X (WITH A BASE FLOOD ELEVATION OF N/A). THIS PROPERTY WAS FOUND IN THE CITY OF JACKSONVILLE, COMMUNITY NUMBER 120077, PANEL

CLIENT FILE NO:

GENERAL SURVEYORS NOTES:

- The Legal Description used to perform this survey was supplied by others. This survey
 does not determine nor imply ownership of the lands or any fences shown hereon.
 Unless the Title Commitment Number and Date is referenced on this survey, an
 examination of the abstract of title was NOT performed by the signing surveyor to
 determine which instruments, if any, are affecting this property.
- 2. The purpose of this survey is to establish the boundary of the lands described by the legal description provided and to depict the visible improvements thereon for a pending financial transaction. Underground footings, utilities, or other service lines, including roof eave overhangs were not located as part of this survey. Unless specifically stated otherwise the purpose and intent of this survey is not for any construction activities or future planning.
- 3. If there is a septic tank or drain field shown on this survey, the location depicted hereon was either shown to the surveyor by a third party or it was estimated by visual above ground inspection. No excavation was performed to determine its location.
- 4. This survey is exclusively for a pending financial transaction and only to be used by the parties to whom it is certified.
- 5. Alterations to this survey map and report by other than the signing surveyor are prohibited.
- 6. Dimensions are in feet and decimals thereof.
- 7. Any FEMA flood zone data contained on this survey is for informational purposes only. Research to obtain said data was performed at www.fema.gov and may not reflect the most recent information.
- 8. Unless otherwise noted "SIRC" indicates a Set Iron Rebar with a Cap stamped LB#8291, a minimum half inch in diameter and eighteen inches long.
- 9. If you are reading this survey in an electronic format, the information contained on this document is only valid if this document is electronically signed as specified in Chapter 5J17.062 (3) of the Florida Administrative Code and Florida Statute 472.025. The Electronic Signature File related to this document is prominently displayed on the invoice for this survey which is sent under separate cover. Manually signed and sealed logs of all survey signature files are kept in the office of the performing surveyor.
- 10. The symbols reflected in the legend and on this survey may have been enlarged or reduced for clarity. The symbols have been plotted at the approximate center of the field location and may not represent the actual shape or size of the feature.
- 11. Points of Interest (POI's) are select above-ground improvements, which may appear in conflict with boundary, building setback or easement lines, as defined by the parameters of this survey. These POI's may not represent all items of interest to the viewer. There may be additional POI's which are not shown or called-out as POI's, or which are otherwise unknown to the surveyor.
- 12. Utilities shown on the subject property may or may not indicate the existence of recorded or unrecorded utility easements.
- 13. The information contained on this survey has been performed exclusively by and is the sole responsibility of Exacta Land Surveyors, LLC. Additional logos or references to third party firms are for informational purposes only.
- 14. Pursuant to F.S. 558.0035, an individual employee or agent may not be held individually liable for negligence.
- 15. Due to varying construction standards, building dimensions are approximate and are not intended to be used for new construction or planning.
