Commander - The Specialist's Choice.

Why choose Commander?

With one of the widest ranges available on the market today, Commander® is firmly established as a true market leader.

Time has proved these portable fire extinguishers as a dependable choice for almost any situation, and reliable performance is guaranteed.

- Independently tested by Lloyds Register (selected models)
- Huge range
- 5-year warranty on all models
- Full range of spare parts available
- Built to last - ideal for harsh environments
- Easy to service

Wet Chemical Extinguishers

The Commander range Wet Chemical extinguishers provide the ideal and effective answer to Class F fires. Both the 6 litre and 3 litre cylinders are manufactured from corrosion resistant powder-coated steel with a tough internal lining. The 6 litre units have been designed to provide a hygienic "Easy Clean" solution to meet the demands of commercial kitchen environments. The 3 litre size is ideal for the smaller kitchen - boasting a small size yet still offering a 75F fire rating

- Fully CE marked
- Corrosion-resistant cylinders
- Full range of spare parts available
- "Easy Clean" design
- Both models suitable for up to 75ltr capacity deep fat fryer
