

Dear Registered Camper & Parents,

We are excited about the upcoming summer programs. This is the camp's 20th anniversary! We are also excited that you are going to be with us for "OnTrack Camp". It is going to be an amazing 9 days. This letter is to confirm your registration and to inform you of a few important details.

Please pay careful attention to the "What to Bring" list enclosed with this letter. Our staff has carefully considered and recommended the items listed. Because the OnTrack Program is an introduction to outdoors, this nine-day program does not require a "Hikers" backpack. If you have any specific questions, please contact us. **Please Note: It is highly recommended that campers or parents mark every item with the camper's name or initials to help prevent items from being lost or stolen.**

On the first day of camp, all campers will check in at our new Welcome Center parking lot. This is a remote parking area, one mile from our main campus. Directions are detailed on the "Location" section of our website. Please take the time to carefully read the GPS disclaimer and warning. Check-in is on Friday, July 21st, at 3:30pm. Upon arrival, campers will check in, be assigned to a team, and be introduced to their guides. After check-in, gear and belongings will be loaded onto a camp truck, and campers will hike one mile to base-camp to begin their adventure. Checkout will be at the same location on Saturday, July 29th. Your check-out process includes a Parent/Camper picnic and Awards Ceremony. The picnic and ceremony is from 11:30am-2:30pm and is casual dress.

We are praying that God will prepare your heart as well as the hearts of the other campers and staff. I am trusting that God will do a great work during this week. I look forward to seeing you there!

Saved to Serve,

A handwritten signature in black ink, appearing to read "Jason J. Perlak".
