PROMPTS 01-03

☆ CORE GLAM STUDIES

01. ORNAMENTAL BABY HAIR PROFILE

Use for: sleek side profiles + finger-wave edges

Hand-drawn mixed-media side-profile glam portrait with dramatic lashes, glossy lips, beauty marks, spiral baby hairs, finger-wave edges, textured paper, graphite smudges, colored-pencil grain, marker warmth, and white gel-pen shine.

02. BLUE PEN NOTEBOOK BEAUTY

Use for: raw graph-paper beauty sketches

Front-facing beauty sketch drawn in blue ballpoint pen on graph paper with sleek hair, baby hairs, oversized lashes, glossy lips, septum ring, tiny beauty marks, and confident hand-drawn linework.

03. CURLY PUFF BEAUTY STUDY

Use for: soft profiles + dramatic hair silhouette

Refined side-profile portrait with a high curly puff, laid edges, curled tendrils, long lashes, glossy lips, soft skin shading, layered pencil loops, smudged graphite depth, and visible paper texture.

Tip: Keep the hairline detailed and the paper texture visible.

PROMPTS 04-06

PORTRAITS + CHARACTER SHEETS

04. CROPPED GLAM FACE PORTRAIT

Use for: centered beauty-editorial faces

Centered glam portrait with sleek cropped hair, one forehead swoop, sharp brows, dramatic lashes, glossy lips, earrings, beauty marks, graphite shading, colored pencil warmth, marker fill, and hand-drawn texture.

05. FASHION DOLL CHARACTER SHEET

Use for: multi-view sketchbook layouts

Three-view brat-doll fashion sheet with one close-up and two fashion poses, voluminous curls, glossy lips, long nails, jewelry, Y2K outfit details, stylized proportions, smudges, marker fills, and visible paper grain.

06. GLAM GIRL GROUP POSTER PAGE

Use for: cast pages + themed poster art

Girl-group sketchbook poster with four glam-doll characters, bold hand-drawn title lettering, varied hair and fashion looks, stars, hearts, doodles, graphite smudges, colored-pencil grain, and marker-page energy.

Tip: Use group pages to build a world, not just a face.

PROMPTS

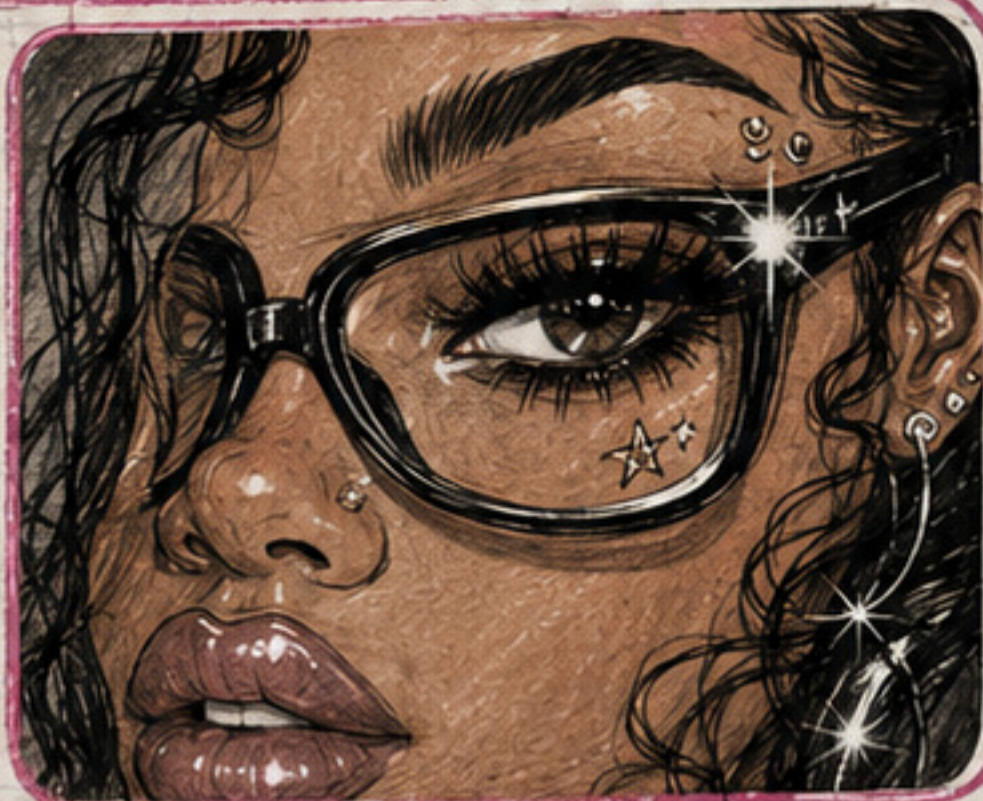

07-09

CROPS + FIGURE STUDIES

07. MACRO GLASSES BEAUTY CROP

♥ Use for: intimate accessory-led close-ups

Extreme close-up with one eye, oversized glasses, glossy lips, strong brow detail, tiny piercings, reflective shine, smudged shadows, pencil grain, and visible paper texture.

