Why 2Purfikt Collection?

Elevate your home with a fusion of form and function—with our contemporary 2 Purfikt hot tub range designed for the modern aesthetic.

This spa is perfect for those who appreciate sleek lines and understated elegance. Each line, each curve of our hot tub is intentional, crafted to mirror the sleek architecture of a contemporary home.

The 3" Vlux corners are not merely a design statement; they are a promise of enduring style and the touchstone of modernity. Its compact footprint makes it a seamless addition to any urban patio or chic backyard retreat, accommodating 2 to 3 people comfortably.

Crafted with discerning homeowners in mind, our 2 Purfikt hot tub range starts from the accessible Patio collection, a testament to practical luxury, and extends to the Classic and then to the exquisite Opulence collection, the pinnacle of spa indulgence. With each collection, experience the thoughtful integration of advanced features and a design language that speaks to the heart of contemporary living.

2Purfikt Patio: The Patio collection, featuring a welcoming 12 jets, is your gateway to luxury, offering an oasis of calm without compromising on style or build quality. It's an invitation to embrace relaxation and wellness within the elegant confines of your personal space.

2Purfikt Classic: Progressing to the Classic collection, with 19 jets, you're invited to delve deeper into a world where sophistication meets serenity. It's a collection that enriches your journey towards relaxation health and wellness, enhancing the soothing embrace of the hot tub experience.

