PROMPT

Create a flash-lit fashion portrait outside a late-night pizza shop. An adult Black woman with warm brown skin and a confident expression crouches on a wet sidewalk while holding a white paper plate with an oversized cheese pizza slice. She has a hot pink high ponytail with curled ends, silver hair clips, black glasses, glossy nude lips, long red acrylic nails, and visible hand tattoos. Dress her in a white Prada Sport jacket with black piping and red side panels over a fitted white top, black glossy mini shorts, and transparent lace-up mule stilettos with red trim and red laces. Place a red Prada nylon handbag near her bent knees. Frame her in a full-body vertical composition from a slightly low eye level angle. Behind her, show a storefront window with a giant glowing red neon heart, a red neon "PIZZA" sign, a blue "OPEN" sign, fluorescent interior lighting, framed wall art, and a few blurry pedestrians at the right edge. Keep the pavement shiny with reflections. Add the caption "PRADA SPORT AFTER MIDNIGHT" at the bottom of the image scene.
