. Then it was time to head homeward via some "alphabet soup" roads. The morning's route with "numbered" roads changed to "alphabet" and "double alphabet" roads on the return route. There were even some curvy and scenic roads as the group snaked through the beautiful rural roads of Missouri on the return trip to the busy KC area. The color was green, but it was nice riding with friends. Everyone made it home before dark with around 400 miles traveled. A huge thank you to Allen for a wonderful fun-filled day.

It was the return of the Chapter B Halloween Party on October 23rd. Fourteen members gathered at the Aiken home to roast sausages and hotdogs and eat way too much food. The tables were filled with so many delicious choices that for many, plates were filled more than once. It was a fun time visiting with friends, relaxing, and enjoying the evening and great food.

The October, 2021 meeting was called to order by Rick Kistler, Chapter Director, and everyone participated in the Flag Salute.

Sharon Webster gave an update on Virginia, who is doing better but is still in the hospital at this time. She (Virginia) started out on 6 lbs of oxygen and is now down to 4 lbs pounds of oxygen. She is doing better, although some days are good and some days are bad. She is in the same hospital and the same room. She is lucid and knows people. Sharon was at the hospital most of the day. She also advised that Virginia is starting to get water to have tested. Please keep her in your prayers and if possible, go visit her.

The first order of business was that Kathy Chesnut gave the Kansas District News. There is a lot going on now because Christmas is getting close!

Rick Kistler advised that Dave Brentlinger died on October 8, 2021. Dave was a member of KS, Chapter P and was the first Chapter Director when they started the chapter up.

The Rick Stevens, the Rider Education Director, gave a Rider Education Report.

On November 6, 2021, the group is to meet at Jason's Deli at 4:30 pm and then go to the Zoo. The cost to go to the zoo is \$17.00 per person.

Delores Shannon reported that the dinner for the Christmas party will be on December 4th at the Club House in Cassoday. Each Chapter will bring a bucket of chicken and each individual/family is to bring a side dish to share with everyone.

For the upcoming Mid-Winter Rendezvous, it will be held January 14<sup>th</sup> and 15<sup>th</sup> in Arkansas City, Kansas.

To participate in the gift exchange, women should bring a gift for a woman and men should bring a gift for a man. Gifts should not exceed \$15.

Jack Kistler entertained us with stories of Chapter Q's six 5-day trips. It was very informative and funny. He did a great job!!

Jack Schoeck reported on a Bike/Quick Camp ride when he and Doris took a ride in the last couple of months. They hit a bump and it was so bad that Jack advised he will ALWAYS have a lock on the Bike!! After that, Jack advised they drove around in his truck. They had no more scares!

The 50/50 was taken up and \$30.00 was for the Chapter, and John Glaves and Kathy Chestnut both won \$15.00 apiece.

On Wednesday, October 28, 2021, Mary Mazur will have knee surgery. Please keep her on your prayer list.

Keep Brenda Kistler on your prayer list also. She is having a PET scan and surgery on one of her knees. Her son and his family are moving to Colorado. Her son, Dom, will be the principal at the school at their church and her daughter-in-law will be the new teacher for that class.

Sharon Webster celebrated her birthday that evening and we all sang Happy Birthday to her.

The meeting was adjourned at 7:30 pm and everyone went home.

October was full of activities for Chapter H. ARC class and several rides have been well attended. See the pics Ann has put in the newsletter.

The leadership team had a planning meeting for 2022. Questions as to when and where to hold the monthly meetings were discussed but more research is being done on date and place. Events and rides for next year were also part of the discussion. If you have thoughts or ride ideas, please share them.

We are looking forward to 2022 and are working to make it a good one. Our term as Chapter Directors will be ending at the end of 2022, so it is time for someone to step up to take the reins. If you have an interest in leading the Chapter, please let us know so we can begin the process.

As always, Chapter H has the best members. Thank you for all your help and participation.

Happy Fall Ya'll! Dennis Pierson here to give you the low down on our last Chapter get together.

