Example formula: uploaded subject + luxury after-hours location + direct flash + couture texture + clear camera settings + strict realism rules.

10 ultra-realistic luxury nightlife prompts + 2 master prompts for building new visuals in the same aesthetic

1. MARBLE ARRIVAL AT L'AUBERGE

Paparazzi hotel arrival with burgundy velvet, gold armor detail, black sedan, chauffeur, warm lobby glow.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve her exact face, skin tone, facial structure, lips, eye spacing, beauty details, tattoos if visible, and natural body proportions.

PROMPT: Create an ultra-realistic luxury editorial street photo of a glamorous woman stepping out of a black chauffeured sedan outside an upscale city hotel at dusk. She is mid-step from the rear passenger door, centered in the foreground, calm and expensive, looking slightly past the camera. Style her in a deep burgundy velvet blazer mini dress with a plunging structured neckline and sculptural metallic gold embroidery wrapping the chest and waist like abstract gilded armor. Add a burgundy-gold textured clutch, glossy black pointed stilettos, gold drop earrings, polished evening glam, and soft auburn shoulder-length curls with a deep side part.

SETTING: Black reflective luxury sedan on the left, open rear door behind her, Black uniformed doorman on the right holding the door. Background: luxury hotel entrance, black awning, glowing gold sign reading L'AUBERGE, flower arrangements, warm lobby light, city traffic, blurred guests, blue-hour street energy.

CAMERA + LIGHTING: Vertical full-body editorial frame, 35mm lens, f/2.0, ISO 800, 1/160, slight standing-level low paparazzi angle, direct flash on subject, warm hotel light, soft city bokeh, realistic car reflections.

NEGATIVE PROMPT: no extra fingers, warped legs, melted car door, duplicate limbs, plastic skin, cartoon look, broken heels, fake reflections, unreadable face, random logos, messy embroidery, floating objects, or distorted doorman.

2. LE CHIC DINNER DROP-OFF

Restaurant arrival in burgundy blazer mini, sheer tights, crocodile clutch, chauffeur, blue-hour string lights.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve her exact face, skin tone, body shape, beauty marks, tattoos if visible, and overall identity.

PROMPT: Create an ultra-realistic luxury editorial street photograph of a glamorous woman stepping away from a black chauffeured sedan in front of an upscale restaurant at dusk. She stands centered outside the open rear passenger door, looking directly into the camera with a poised, confident expression. Style her in a sharply tailored burgundy blazer mini dress with structured shoulders, a cinched waist, gold buttons, and flap pockets. Add sheer black tights, glossy black pointed stilettos, a burgundy crocodile-texture clutch tucked under one arm, gold statement earrings, a short gold necklace, subtle rings, and sleek warm auburn-brown shoulder-length hair with a deep side part.

SETTING: Black luxury sedan on the left, open car door, suited chauffeur on the right smiling slightly while assisting. Behind her is a warm European-style restaurant entrance with glowing signage reading LE CHIC, hanging sign, string lights across the street, blurred well-dressed guests, host stand, stone pavement, and evening traffic.

CAMERA + LIGHTING: Vertical full-body fashion frame, subject centered, car left, chauffeur right. Full-frame camera, 35mm lens, f/2.2, ISO 1000, 1/160, soft direct flash, warm restaurant glow, blue-hour atmosphere, shallow depth of field.

NEGATIVE PROMPT: no distorted hands, extra fingers, duplicate limbs, warped legs, melted car door, waxy skin, cartoon finish, misshapen clutch, bad buttons, random logos, blurry face, messy signage, or AI artifacts.

3. PENTHOUSE AFTER-HOURS COUPE

Black cutout gown, chrome nails, coupe glass, dark sofa, skyline bokeh, private after-hours energy.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve face, skin tone, features, freckles, tattoos if visible, body proportions, and expression style.

PROMPT: Create an ultra-realistic luxury nightlife editorial portrait of a glamorous woman seated inside a high-rise penthouse lounge at night. She sits on a deep charcoal-black velvet sectional sofa, angled toward the camera with rich-girl calm. Style her in a fitted black evening gown with a high neckline, sleeveless cut, subtle micro-sparkle detail, and bold side cutouts at the waist and ribs. Add black pointed stilettos, a diamond tennis necklace, small sparkling earrings, a chunky silver sculptural cuff, long metallic silver chrome nails, and a coupe glass filled with a dark cocktail lifted casually near shoulder height. Her hair is a glossy jet-black short bob with a side part, soft finger-wave shape, and curled-under ends.

SETTING: Floor-to-ceiling windows behind her show a glowing nighttime city skyline in creamy bokeh. Include a glass coffee table on the left with lit candles, stacked luxury books or magazines, dark upholstery, polished floors, and a subdued modern penthouse atmosphere.

