Features

175 sq. ft. Hydro-Cyclonic Filtration System

Coast Spas is proud to offer the world's leading and exclusive Hydro-cyclonic filtration system, a revolutionary technology that is an integrated system that sets the standard for hot tub filtration.

3" Vlux Corners

Elevate your outdoor oasis with Coast Spas' innovative 3-inch VLUX corners, now available for the Classic Series. These sleek additions infuse your spa with a contemporary edge, refreshing its aesthetic and lending a modern touch to your relaxation haven.

Ergonomic Seats

Coast Spas' ergonomic seats are meticulously designed for optimal comfort and support, providing a luxurious spa experience tailored to your body's contours. Indulge in relaxation as you sink into these thoughtfully crafted seats, offering a perfect blend of comfort and rejuvenation.

Monster size Skimmer

Introducing Coast Spas' revolutionary Monster Size Skimmer, a powerhouse filtration system designed to effortlessly clear your hot tub water of debris. This innovative technology effectively sucks in all floating debris, channeling it into a specialized net for easy removal, ensuring crystal-clear water every time you indulge.

Anti-Float Lounger

Lose yourself in pure bliss with Coast Spas' anti-float lounger - the luxurious feature that delivers unparalleled comfort and support, while eliminating the need to constantly readjust your position.

24 inch Waterfall

The 24" waterfall produces a steady stream of water that cascades into the hot tub, creating a soothing and calming effect that enhances the relaxation and therapeutic benefits of the hot tub.

Note : It's important to understand that the features mentioned are listed together for descriptive purposes, but it doesn't imply that every feature is guaranteed to be present in each model. The availability of features may vary depending on the specific model of the hot tub.

Coast Connect™ Universal Fitting

The Coast Connect Universal Fitting allows you to connect and disconnect Coast Connect Accessories. When not in use, the Coast Connect Universal Fitting serves as both an underwater light (when a lighting package is installed) and a unique water-only foot massage jet.

Laminar Water Ropes and Lighting

The laminar water ropes creates a smooth, uninterrupted flow of water, adding a soothing and tranquil element to the spa experience. The lighting enhances the ambiance and can create a more inviting atmosphere, particularly during nighttime use.

AquaSole™ Foot Massage Jet

The AquaSole™ Foot Massage Jets in the foot-well or in the floor of many of our models that provide gentle and rhythmic massage from the top of your toes, through the arch and to the bottom of your heels.

Ergonomic Seats with Neck Jets

Ergonomic seats with neck jets in a hot tub are designed to provide users with a comfortable and relaxing spa experience. The neck jets target specific pressure points in the neck and shoulders, helping to relieve tension and promote relaxation.

Largest Touch Screen Display

This advanced Largest Touch Screen Display digital control system is the perfect addition to your hot tub, allowing you to adjust the temperature, lighting, jets, and more with ease.

Exclusive Self-Cleaning Sweeper Jet™

Get a deeper, more thorough clean with sweeper jets - the powerful, precision-engineered technology that effortlessly sweeps away dirt and debris from your pool or spa.
