Why Luxury Collection?

Infinity Edge: Experience the ultimate luxury with the Infinity Edge feature, offering a seamless transition between the water and your surroundings. Lose yourself in the breathtaking view as you immerse yourself in unparalleled relaxation. Coast Spas' Infinity Edge brings a touch of elegance to every soak, creating a spa experience like no other.

Versatile Hot Tub Application: From intimate retreats to grand gatherings, the Luxury Collection offers a range of footprints, accommodating from 3-seater to expansive 8-seater hot tubs. Versatile in placement, these luxurious additions enrich various settings such as patios, backyards, courtyards, decks, duplexes, and homes.

A Spectrum of Choices: The Luxury Collection offers a wide range of options, from 3-seater to expansive 8-seater configurations. Featuring curve, bench-and-lounger layouts, and jet choices ranging from 23 to 65, this collection ensures a customized experience for every preference and occasion.

Premium Aesthetics: Enhanced with illuminated Vlux corners, our hot tubs radiate a contemporary premium aesthetic, ensuring unparalleled style and sophistication. Choose from various luxurious cabinet options: Charcoal, driftwood, and walnut, each adding a touch of luxury to your outdoor oasis.

Enhanced Servicing: Our hot tubs boast a Quick-Access Equipment Door for easy servicing. The Coast Trim Lock Cabinet utilizes magnet and "T" trim board technology, ensuring both longevity and convenient access to equipment without compromising on sleek aesthetics.

Built to Last: Incorporating advanced technologies like Coast Shield and a superior built frame, our hot tubs are exceptionally durable, providing peace of mind for years to come.

Year-Round Comfort: Equipped with energy-efficient heater technology and multi-level seating, Opulence collection hot tubs ensure comfort in any season, whether heating up in winter or cooling down in summer.

175 sq. ft. Hydro-Cyclonic Filtration System

Coast Spas is proud to offer the world's leading and exclusive Hydro-cyclonic filtration system, a revolutionary technology that is an integrated system that sets the standard for hot tub filtration.

3" Vlux Corners

Elevate your outdoor oasis with Coast Spas' innovative 3-inch VLUX corners, now available for the Classic Series. These sleek additions infuse your spa with a contemporary edge, refreshing its aesthetic and lending a modern touch to your relaxation haven.

Ergonomic Seats

Coast Spas' ergonomic seats are meticulously designed for optimal comfort and support, providing a luxurious spa experience tailored to your body's contours. Indulge in relaxation as you sink into these thoughtfully crafted seats, offering a perfect blend of comfort and rejuvenation.

Monster size Skimmer

Introducing Coast Spas' revolutionary Monster Size Skimmer, a powerhouse filtration system designed to effortlessly clear your hot tub water of debris. This innovative technology effectively sucks in all floating debris, channeling it into a specialized net for easy removal, ensuring crystal-clear water every time you indulge.

Anti-Float Lounger

Lose yourself in pure bliss with Coast Spas' anti-float lounger - the luxurious feature that delivers unparalleled comfort and support, while eliminating the need to constantly readjust your position.

24 inch Waterfall

The 24" waterfall produces a steady stream of water that cascades into the hot tub, creating a soothing and calming effect that enhances the relaxation and therapeutic benefits of the hot tub.

Coast Connect™ Universal Fitting

The Coast Connect Universal Fitting allows you to connect and disconnect Coast Connect Accessories. When not in use, the Coast Connect Universal Fitting serves as both an underwater light (when a lighting package is installed) and a unique water-only foot massage jet.

Laminar Water Ropes and Lighting

The laminar water ropes creates a smooth, uninterrupted flow of water, adding a soothing and tranquil element to the spa experience. The lighting enhances the ambiance and can create a more inviting atmosphere, particularly during nighttime use.

AquaSole Foot Massage Jet

The AquaSole™ Foot Massage Jets in the foot-well or in the floor of many of our models that provide gentle and rhythmic massage from the top of your toes, through the arch and to the bottom of your heels.

Ergonomic Seats with Neck Jets

Ergonomic seats with neck jets in a hot tub are designed to provide users with a comfortable and relaxing spa experience. The neck jets target specific pressure points in the neck and shoulders, helping to relieve tension and promote relaxation.

Largest Touch Screen Display

This advanced Largest Touch Screen Display digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

Exclusive Self-Cleaning Sweeper Jet™

Get a deeper, more thorough clean with sweeper jets - the powerful, precision-engineered technology that effortlessly sweeps away dirt and debris from your pool or spa.