CAMERA + LIGHTING: Vertical full-body seated portrait, 35mm lens, f/2.0, ISO 1000, 1/125, subtle direct flash, low ambient room light, city light through windows, crisp focus on face and outfit, realistic shadows and reflections.

NEGATIVE PROMPT: no distorted hands, extra fingers, melted glass, warped sofa, duplicate limbs, plastic skin, over-smoothed face, cartoon look, incorrect city reflections, floating objects, bad shoes, flat lighting, or unnatural posture.

4. SKYLINE DINNER BANQUETTE

Rooftop restaurant pose, black glossy cutout gown, champagne coupe, navy velvet, Manhattan-style skyline.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact facial structure, skin tone, beauty details, tattoos if visible, and natural body proportions.

PROMPT: Create an ultra-realistic luxury evening editorial portrait of a glamorous woman seated inside an upscale rooftop restaurant or high-rise fine-dining lounge at night. She reclines diagonally across a deep navy velvet banquette, facing the camera with quiet confidence. Style her in a sleek glossy black evening gown with a daring plunging neckline, dramatic waist and side cutouts, and subtle crystal trim tracing the cutout sections. Add black pointed heels, a delicate diamond tennis necklace, diamond earrings, stacked silver cuff bracelets, silver chrome nails, and a coupe glass of champagne lifted near shoulder height. Her hair is a glossy jet-black side-parted vintage bob with sculpted finger-wave softness.

SETTING: Massive floor-to-ceiling windows reveal a glowing city skyline, river reflections, and a recognizable Empire State Building shape in soft bokeh. Beside her, place a small round black table with a lit candle, low flower arrangement, folded menu, and dark billfold. Add blurred diners and candlelit tables in the distance.

CAMERA + LIGHTING: Vertical medium-full seated portrait, 50mm lens, f/2.0, ISO 1000, 1/125, soft direct flash, warm restaurant light, luminous skyline bokeh, crisp subject focus.

NEGATIVE PROMPT: no extra fingers, warped glass, duplicate limbs, melted dress details, plastic skin, cartoon render, incorrect skyline perspective, floating table objects, blurry face, bad jewelry anatomy, broken heels, or AI artifacts.

5. SUITE 401 BEFORE THE NIGHT

Ivory corset midi at luxury hotel door, champagne setup, luggage, cream marble, warm suite light.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, body shape, beauty details, tattoos if visible, and identity.

PROMPT: Create an ultra-realistic luxury hotel editorial image of a glamorous woman standing in the doorway of an elegant hotel suite, as if she just opened the door before a private evening event. She faces the camera in a composed full-body pose. Style her in a fitted ivory-white corset-style midi dress with thick straps, structured bust cups, vertical seam lines, gold hardware accents, and a sculpted body-hugging silhouette. Add delicate gold ankle-strap stilettos, a small beige structured top-handle handbag, sparkling chandelier earrings, stacked gold bracelets, soft glam makeup, and long honey-blonde center-parted hair in a polished blowout.

SETTING: Five-star suite entrance with polished cream marble floor, warm beige patterned wallpaper, crown molding, golden lighting, and dark wooden door marked 401 in gold numbers. Inside, show a warmly lit hallway and sitting area. On the left: console table with champagne in an ice bucket, flutes, white hydrangeas, tray, cream tote, stacked designer-style luggage trunks, silver suitcase, and dark upholstered bench.

CAMERA + LIGHTING: Vertical full-body fashion frame, 50mm lens, f/2.8, ISO 640, 1/160, soft direct flash, warm indoor hotel light, crisp subject focus, natural marble reflections.

NEGATIVE PROMPT: no distorted hands, extra fingers, warped door handle, melted dress seams, plastic skin, cartoon effect, wrong proportions, floating jewelry, fake marble, unreadable door number, duplicate bags, blurry face, or AI artifacts.

6. SUITE 7M HALLWAY EXIT

Ivory cutout corset dress, open suite door, luggage stand, champagne inside, polished hotel corridor.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, body shape, tattoos if visible, facial features, and natural proportions.

PROMPT: Create an ultra-realistic luxury hotel editorial image of a glamorous woman standing just outside an open suite doorway before a high-end evening reservation. She stands full-body in the center foreground, body facing forward, face turned slightly off-camera left, one leg crossed elegantly in front of the other. Style her in a fitted ivory-white corset midi dress with thick straps, structured bust cups, gold buckle hardware on the straps and waist, side cutouts, a small front cutout below the bust, vertical seams, and a body-hugging pencil silhouette. Add a beige structured top-handle handbag, black thin-strap stiletto sandals, gold bracelets, drop earrings, rings, and sleek long honey-blonde center-parted hair.

