To qualify as an exempt agricultural building the building must be used solely for agricultural uses and activities carried out on the same parcel of land, including but not limited to the keeping of animals, feed, hay, farm tractor and/or farm related equipment.

CERTIFICATION OF APPLICANT

I hereby certify that I am the property owner and the information contained on this Application is true and accurate. I understand that to qualify as an exempt agricultural structure the building must be **used solely for agricultural uses and activities carried out on the same parcel of land.**

I understand that any false statement on this application and any material non-agricultural use of the building will result in loss of this exemption. I understand that if the exemption is lost, full compliance with all building and zoning regulations, including payment of fees, will be required.
