

# What to Bring List

## Gear and Supply List for JR. Survival Camp

Below is a list of items that are recommended for “JR. Survival Camp”. This list includes a great deal of forethought, preparation and experience and should be seriously considered. Unless listed as “optional” these items should be brought to camp. This list is based on the 2023 program and should not be compared to previous years’ or programs.

**Note:** During this week campers do not need to carry their gear or hike with their belongings. They do not need a “hikers” style backpack. After registration, all bags will be loaded onto camp trucks and taken to their base-camp.