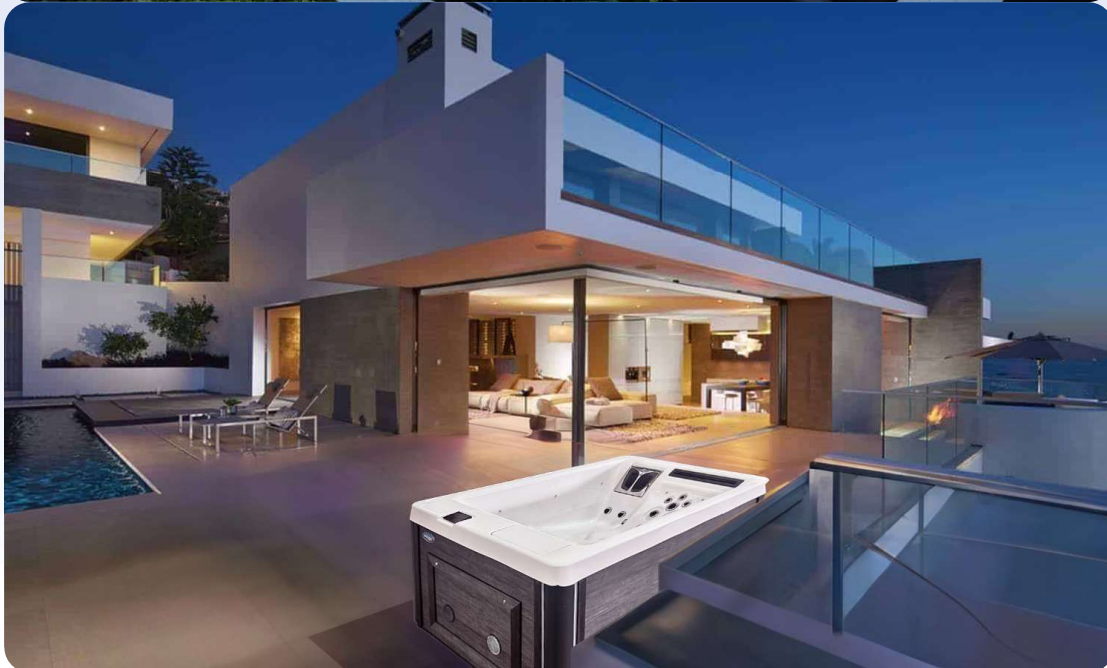

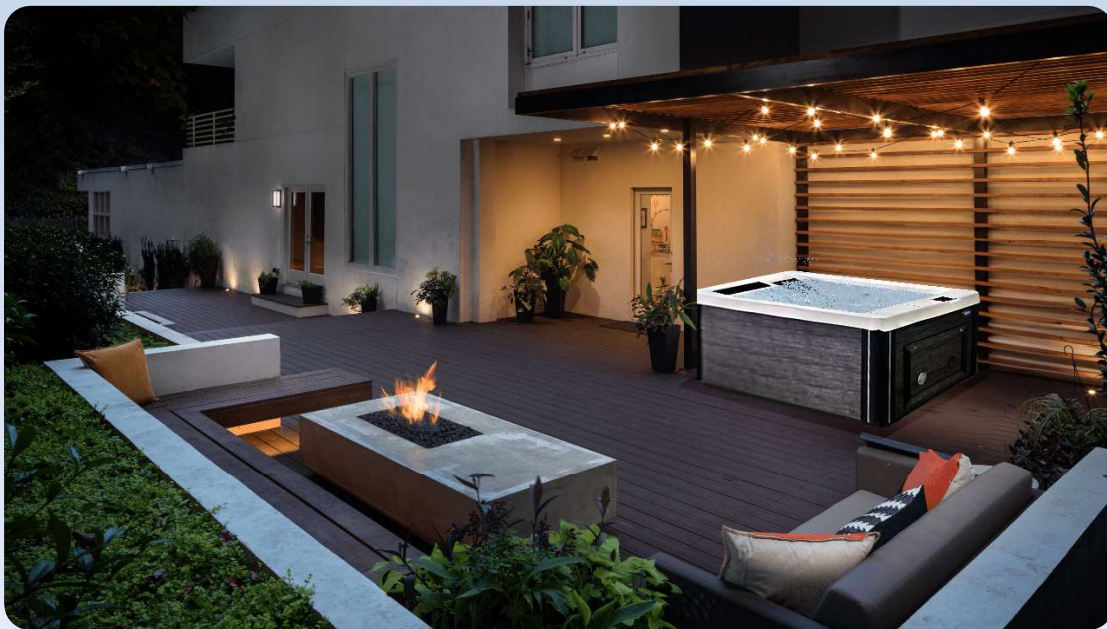

2Purfikt Luxury: Advancing into the realm of luxury, boasting 23 jets, you're cordially invited to explore a realm where elegance intersects with tranquility. This collection elevates your path to relaxation, health, and wellness, amplifying the comforting allure of the hot tub encounter. With cutting-edge features it stands as a pinnacle of sophistication and indulgence.

2Purfikt Luxury Infinity: Entering the domain of luxury, boasting a unique and perfectly engineered vanishing edge that offers an unobstructed view overlooking the horizon, you're invited to indulge in a realm where elegance meets serenity. This collection enhances your journey to relaxation, health, and wellness, elevating the comforting embrace of the hot tub experience. With advanced features and 23 jets, it stands as the pinnacle of sophistication and indulgence.

2Purfikt Opulence: Ascend to the Opulence collection, our crowning glory of spa luxury, where 23 jets await to transport you into a realm of unrivaled relaxation. Here, the advanced salt water system offers a symphony of health benefits, purifying the water in the gentlest way possible, caressing your skin and soothing your senses.

Every hot tub within our range promises energy efficiency, robust construction, and a devotion to comfort, ensuring each moment spent is a tranquil escape from the everyday. It's more than a product; it's a lifestyle enhancement, delivering modern luxury that's always within reach.

Why 2Purfikt Collection?

Luxury for Everyone: The 2Purfikt Collection caters to a wide range of budgets, offering an extensive selection of models from affordable options to luxurious indulgences. Packed with an array of benefits, our models are ideal for budget-conscious customers to high-end luxurious hot tub seekers.

Seamlessly Fits Urban Spaces: Recognizing the challenges posed by urban living, the 2Purfikt Collection is meticulously crafted to optimize space efficiency while maintaining full functionality.

A Spectrum of Choices: Recognizing the varied seating preferences of our customers, the 2Purfikt Collection provides a selection of seating capacities to accommodate different requirements. From our entry-level patio models to the luxurious 2Purfikt Opulence, we cater to a diverse range of needs and desires.

