

# NOTES

- The cable between the Ultrastuido recorder 3G and camera is made of a 2 BNC cable linked with barrels
- Projections, sound and lights are all on the same network for show control
- All secondary cues are fired from the Main mac
- All connections to the mac are through converters to USBC
- Power for the projectors comes from Hot Power in the grid
- All HDMI media encoder/decoders are Kramer Pico tools
- No substitutions without the approval of the Designer

## Hooded or Being Black for Dummies

Director: Lester Mayers  
Scenic Designer: Vicki Davis  
Projection Designer: Max Rosenfeld  
Sound Designer: Dean Mahoney  
Lighting Designer: Abby Rose