SETTING: Luxury hotel corridor with cream marble floors, ivory paneled walls, warm golden light, and dark wooden double doors. One suite door is open behind her, revealing champagne, flutes, a silver suitcase, patterned rug, curtains, and table-lamp glow. On the right, add a wall plaque reading SUITE 7M and a dark wooden luggage stand holding a brown monogram-style duffle.

CAMERA + LIGHTING: Vertical full-body editorial frame, 50mm lens, f/2.8, ISO 640, 1/160, soft direct flash, warm hotel ambiance, subtle marble reflections, crisp facial and wardrobe detail.

NEGATIVE PROMPT: no distorted hands, extra fingers, warped legs, melted dress seams, broken straps, plastic skin, cartoon look, floating handbag, unreadable suite plaque, warped marble floor, broken heels, harsh shadows, or blurry face.

7. BLACK SHEER ELEVATOR FLASH

Sheer black corset gown, opera gloves, crocodile bag, gold elevator, mirror flash, nightlife glamour.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, beauty details, tattoos if visible, body shape, and identity.

PROMPT: Create an ultra-realistic luxury elevator editorial image of a glamorous woman standing inside a five-star hotel elevator vestibule at night, like a flash-lit paparazzi shot before an exclusive after-hours event. She stands centered with one hand on her hip and the other holding a structured dark brown crocodile-texture top-handle handbag. Style her in a dramatic black sheer evening gown with a structured bra-cup bodice, corset paneling, vertical black boning, sheer mesh sections through the torso and hips, and long sheer black opera gloves. Add large diamond studs, a diamond bracelet, sparkling watch, rings, long glossy red stiletto nails, and glossy jet-black shoulder-length hair in a sleek side-parted bob with curled-under ends.

SETTING: Luxury elevator area with brushed gold elevator doors and panels on the left, cream marble wall, black marble floor, mirrored wall on the right, visible elevator buttons, gold trim, and a realistic mirror reflection showing the back of her hair, body, handbag, and camera flash burst.

CAMERA + LIGHTING: Vertical three-quarter to full-body editorial frame, 35mm lens, f/2.2, ISO 800, 1/160, strong direct flash, warm overhead hotel light, metallic gold reflections, crisp subject focus.

NEGATIVE PROMPT: no extra fingers, missing nails, warped handbag, melted elevator buttons, incorrect mirror reflection, duplicate faces, broken dress boning, fake sheer fabric, plastic skin, overexposed flash, warped marble, or AI artifacts.

8. GREEN MARBLE ELEVATOR MOMENT

Structured strapless black corset dress, green marble elevator, brass trim, gold jewelry, red nails.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, beauty details, body shape, tattoos if visible, and overall identity.

PROMPT: Create an ultra-realistic luxury elevator editorial image of a glamorous woman standing inside a dramatic five-star hotel elevator with deep green marble walls, brass doors, mirrored panels, and gold trim. She stands in a poised full-body fashion stance, one leg crossed in front, looking slightly off-camera left. Style her in a structured black strapless corset dress with sharp sculpted bodice, vertical boning, fitted pencil silhouette, architectural hip shaping, and rich matte-black fabric. Add sheer black opera gloves or sheer detachable sleeves, black crocodile-texture structured top-handle handbag with gold hardware, long glossy red nails, diamond drop earrings, layered diamond necklace with heart pendant, stacked diamond bracelets, rings, and glossy jet-black side-parted bob hair.

SETTING: Deep forest-green marble panels with dramatic white-gold veining, polished brass elevator doors, gold button panel with round numbered buttons, digital floor display reading +46 in red, mirrored corner reflecting her back, heels, handbag, and elevator interior.

CAMERA + LIGHTING: Vertical full-body editorial frame, 35mm lens, f/2.2, ISO 800, 1/160, strong direct flash mixed with warm overhead elevator light, crisp jewelry highlights, realistic marble and brass reflections.

NEGATIVE PROMPT: no extra fingers, missing nails, warped corset, melted handbag, incorrect mirror reflection, duplicate face, broken jewelry, fake marble, warped elevator buttons, bad leg anatomy, distorted heels, overexposed flash, or CGI look.

9. HIGH-RISE GOLD CORSET TURNBACK

Copper high ponytail, ornate gold corset, window-side pose, blurred city lights below.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, freckles, body proportions, tattoos if visible, and expression.

PROMPT: Create an ultra-realistic luxury high-rise nightlife editorial portrait of a glamorous woman standing beside a floor-to-ceiling window at night, overlooking a glowing city street far below. Frame her upper body to mid-torso. Her body angles toward the city while her face turns back toward the camera with calm confidence. Style her in a black strapless corset top with ornate metallic gold embroidery across the bust and bodice, including baroque scrollwork, eye motifs, keyhole details, and raised symbolic embellishments on a black velvet or satin base. Add oversized abstract molten-gold earrings, thin gold necklace, stacked gold bracelets, gold watch, rings, and long metallic gold stiletto nails. Her hair is rich auburn-copper in a dramatic high ponytail with sleek crown, polished sides, and a sculpted swoop bang looping across the forehead.

