

**BAROQUE & DISTINCTIVE BREEDS ASSOCIATION
INC**

ABN: 91661971233 IA: IA57337

Dear Sir/Madam,

The Baroque & Distinctive Breeds Association Inc was formed to help and promote our rare and endangered breeds of horses in Australia. Our festival will promote awareness and showcases breeds of horses who are rarely seen. About 70% of these rare breeds are listed as at risk, endangered and critically close to extinction. It has become ever so important to raise awareness of this issue in the hope we may be able to do something to prevent it.

We are calling upon prospective sponsors to contribute to help us achieve a spectacular event, The 4th Annual Rare & Distinctive Breeds Festival & All About Equine Trade Spectacular will be held next year on the 31st of March til the 3rd of April 2022 at the Burpengary Equestrian Centre – 350 Rowley Rd, Burpengary QLD 4505.

We are requesting donations both monetary (sponsorship of classes or day rings) and products/gift cards to be used towards the running costs of this event, class prizes or to be put in our raffle. All profits raised from our events will be used to showcase, promote & help these breeds in need. The more donations we receive the more extravagant prizes we can offer to the competitor; this will boost the entries and enable us to make the festival the best it possibly can be.

The event will feature a show and wellbeing clinic, Dressage & Show Jumping on the Friday, Led & led breed fun classes on the Saturday with a night extravaganza from 6pm featuring a stallion show/ breed expo. Ridden Breed & Fun Classes on the Sunday and finishing the show off on the monday with Western & Harness.

Attached are our sponsorship levels for your consideration, if you wish to sponsor but do not feel as though any of these options are suitable please contact me to discuss and work with you on a suitable option.

If you wish to donate/sponsor, please respond with your pledge details via email or phone to the contact details provided below.

Thank you for your time and consideration.

Astrid Arvidson