Our October 9<sup>th</sup> Chapter gathering took place at Gambino's on a beautiful fall evening. We had 25 members in attendance, including our District Directors, Joe & Debbie Gattenby. Joe reported on the success of the Kansas Rally in Independence and thanked everyone for their help and participation.

Our 50/50 winners for the night were Noel Pollard for \$25 and Jan Schroeder winning \$10.

Until next month, ya'll stay warm, the cold weather is on its way!

Duane & Vickie have been able to fill in for us several times this year and it is very much appreciated. Also, Vickie has made us all fatter throughout this year with the awesome desserts she brings for all of us.

After 30 days on the road, we made it safely home. We left on September 1<sup>st</sup> and rolled back into home on September 30<sup>th</sup>. It was a great trip; we were in 9 different states and rode over 8200 miles. It wasn't without a few hiccups but we managed to get through those issues and still have a great time.

We hope that several of you are able to join us the next several months for some of the stories from our adventure. The plan is to break the trip up so that we have something to share with everyone for the next 6 months. After that we'll be planning our next 30 day trip and you will probably have to hear about that next!!

May you all have a blessed Thanksgiving and enjoy your time with family and friends.

I didn't get last month's birthdays and anniversaries in the newsletter since I wasn't around to write it, so this month has both.

### Why should you call Law Tigers?

We get it. Most people don't want to involve a lawyer when they get hit on the road. Maybe the damage wasn't that bad, and you feel fine.

Here's the reality...

Without representation, there are no guarantees that you'll get a fair shake.

Hospitals, medical providers, and insurance companies fight to make a profit from the worst day of your life. Without the right motorcycle lawyer on your side you will be the only loser in that fight.

### What Law Tigers Motorcycle Accident Attorneys do for their Clients

At Law Tigers, our main focus is to assist in the prevention of motorcycle accidents, and to promote motorcycle safety. However, when accidents do occur, a Law Tigers motorcycle accident attorney is there to assist you. Available for free consultations (at our office, hospital, or your home), we provide clients with aggressive, experienced representation. As motorcyclists ourselves, we understand the challenges that you are going through and are prepared to assist you every step of the way. Because we are committed to helping our fellow motorcycle riders, we work on a contingency basis. There are no up-front charges, and our motorcycle accident attorney will only receive legal fees upon conclusion of your motorcycle accident case.

### Motorcycle Accident Representation: It's the only thing we do

If you have been injured as the result of another motorist's reckless, negligent, or careless driving, you may be entitled to compensation for any damages you suffer. A Law Tigers motorcycle accident attorney can help you get your life back on track and help you obtain the maximum settlement possible.

[Find a motorcycle accident attorney near you](#) or call Law Tigers, toll-free, at 1-888-863-7216. Our lawyers are available — 24 hours a day, 7 days a week.

### How much does it cost to have Law tigers represent you?

Every attorney-client relationship with our personal injury lawyers begins with a free consultation. Once we have evaluated your motorcycle injury case and determined it is viable, we charge no fee. That means clients do not pay attorney fees unless we obtain compensation on their claim, either through a settlement or a trial.

### **RACKUP TRAILERS**

Manufactured 100% in Tennessee, we make and sale new and pre-owned trailers for motorcycle, ATV, Razor, Jeep, Mini-Cooper, Smart Car, and other vehicles.

RackUp trailers is your premier source for motorcycle, utility vehicle, and small vehicle trailers. Why choose Rack Up? Rack Up trailers were designed by people who use them. Tracing our roots over a decade ago, we quickly noticed that the trailers on the market had suspension issues causing the trailer to bounce and handle poorly. We also noticed most trailers were set at a price point that were not feasible for a single transaction.

We set out to change that. First we worked with the suspension and developed an adjustable air suspension that does not bounce. Second we worked on the price point. Our approach allowed us to save money but also allows you to build your trailer buying the options you want as you go. Our experience on the road combined with our engineering and machining specialties allowed us to make a trailer far superior to any on the market today. We are confident that our trailer rises far to the top among the competition.
