Dueling Piano Show!

The 2023 Annual Meeting and Awards event will feature the Keys to the City Dueling Piano Show. In keeping with the tradition of a dueling piano genre, Keys to The City is a request-based sing along show featuring Seth Holbrook and Jim Ciampi that incorporates audience participation and comedy.

It will be a high energy show filled with all the great hits of the decades from Elton to Billy and Sinatra to Bruno. Two guys, two pianos, one drummer and microphones can do a lot of damage! You'll be singing and laughing all night long.
