

The following illustrates the placement of 100 UNLV students that participated in the Nuclear Engineering program between 2012 and May 2024.

Types of employers and Examples

Type of Employer	Examples
Aerospace	NASA, Collins Aerospace
Government & International Bodies	US Nuclear Regulatory Commission, US Department of Energy, International Atomic Energy Agency, National Nuclear Security Administration
Health Physics	Government, Hospitals
National Laboratory	Lawrence Livermore National Laboratory, Los Alamos National Laboratory, Oak Ridge National Laboratory
Nuclear Medicine	Varian Medical Systems
Nuclear Plant Operators	Entergy, Constellation, Duke Energy

Nuclear Vendors	Urenco, Westinghouse, General Electric, HOLTEC International
-----------------	--

Roles/Jobs of individuals who completed the Program:

Employer	Roles	
Aerospace	• Associate Director, • Senior Program Manager, • Value Stream Manager	• Engineering Manager, • Senior Consultant,
Government & International Bodies	• Federal Team Lead, • Engineer/Scientist, • Operations Support Manager(Radioactive Waste Program)	• Lab Director, • Nuclear Safety Analyst, • Program Coordinator
Health Physics	• Chemist, • Principle Chemist, • Scientist, • Radiation Health Physicist 1 & 2.	• Radiation Safety Officer, • Senior Health Physicist,
National Laboratory	• Associate Deputy Director for Operations, • Director Nuclear Criticality Safety, • Senior Safety Basis Analyst,	• Facility Nuclear Safety Lead, • Research & Development Engineer
Nuclear Medicine	• Manager Global Technical Training, • Technical Curriculum Developer, • Product Manager,	• Engineering Lead, • Project Manager, • Design Engineer, Product Support Engineer,
Nuclear Plant Operators	• Design Engineer, • Senior Engineer,	• Senior Engineering Specialist, • Fellow Engineer,
Nuclear Vendor	• Package Licensing and technology Manager, • Licensing Manager, • Nuclear Criticality Safety Group Supervisor, Junior/Senior Nuclear Engineer, • Criticality Safety Officer,	• Licensing and Regulatory Affairs Project Manager, • Principle Engineer, • Chief Engineer, • Licensing Principle Engineer • Engineering Supervisor.
