Many of those "found" have already given us permission to share their addresses, phone numbers, and email addresses. If we do not have permission, we will contact them first before sending the information on to you.

If you are in contact with vets not listed here, please let us know. There may be others looking for them also. Copies of your old orders, promotions, CIB, Purple Heart, or other honors may be of great help in finding others. We promise to take good care of this sensitive information and keep it for research only.

This list was last updated 2013! A new update will be included AFTER the website is mostly complete.
