Summer Music Opportunity

As our music program takes a break for the summer months, we invite members of the congregation to share their musical gifts during worship. If you would be willing to provide special music, be it vocal or instrumental, solo or group; we ask you to please sign up on the sheet outside the pastor's office. Summer music is a meaningful way to enrich our worship and offer praise to God through the gifts given to the people in our congregation. Thank you for considering how you might participate in the life and worship of our congregation this summer.

Children Are Invited to Help Lead Worship!

Children are invited to help lead worship by opening the Prayer of the Day during Sunday services! This is a wonderful opportunity for our young people to share their voices and participate in the life of the church. Children may **sign up on the sheet outside the pastor's office**. The prayer will be provided ahead of time, and we are happy to help any child who would like assistance practicing. We hope many of our children will take part in this meaningful way to serve in worship!

Each Monday

Children and families will receive a weekly email devotion (including a video and printable activities) from our Christian Education committee. Contact the church office if you are not sure if you are on our email mailing list.