08. HALF-FACE SWOOP BANG PORTRAIT

♥ Use for: moody half-face glamour

Dramatic half-face portrait with one visible eye, sleek swooped bang, sculpted baby hairs, long lashes, dark glossy lips, deep graphite shadows, colored-pencil warmth, and elegant hand-drawn texture.

09. TWO-POSE Y2K FASHION FIGURE SHEET

♥ Use for: standing + crouched fashion poses

Sketchbook page with two versions of the same fashion-doll character in low-rise Y2K styling, chunky platform boots, hoops, jewelry, stylized proportions, expressive silhouette, marker fills, smudges, and paper tooth.

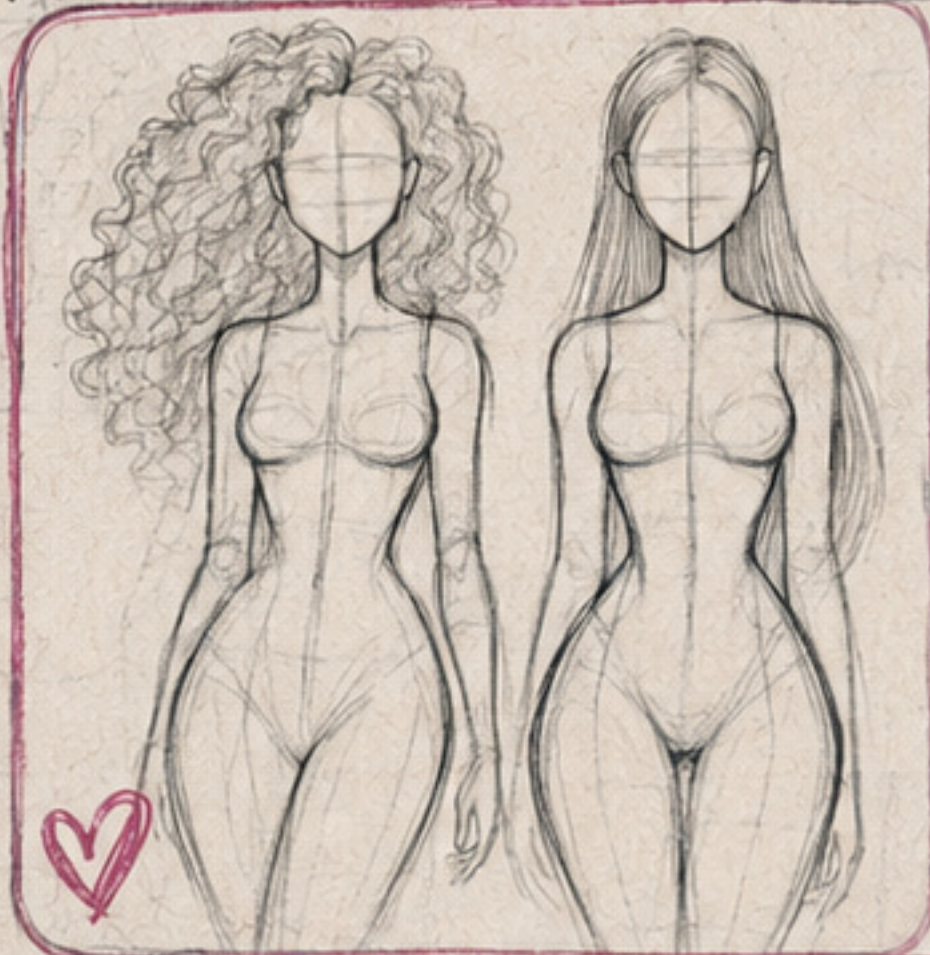

Tip: A strong crop can be as loud as a full-body pose.

PROMPTS 10-12

TEMPLATES + BEAUTY CLOSE-UPS

10.

FACELESS DOLL BASE TEMPLATE

Use for: reusable figure bases

Template page with two feminine fashion-doll bases, one curly-haired and one sleek-haired, minimal facial detail, hourglass silhouettes, soft construction lines, graphite pencil, light colored-pencil warmth, smudges, and sketchbook texture.

11.

GLOSSY GRILLZ BEAUTY CLOSE-UP

Use for: bold glam expressions

Extreme close-up beauty sketch with glossy pink makeup, dramatic lashes, shiny lips, tongue-out attitude, gold grillz, rich brown skin, white gel-pen shine, graphite smudges, colored-pencil grain, and marker softness.

