

PATROL PCMO SAE 10W-40 API SL

PRODUCT DESCRIPTION

Patrol Oil SAE 10W-40 API SL is a premium semi-synthetic multigrade engine oil designed to deliver strong protection, engine cleanliness, and reliable lubrication in a wide range of modern gasoline engines. It offers excellent oxidation resistance, wear protection, low-temperature performance, and prolonged service life.

APPLICATIONS

- Passenger cars and light trucks requiring SAE 10W-40, API SL.
- Engines equipped with fuel injection, DOHC, turbocharging, or multi-valve systems.
- Daily driving, high-temperature operation, and stop-and-go city traffic.
- Suitable for manufacturers recommending API SL or earlier categories.

KEY BENEFITS

- Improved engine cleanliness with strong detergency.
- Enhanced wear protection extending engine life.
- Excellent oxidation and thermal stability.
- Smooth cold starts with reliable low-temperature fluidity.
- Reduced sludge and deposit formation.
- Stable viscosity performance under all operating conditions.

PERFORMANCE STANDARDS / APPROVALS

- API SL
- ACEA A3/B3 (performance level)
- Suitable for OEMs requiring SAE 10W-40 API SL

TYPICAL PROPERTIES

PROPERTY	METHOD	UNIT	TYPICAL VALUE
SAE Grade	SAE J300	-	10W-40
Kinematic Viscosity @ 40°C	ASTM D445	cSt	95
Kinematic Viscosity @ 100°C	ASTM D445	cSt	14.2
Viscosity Index	ASTM D2270	-	155
Pour Point	ASTM D97	°C	-33
Flash Point (COC)	ASTM D92	°C	225
TBN	ASTM D2896	mg KOH/g	7.5
Density @ 15°C	ASTM D4052	kg/m ³	875

Note: These characteristics are typical of current production. While future production will conform to PATROL's specification, variations in these characteristics may occur.

Health and Safety: Based on available information, this product is not expected to produce adverse effects on health when used for the intended application and the recommendations provided in the Material Safety Data Sheet (MSDS) are followed. MSDS's are available upon request. This product should not be used for purposes other than its intended use. If disposing off used product, take care to protect the environment.
