# Why Classic Collection?

Introducing the Classic Collection by Coast Spas—a value-driven range that balances quality and affordability, offering hot tubs designed to elevate your relaxation and wellness experience without the premium price tag.

With its versatile footprint, the Classic Collection seamlessly fits into various settings, whether it's your patio, backyard, courtyard, deck, or even a duplex house, ensuring you can enjoy your spa wherever you desire. Experience comfort and functionality with the Classic Collection, featuring diverse seating options ranging from cozy 2-seaters to spacious 8-seater models, providing ample space for any gathering or relaxation session.

Indulge in the therapeutic and wellness benefits of hydrotherapy with jet configurations ranging from 18 to 45 jets, offering a satisfying massage experience that caters to your relaxation needs. The Classic Collection also boasts a 24" waterfall, the largest in the industry, available exclusively in the curve models, adding a touch of elegance and serenity to your spa experience.

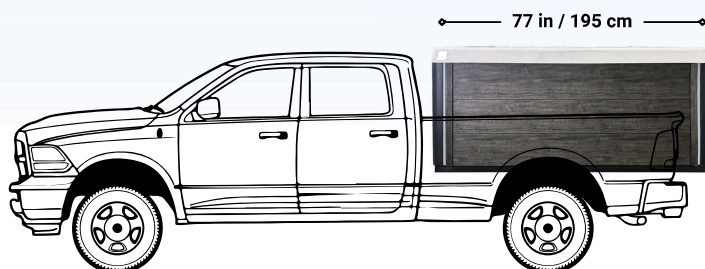

Discover the Classic Collection by Coast Spas, where quality meets value, and every soak becomes a rejuvenating escape in your own personal oasis. Enhance your well-being and leisure time with these aesthetically pleasing hot tubs designed for mid-range budgets.

Experience the perfect balance of quality, comfort, and affordability with the Classic Collection by Coast Spas.

**DuoScape Classic:** The DuoScape Classic is a compact 2-seater hot tub with 18 jets, making it the smallest footprint in the Classic Collection. Its compact design allows it to fit through standard doors and condo lifts, making it an excellent choice for urban living spaces.

## CASH & CARRY

Discover the Coast Spas DuoScape hot tubs, offering unparalleled portability for a hassle-free experience. Designed for easy transportation, these tubs are lightweight and conveniently portable, allowing for effortless "cash and carry" convenience. With no need for additional machinery, they can seamlessly navigate through standard doors and elevators, ensuring a convenient option at an unbeatable price point.

## Standard Doors / Elevators

# Why Classic Collection?

**Versatile Hot Tub Application:** From intimate retreats to grand gatherings, the Classic Collection offers a range of footprints, accommodating from 2-seater to expansive 8-seater hot tubs. Versatile in placement, these luxurious additions enrich various settings such as patios, backyards, courtyards, decks, duplexes, and homes.

**A Spectrum of Choices:** The Classic Collection offers a wide range of options, from 2-seater to a large 8-seater configuration hot tubs. Featuring curve, bench-and-lounger layouts, and jet choices ranging from 18 to 45, this collection ensures a customized experience for every preference and occasion.

**Premium Aesthetics, For Every Budget:** Featuring sleek Vlux corners in DuoScape and 2Purfikt, our hot tubs exude a modern premium aesthetic across all price points, guaranteeing uncompromised style and sophistication.

**Enhanced Servicing:** Our hot tubs boast a Quick-Access Equipment Door for easy servicing. The Coast Trim Lock Cabinet utilizes magnet and "T" trim board technology, ensuring both longevity and convenient access to equipment without compromising on sleek aesthetics.

**Built to Last:** Incorporating advanced technologies like Coast Shield and a superior built frame, our hot tubs are exceptionally durable, providing peace of mind for years to come.

**Year-Round Comfort:** Equipped with energy-efficient heater technology and multi-level seating, Opulence collection hot tubs ensure comfort in any season, whether heating up in winter or cooling down in summer.

**Compliance and Convenience:** Our sleek two-person hot tub is meticulously crafted for convenience and compliance. With a weight under 1815 lbs / 823 kg when filled, it fits perfectly in compact spaces like balconies, while still offering luxurious comfort and meeting strict condo and strata regulations.

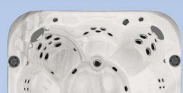

**Portable Convenience:** Coast Spas DuoScape Classic provides the convenience of truck and take-home, "cash and carry" portability. They are lightweight, easy to carry, require no additional machinery, and can easily pass through standard doors and elevators, making them an exceptionally convenient option .

# Features

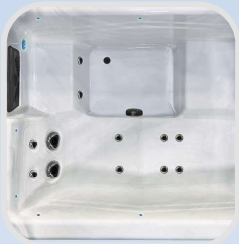

## 50 sq. ft. Hydro-Cyclonic Filtration System

Coast Spas is proud to offer the world's leading and exclusive Hydro-cyclonic filtration system, a revolutionary technology that is an integrated system that sets the standard for hot tub filtration.

## Spacious Footwell

Spacious footwell can contribute to a more enjoyable and comfortable spa experience for all users, even when multiple people are using the hot tub at the same time, it won't feel cramped at all.

## Ergonomic Seats

Coast Spas' ergonomic seats are meticulously designed for optimal comfort and support, providing a luxurious spa experience tailored to your body's contours. Indulge in relaxation as you sink into these thoughtfully crafted seats, offering a perfect blend of comfort and rejuvenation.

## Monster size Skimmer

Introducing Coast Spas' revolutionary Monster Size Skimmer, a powerhouse filtration system designed to effortlessly clear your hot tub water of debris. This innovative technology effectively sucks in all floating debris, channeling it into a specialized net for easy removal, ensuring crystal-clear water every time you indulge.

## Anti-Float Lounger

Lose yourself in pure bliss with Coast Spas' anti-float lounger - the luxurious feature that delivers unparalleled comfort and support, while eliminating the need to constantly readjust your position.

## 24 inch Waterfall (Curve Models)

The 24" waterfall produces a steady stream of water that cascades into the hot tub, creating a soothing and calming effect that enhances the relaxation and therapeutic benefits of the hot tub.

**Note :** It's important to understand that the features mentioned are listed together for descriptive purposes, but it doesn't imply that every feature is guaranteed to be present in each model. The availability of features may vary depending on the specific model of the hot tub.

### **Ergonomic Seats with Neck Jets**

Ergonomic seats with neck jets in a hot tub are designed to provide users with a comfortable and relaxing spa experience. The neck jets target specific pressure points in the neck and shoulders, helping to relieve tension and promote relaxation.

### **Laminar Water Ropes and Lighting**

The laminar water ropes creates a smooth, uninterrupted flow of water, adding a soothing and tranquil element to the spa experience. The lighting enhances the ambiance and can create a more inviting atmosphere, particularly during nighttime use.

### **Exclusive Self-Cleaning Sweeper Jet™**

Get a deeper, more thorough clean with sweeper jets - the powerful, precision-engineered technology that effortlessly sweeps away dirt and debris from your pool or spa.

### **8 Button Digital Control with Color Display**

This advanced 8 button digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

### **Upgradable Wi-Fi**

Coast Spas' Upgradable - WiFi on hot tubs offer you the convenience of controlling and monitoring your spa remotely, allowing you to customize your relaxation experience from the palm of your hand.
