

WORD OF ENCOURAGEMENT MINISTRIES INTERNATIONAL INC.

Introducing Security Awareness Training

 **Boost Your Digital Defenses!** 

Join us for an essential training session to sharpen your cybersecurity skills and protect yourself and our organization from online threats!

What You'll Learn:

- *  Phishing Prevention: Spot and avoid deceptive emails / Text and links.
- *  Password Power-Up: Create strong, unique passwords and manage them effectively.
- *  Data Privacy Essentials: Understand how to protect sensitive information.
- *  Secure Device Disposal: Learn the right way to get rid of old devices without compromising data.

 Date: Tuesday, July 15, 2025

 Time: 6:00 PM CDT

 Location: Via Zoom

Please request the Zoom Meeting Invite via email request: security@mywoemi.org

Who Should Attend?

EVERYONE! Whether you're a seasoned pro or new to the digital world, this training is designed for anyone who wants to enhance their online security knowledge.

Don't let cyber threats catch you off guard! Invest an hour in your digital safety.

Hope to see you there!

Pastor Cole
