Why 2024 Patio Series?

Dive into the Future of Relaxation with the Redesigned Coast Spas 2024 Patio Series

Welcome to the next level of outdoor luxury and comfort! The Coast Spas 2024 Patio Series is here to redefine your home oasis. Our latest redesign offers a sleek, modern look that not only enhances your patio's aesthetic but invites you into a world of unparalleled relaxation.

Value-Focused Pricing

We believe that everyone deserves a touch of luxury, which is why we're excited to offer the redesigned Patio Series with value-focused pricing. Enjoy the lavishness of a premium hot tub experience without stretching your budget. It's our promise to deliver exceptional quality at a price that makes luxury accessible to everyone.

Designed with You in Mind

Every feature in the 2024 Patio Series has been meticulously thought out to provide you with an exceptional spa experience. From the intuitive controls to the ergonomically designed seating, every detail has been optimized for your comfort and ease of use.

Energy Efficiency:

Enjoy peace of mind with our energy-efficient models that keep operational costs low without compromising on performance.

Available in 3, 4, 5, and 6 Seating Options

Whether you're enjoying a quiet evening alone or hosting a gathering, our Patio Series is available in various seating options to suit your needs.

Modern Elegance Meets Advanced Features

Our 2024 Patio Series hot tubs now boast 3" Velux corners, a design choice that's not just visually striking but crafted for durability and sophistication. This contemporary touch brings a new dimension of elegance to your outdoor space, making it the centerpiece of any gathering.

Make Every Day a Spa Day

With the Coast Spas 2024 Patio Series, every day is an opportunity to indulge in your personal retreat. Whether you're looking to unwind after a long day, entertain friends and family, or simply soak in the beauty of the outdoors, our hot tubs provide the perfect setting for relaxation and enjoyment.

Why 2024 Patio Series?

Luxury for Everyone: The 2024 Patio Series presents an extensive selection of 3 to 6 person hot tubs, packed with a wide array of benefits, ideal for budget-conscious customers. Discover unparalleled health, wellness, relaxation, and comfort features across our range of models.

Seamlessly Fits Urban Spaces: Acknowledging the constraints of urban environments, the 2024 Patio Series range is thoughtfully designed to maximize space efficiency without compromising on functionality.

A Spectrum of Choices: Acknowledging the diverse seating preferences of our customers, the 2024 Patio Series offers a range of seating capacities to cater to different needs. From our entry-level 3-seater models for those seeking accessibility to our higher seating capacity models accommodating up to 6 people, there's an option to suit every lifestyle.

Versatile Hot Tub Application: Whether it's a cozy deck or a modest backyard, the 2024 Patio Series offers hot tubs meticulously designed to complement any space. Our range caters to the preferences of customers seeking compact options without compromising on quality or comfort.

Premium Aesthetics, For Every Budget: With sleek Vlux corners, our hot tubs boast a modern premium look at every price point, ensuring no compromise on style.

Enhanced Servicing: Featuring frame lock technology, servicing our hot tubs is a breeze for technicians, ensuring better maintenance and longevity.

Easy Setup, Minimal Preparation: Coast Spas 2024 patio series requires minimal site preparation, featuring a simple plug-and-play 110V design with no need for professional electricians, guaranteeing a hassle-free installation.

Note : It's important to understand that the features mentioned are listed together for descriptive purposes, but it doesn't imply that every feature is guaranteed to be present in each model. The availability of features may vary depending on the specific model of the hot tub.

Dynamic Energy Options: Discover ultimate versatility with our 2024 patio series hot tub, featuring both 220 and 110-volt integrations for energy efficiency and portability. Whether you crave health & wellness or a tranquil soak, our hot tub seamlessly adapts to your lifestyle.

Built to Last: Incorporating advanced technologies like Coast Shield and a superior built frame, our hot tubs are exceptionally durable, providing peace of mind for years to come.

Year-Round Comfort: Equipped with energy-efficient heater technology and multi-level seating, 2024 patio series hot tubs ensure comfort in any season, whether heating up in winter or cooling down in summer.

Features

50 Sq. ft. Pressurized Filtration System

The unique design of Coast Spas' Pressurized Filtration System ensures cleaner water by efficiently removing larger debris, saves energy by consuming less energy than traditional filtration systems.

Anti-Slip Floor

Step confidently into your hot tub or spa with Coast Spas' anti-slip floor - the cutting-edge technology that provides a secure and stable surface for maximum comfort and safety.

Ergonomic Seats

Coast Spas' ergonomic seats are meticulously designed for optimal comfort and support, providing a luxurious spa experience tailored to your body's contours. Indulge in relaxation as you sink into these thoughtfully crafted seats, offering a perfect blend of comfort and rejuvenation.

Shiatsu Modules for Acupressure

Shiatsu modules for acupressure is highly beneficial as they provide users with a therapeutic massage experience. The modules can help to alleviate muscle tension, improve circulation, and promote relaxation, resulting in a more enjoyable spa experience.

Anti-Float Lounger

Lose yourself in pure bliss with Coast Spas' anti-float lounger - the luxurious feature that delivers unparalleled comfort and support, while eliminating the need to constantly readjust your position.

Spacious Footwell

Spacious footwell can contribute to a more enjoyable and comfortable spa experience for all users, even when multiple people are using the hot tub at the same time, it won't feel cramped at all.

Note : It's important to understand that the features mentioned are listed together for descriptive purposes, but it doesn't imply that every feature is guaranteed to be present in each model. The availability of features may vary depending on the specific model of the hot tub.
