

# **RICH OFF PROMPTS**

## **Day 18: Audit Then Amplify (Simplified Version)**

Yesterday you checked your foundation.  
Today you build on it.

Day 18 focuses on five simple upgrades:

Better visibility

One smart collaboration

Cleaner client experience

One repeatable framework

A simple content structure

### **1. Better Visibility**

Before posting, ask:

Who is this for?

What problem does it solve?

What is the next step?

Goal this week:

3 strong posts

5–10 conversations

1 clear offer mention

### **2. One Smart Collaboration**

Find someone who serves the same audience but solves a different problem.

Start with:

A joint live

A blog swap

A bundle offer

Goal in 30 days:

Secure one aligned collaboration.

### **3. Cleaner Client Experience**

After someone buys, what happens next?

Make it clear and smooth.

Upgrade one area:

Clearer onboarding

Quick win step

Follow-up email

Clear next offer

#### 4. Name One Framework

Create a name for your process and repeat it consistently.

Examples:

Revenue Reset

Audit Then Amplify Method

4-Part Authority Plan

#### 5. Simple Content Structure

Rotate these four types:

Educational

Relatable

Proof or demonstration

Conversion

Post 4 times this week using this structure.

Today's Simple Prompt:

Based on where I am right now, tell me which one area I should focus on first: visibility, partnership, client experience, framework building, or content structure. Then give me three simple steps to improve it this week.

Reset Prompt for Later:

My growth has slowed. Identify which of the five areas I likely neglected and give me a simple 7-day correction plan.

Realistic Weekly Goals:

4 structured posts

5–10 conversations

1 experience improvement

1 collaboration outreach

Audit first.

Amplify second.
