Guest Author

Greetings! I'm Izzy B. I love telling stories. I love drawing. I love to laugh, so being an author seemed like a no-brainer. I started writing and illustrating books in the first grade. My first story was called My Pet Dog and it won the First Grade Young Author award. I won the same award every year of school until I was no longer a Young Author! I fell in love with books and creating them. On my journey to become an author I decided to try my hand at teaching. It's one of the few jobs that allows you to scatter books on the floor and roll in them.

School is also a great place to cultivate wonderful new story ideas, and I love the excitement of seeing students learn something new. Now I'm no longer teaching, and I'm making books full time! I'm also the dad of two awesome kiddos, Gideon and Maxx. I have an amazing wife named Autumn, two tough cats named Poe and Calli, a loving dog named Benji, and a creepy pet spider named Sparkles.
