FINANCIAL REPORT ~ 2022-2023

We began 2022 with Cash on Hand of \$544.23 and added Dues \$400 and Donations \$1858.30 for a Total Income of \$2802.53. Expenses for Newsletters \$343.19, Reunion \$1653.21, and Other Expenses \$5.46 (GoDaddy for our web site) gave us Total Expenses of \$2001.86 leaving us a balance for the fiscal year 2022-2023 of \$800.67. So far this year, 2023-2024, we have received \$340 in Dues in addition to Donations totaling \$1390 (\$780 was from Raffle Tickets, \$250 from NKYCVB for holding our reunion in Northern Kentucky, and \$310 from individuals). Our current bank balance is \$2530.67.

The Board again approved the use of company funds to pay for Saturday's Banquet meal at the reunion that included service, tax and gratuity charges. A

preliminary report was given and approved at the Business Meeting following this meal. Regular reports as required by our Guidelines continue being sent during the year to the Board members for their information and approval.

CONTACT INFORMATION - Do you have an update of your own address, phone # or email address? Do you want to share your contact information with others as we have done with Charlie's Angels Address Book? This contact list is also available for those who have agreed for their names to be given to others in our Association. Do you need information about our contacts or do you have information about other vets not known to us?

Contact Mike Stinnett at 319 Antioch Road, Clarksville, TN 37040 ~ (931) 647-8917 ~ (mike.stinnett@yahoo.com) for updates and questions.

Since our last reunion, Carl Yates, now living near Portland, OR, has sent us copies of four sets of orders dating back to early 1971. We are grateful to him for sharing and will continue to add new names to our data as they come available. I do have a few sets that were sent to me along with copies of others that were sent to Dan Malin.

REUNION XVIII

2024's reunion will return to the *Hilton Cincinnati Airport* in Florence, KY on **June 7 and 8**. The discounted rate is \$122 and is good three days before and three days after the reunion. The cutoff date to make reservations in the block at the discounted rate is **Friday, May 8th 2024**. Any requests after this date are based upon availability and not guaranteed the group's discounted rate. The Reservation link and phone numbers are posted online.

We will not be having our banquet meal prepared by the Hilton next year but will have a catered event instead. Cancelling this meal with the Hilton means the large hospitality room will not be available at the same cost of our last three reunions. However, we will have use of two conference rooms that are used for meetings for groups of 30-40 people per room. Our last three reunions have had just over 30 attending so these two rooms should be sufficient for our smaller crowd.

We feel that we are approaching a crossroads of sorts about continuing the reunions. A recent request for opinions to hold a reunion next year resulted in 21 vets responding with 19 in favor of having at least one more reunion. There is also a feeling from some to continue as long as we can. We hope to come to a decision as to whether or not to have Reunion XIX. If so, what changes do we need to make and also assign responsibilities for the different aspects for future reunions and even the current work of the Association. If you have any thoughts on this matter and haven't told the Board by now, please do so.

SAVE THE DATES and make those reservations. Another riverboat cruise has been suggested but haven't heard from many about this request. Let us know.

Ronnie Ray had his van painted to preview next reunion's ceremonies ... he's got the cigar if Phil can grow the beard.
