Passport and Visa Requirements:

You are responsible for ensuring that you have the correct travel documents. Please verify with the relevant consulate(s) or visa agency whether any visas or passports are needed. Your passport must be valid for at least 6 months after your travel dates. Some countries may also require a full blank "VISA" page for stamping. The travel information provided applies to US citizens only. Non-US citizens should check with the consulate of their destination country for up-to-date entry requirements. Kapture the Globe LLC does not provide or validate travel requirements for non-US citizens. We strongly recommend that all cruise passengers carry a valid passport during their trip.

Travel Insurance:

Missing a vacation is unfortunate, but losing the money you paid for it is even worse. Therefore, we highly recommend purchasing travel insurance that provides coverage for trip cancellation, interruption, baggage loss, and more. It is your responsibility to select and purchase travel insurance for both domestic and international tours.
