ABOUT US

Talwar Hing Company is one of India's leading manufacturers and exporters of compound asafoetida. Our products are manufactured at our advanced production unit, Jai Ambay Traders, which operates under rigorous global hygiene and food safety management standards.

At our facilities, we offer a carefully curated and diverse selection of asafoetida to suit a wide range of culinary preferences. Our product lineup includes Hing Powder, Yellow Hing Powder, Khada Powder Hing, Hing Rus, Asafoetida, Compounded Asafoetida, and Hing Lumps.

OUR VALUES

We are committed to delivering purity, quality, and tradition in every pack. Rooted in decades of trust, our values reflect our dedication to authenticity, sustainability, and customer satisfaction. We believe in preserving the rich culinary heritage of India to serve modern kitchens.
