Features

100 sq. ft. Hydro-Cyclonic Filtration System

Coast Spas is proud to offer the world's leading and exclusive Hydro-cyclonic filtration system, a revolutionary technology that is an integrated system that sets the standard for hot tub filtration.

Spacious Footwell

Spacious footwell can contribute to a more enjoyable and comfortable spa experience for all users, even when multiple people are using the hot tub at the same time, it won't feel cramped at all.

Ergonomic Seats

Coast Spas' ergonomic seats are meticulously designed for optimal comfort and support, providing a luxurious spa experience tailored to your body's contours. Indulge in relaxation as you sink into these thoughtfully crafted seats, offering a perfect blend of comfort and rejuvenation.

Monster size Skimmer

Introducing Coast Spas' revolutionary Monster Size Skimmer, a powerhouse filtration system designed to effortlessly clear your hot tub water of debris. This innovative technology effectively sucks in all floating debris, channeling it into a specialized net for easy removal, ensuring crystal-clear water every time you indulge.

Anti-Float Lounger

Lose yourself in pure bliss with Coast Spas' anti-float lounger - the luxurious feature that delivers unparalleled comfort and support, while eliminating the need to constantly readjust your position.

24 inch Waterfall (Curve Models)

The 24" waterfall produces a steady stream of water that cascades into the hot tub, creating a soothing and calming effect that enhances the relaxation and therapeutic benefits of the hot tub.

Note : It's important to understand that the features mentioned are listed together for descriptive purposes, but it doesn't imply that every feature is guaranteed to be present in each model. The availability of features may vary depending on the specific model of the hot tub.

Ergonomic Seats with Neck Jets

Ergonomic seats with neck jets in a hot tub are designed to provide users with a comfortable and relaxing spa experience. The neck jets target specific pressure points in the neck and shoulders, helping to relieve tension and promote relaxation.

Laminar Water Ropes and Lighting

The laminar water ropes creates a smooth, uninterrupted flow of water, adding a soothing and tranquil element to the spa experience. The lighting enhances the ambiance and can create a more inviting atmosphere, particularly during nighttime use.

Exclusive Self-Cleaning Sweeper Jet™

Get a deeper, more thorough clean with sweeper jets - the powerful, precision-engineered technology that effortlessly sweeps away dirt and debris from your pool or spa.

Touchscreen Controls

This advanced Touch Screen Display digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

AquaSole Foot Massage Jet

The AquaSole™ Foot Massage Jets in the foot-well or in the floor of many of our models that provide gentle and rhythmic massage from the top of your toes, through the arch and to the bottom of your heels.