12.

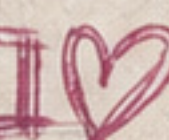

WARM MARKER GLAM PORTRAIT

Use for: hand-rendered beauty faces

Close-up portrait with warm brown skin, heavy lashes, sculpted brows, glossy lips, soft blush, visible paper tooth, layered colored pencils, alcohol-marker fills, contour smudges, and white highlight accents.

Tip: White highlights make lips, eyes, and jewelry pop.

PROMPTS 13-15

BRAT-DOLL + POV ENERGY

13. BRAT-DOLL FACE-PULL CARTOON

Use for: goofy-glam character attitude

Playful full-body brat-doll character pulling her face outward, showing braces, huge lashes, glossy oversized lips, hoop earrings, red streetwear, charm bag, ink outlines, marker fills, graphite smudges, and paper grain.

14. SOFT DOLL-EYE POUT PORTRAIT

Use for: dreamy cute-glam faces

Soft glam-doll portrait with oversized glossy eyes, long lashes, blush-heavy cheeks, tiny beauty marks, straight dark hair, shiny pouty lips, colored pencil, marker blending, paper texture, and white gel-pen highlights.

15. FISHEYE SELFIE SKETCH GIRL

Use for: POV selfie illustrations

Wide-angle overhead selfie illustration with big locs or curls, one arm extended, phone partly covering the face, a hand-drawn REC overlay, casual streetwear, jewelry, smudges, marker fills, pencil grain, and sketchbook perspective.

Tip: POV prompts feel more alive when they capture a moment. ♥

PROMPTS 16-18

POSTERS + DUO STUDIES

16. BEANIE BRAT PORTRAIT + DOODLE FRAME

Use for: reference-based illustrated portraits

Portrait with an oversized beanie pulled over one eye, tongue-out expression, cheek doodle, nose ring, glossy lips, long nails, stars, crowns, hearts, marker fills, colored-pencil shading, and graphite smudges.

17. PINK Y2K DUO POSTER

Use for: themed fashion-doll pairings

Two brat-doll characters in a pink Y2K world with ombré hair, piercings, cropped tops, chain belts, sparkles, hearts, sticker-style icons, white gel-pen highlights, marker texture, and playful page energy.

18. TWO-GIRL STREET DOLL CHARACTER STUDY

Use for: pose contrast + silhouette design

Two fashion-doll characters against a dark background, one with blue braids and one with pink hair, low-rise looks, jewelry, furry boots, confident attitudes, stylized proportions, rough sketchbook edges, smudges, and marker shading.

Tip: Pairings work best when each character has a distinct silhouette.

xoxo! ♡

PROMPTS 19-20

+ BONUS

SKETCHBOOK CHAOS + MASTER STYLE

19. SKETCHBOOK MARKER PAGE + STAR OBSTRUCTION

Use for: decorated sketchbook-page portraits

Photographed sketchbook page with a glam portrait, huge lashes, glossy lips, piercings, a bold yellow star over one eye, cherries, doodles, scribbled notes, visible markers, paper grain, smudges, marker bleed, and collectible page energy.

20. NEON HAIR GRAPHIC MARKER PORTRAIT

Use for: graphic high-contrast character art

Bold marker-and-ink portrait with deep brown skin, neon lime hair, thick black outlines, glossy dark lips, flower earrings, a punchy pink background, colored-pencil grain, ink bleeds, and handmade texture.

BONUS MASTER PROMPT

Use for: the full style family

Smudged Brat Doll Sketch™ combines graphite smudges, colored-pencil grain, marker fills, ink outlines, white gel-pen highlights, baby hairs, glossy beauty features, brat-doll attitude, and visible sketchbook-page imperfection.

Tip: The full style works when glamour and handmade mess stay balanced.

SUB-STYLES + RULES

HOW TO USE THE SYSTEM

1. GLAM MODE

Use when the face is the product.

Best for beauty close-ups, lashes, lips, glossy skin, grillz, piercings, baby hairs, and strong face crops.

2. BRAT-DOLL MODE

Use when the outfit and pose are the product.

Best for full-body figures, Y2K fashion, attitude poses, duo characters, and playful cartoon distortion.

3. SKETCHBOOK PAGE MODE

Use when the whole page is the product.

Best for doodles, stickers, notes, icons, markers, multiple studies, and collectible notebook-page layouts.

UNIVERSAL NEGATIVE PROMPT

- ✗ Avoid photorealistic photos
- ✗ Avoid clean vector art
- ✗ Avoid polished airbrushed rendering
- ✗ Avoid no-texture pages
- ✗ Avoid copied logos / characters
- ✗ Avoid weak lashes, flat lips, and lifeless poses

Best formula: glam + attitude + details + texture.