SETTING: Luxury penthouse or high-rise hotel suite with tall glass windows, dark frames, warm interior light, blush velvet chair in the background, and city traffic lights blurred into cinematic bokeh below.

CAMERA + LIGHTING: Vertical close editorial frame, camera slightly below eye level, 50mm lens, f/1.8, ISO 800, 1/160, direct flash, warm room light, cool city light, sharp face and corset detail, creamy bokeh.

NEGATIVE PROMPT: no distorted hands, extra fingers, missing nails, warped earrings, melted gold embroidery, fake city background, plastic skin, distorted ponytail, messy hairline, incorrect window reflections, duplicate arms, or overexposed flash.

10. GOLD HEART BEAUTY PORTRAIT

Close-up beauty shot, auburn ponytail, black velvet corset, gold anatomical heart ornament, city bokeh.

GENERATOR-READY PROMPT

IDENTITY LOCK: Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, freckles, facial structure, tattoos if visible, and natural beauty details.

PROMPT: Create an ultra-realistic luxury high-rise nightlife beauty portrait of a glamorous woman standing near a floor-to-ceiling window at night with city bokeh behind her. Frame her chest-up, facing the camera directly with calm confidence. Give her warm medium-brown skin, dewy realistic texture, soft freckles, glossy nude-pink lips, sculpted brows, almond eyes, long lashes, and a tiny black heart beauty mark near one cheek. Style her hair rich auburn-copper in a dramatic high ponytail with polished volume, a thick side-swept bang curling across the forehead, and one soft curled piece near the face.

WARDROBE + DETAILS: Black velvet corset top with structured bust cups, thin straps, ornate baroque gold embroidery, and a raised metallic gold anatomical-heart ornament centered between the bust cups. Add oversized sculptural gold earrings with pearl and crystal accents, thin gold necklace, chunky rings, long metallic gold stiletto nails, and one hand placed softly across the upper chest to show nails and jewelry. Fine-line tattoos are visible across the upper chest, collarbone, wrist, and hand.

CAMERA + LIGHTING: Vertical close beauty editorial frame, 85mm portrait lens, f/1.8, ISO 800, 1/160, crisp direct flash, warm interior light, cool city light, tack-sharp eyes, creamy skyline bokeh, luxury after-party color grade.

NEGATIVE PROMPT: no extra fingers, missing nails, warped earrings, melted gold heart ornament, fake embroidery, plastic skin, over-smoothed face, cartoon effect, distorted ponytail, messy hairline, floating jewelry, fake city backdrop, or duplicate hands.

PAGE 12 - MASTER PROMPT BACK PAGE

Use these two engines to generate new content with the same luxury nightlife aesthetic.

#PLY QUICK KEY

identity lock + scene logic + camera + realism

MASTER ENGINE 1

MASTER PROMPT 1 - LUXURY ARRIVAL ENGINE

Use the uploaded adult female subject as the only identity reference. Preserve exact face, skin tone, body shape, facial structure, beauty details, tattoos if visible, and natural proportions. Create an ultra-realistic luxury nightlife arrival image at blue hour: black chauffeured sedan, open rear passenger door, professional doorman, upscale hotel or restaurant entrance, warm gold signage, blurred wealthy guests, city traffic bokeh, glossy pavement, and direct paparazzi flash. Style the subject in structured couture eveningwear with rich texture, metallic hardware, sculptural jewelry, polished hair, luxury clutch, and sharp stilettos. Camera: vertical full-body editorial frame, 35mm lens, f/2.0, ISO 800-1000, 1/160, slight low paparazzi angle. Negative: no extra fingers, warped doors, broken heels, plastic skin, random logos, bad reflections, blurry face, or AI artifacts.

MASTER ENGINE 2

MASTER PROMPT 2 - AFTER-HOURS INTERIOR ENGINE

Use the uploaded adult female subject as the only identity reference. Preserve exact identity, skin texture, features, body proportions, and tattoos if visible. Create an ultra-realistic private after-hours editorial scene inside a penthouse lounge, luxury hotel suite, rooftop restaurant, or marble elevator. Build the image around direct flash, warm ambient lighting, city bokeh or mirrored reflections, couture black or ivory eveningwear, chrome or gold nails, jewelry, structured handbag, champagne glass, velvet seating, marble floors, brass elevator panels, or floor-to-ceiling windows. Camera: 50mm or 85mm lens, f/1.8-f/2.8, ISO 640-1000, 1/125-1/160, shallow depth of field. Negative: no distorted hands, fake fabric, melted jewelry, wrong reflections, over-smoothed skin, warped anatomy, or CGI look.
