

(Las Vegas, NV) – A’Esha Goins’ Secret Santa for Single Parents to celebrate its 6th-year gift drive with partnerships with Make It Work Nevada and PLAN (Progressive Leadership Alliance of Nevada). The drop off location is the Make It Work Nevada Office 600 S. 7th st Las Vegas, NV 89101.

With the community at large help, Black Joy Consulting (A’Esha Goins) Secret Santa for Single Parents Gift Drive Goal will offer Holiday cheer to an estimated 100 less fortunate teenage and adult parents in our community. Individuals or businesses are asked to donate a wrapped gift purchased for an adult parent.

“Each year my friends and family support my idea and we have delivered over 300 gifts in the past years. This year my goal is 100 gifts!” Says A’Esha Goins, Coach Canna and CEO of Black Joy Consulting. “The Holidays are a difficult time for single parents.” “We are doing everything we can to ensure our children have a little extra Joy during the Holidays. Even if that means forsaking our own.” “I believe parents should be rewarded as well!”

Secret Santa for Single Parents provides a unique look to the Christmas Holiday. A Holiday traditional celebrated by children causes depression and angst in adults. The Secret Santa for Single parent’s distribution allows the community to lift the spirits of parents whom have given it all and did it the best they knew how. The gifts will be distributed at a surprise cocktail party given by the partnering organizations.

The Secret Santa for Single Parents Gift drive is Nov 9th – Dec 14th. The Community can drop gifts off at The Make It Work Office Mon- Fri 9 am to 4pm. Distribution of gifts will begin Dec 19th. For more information visit www.theblackjoyclub.com or email info@blackabis.com