Versatile Hot Tub Application: Whether it's a deck or a modern backyard, the 2Purfikt Collection presents hot tubs carefully crafted to enhance any space. Our selection is tailored to meet the needs of customers looking for compact options without sacrificing quality or comfort.

Premium Aesthetics, For Every Budget: Featuring sleek Vlux corners, our hot tubs exude a modern premium aesthetic across all price points, guaranteeing uncompromised style and sophistication.

Enhanced Servicing: Featuring frame lock technology, servicing our hot tubs is a breeze for technicians, ensuring better maintenance and longevity.

Easy Setup, Minimal Preparation: Coast Spas 2Purfikt Patio requires minimal site preparation, featuring a simple plug-and-play 110V design with no need for professional electricians, guaranteeing a hassle-free installation.

Dynamic Energy Options: Discover ultimate versatility with our 2Purfikt Collection hot tub, featuring both 220 and 110-volt integrations for energy efficiency and portability. Whether you crave health & wellness or a tranquil soak, our hot tub seamlessly adapts to your lifestyle.

Built to Last: Incorporating advanced technologies like Coast Shield and a superior built frame, our hot tubs are exceptionally durable, providing peace of mind for years to come.

Year-Round Comfort: Equipped with energy-efficient heater technology and multi-level seating, 2Purfikt Collection hot tubs ensure comfort in any season, whether heating up in winter or cooling down in summer.

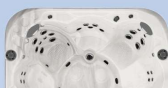

Coast Spas Care Salt Water System: The Opulence model incorporates Coast Spas Care Salt Water System an innovative water care solution that is easy to use and takes a natural and gentle approach to hot tub water maintenance.

175/50 sq. ft. Hydro-Cyclonic Filtration System

Coast Spas is proud to offer the world's leading and exclusive Hydro-cyclonic filtration system, a revolutionary technology that is an integrated system that sets the standard for hot tub filtration.

3" Vlux Corners

Elevate your outdoor oasis with Coast Spas' innovative 3-inch VLUX corners, now available for the Classic Collection. These sleek additions infuse your spa with a contemporary edge, refreshing its aesthetic and lending a modern touch to your relaxation haven.

Ergonomic Seats

Coast Spas' ergonomic seats are meticulously designed for optimal comfort and support, providing a luxurious spa experience tailored to your body's contours. Indulge in relaxation as you sink into these thoughtfully crafted seats, offering a perfect blend of comfort and rejuvenation.

Monster size Skimmer

Introducing Coast Spas' revolutionary Monster Size Skimmer, a powerhouse filtration system designed to effortlessly clear your hot tub water of debris. This innovative technology effectively sucks in all floating debris, channeling it into a specialized net for easy removal, ensuring crystal-clear water every time you indulge.

Anti-Float Lounger

Lose yourself in pure bliss with Coast Spas' anti-float lounger - the luxurious feature that delivers unparalleled comfort and support, while eliminating the need to constantly readjust your position.

Spacious Footwell

Spacious footwell can contribute to a more enjoyable and comfortable spa experience for all users, even when multiple people are using the hot tub at the same time, it won't feel cramped at all.

8 Button Digital Control with Color Display

This advanced 8 button digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

50 Sq. ft. Pressurized Filtration System

The unique design of Coast Spas' Pressurized Filtration System ensures cleaner water by efficiently removing larger debris, saves energy by consuming less energy than traditional filtration systems.

6 Button Digital Control

This advanced 6 button digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

Upgradable Wi-Fi

Coast Spas' Upgradable - WiFi on hot tubs offer you the convenience of controlling and monitoring your spa remotely, allowing you to customize your relaxation experience from the palm of your hand.

Largest Touch Screen Display

This advanced Largest Touch Screen Display digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

Exclusive Self-Cleaning Sweeper Jet™

Get a deeper, more thorough clean with sweeper jets - the powerful, precision-engineered technology that effortlessly sweeps away dirt and debris from your pool or spa.
