Attention: Legislative Associate
Commissioner

Dear Sir:

Inasmuch as Mooretown Rancheria has been the subject of correspondence between you and Congressman Engle and since there is the possibility that the rancheria may be added to the Rancheria Bill, the following information is furnished.

Mooretown Rancheria is located about one and one-half miles from the town of Feather Falls in Butte County, California. It consists of two eighty acre tracts, one-half mile apart. The eastern tract was purchased in 1915 from the Central Pacific Railway. It is presently occupied by Mr. Fred Taylor who, according to the enclosed statement, has lived continuously on the rancheria since prior to its purchase by the Federal Government. The second house on this tract belongs to Mr. Taylor's step-daughter, Mrs. Katy Archuleta, who presently lives in the neighboring town of Oroville but whose non-Indian husband, and occasionally some of their children, continue to occupy the house.

1. The western tract, which was set aside by Executive Order of June 6, 1894, has been occupied for the past eighteen years by 2. Mr. and Mrs. Robert Jackson. Mr. Engle's letter to you of March 18 1958, refers to a letter of February 4, 1958, written on behalf of Mr. Jackson by a son-in-law, Herman Steidel. Enclosed are copies of a letter written in 1954 and on January 9, 1958, also in Mr. Jackson's behalf.

Both portions of the rancheria are presently served with adequate roads. Both the Taylor and the Jackson homes have electricity and obtain domestic water from good springs which have been developed and are pumped to the houses. 3. Both residents have rights to irrigation water from a ditch crossing the rancheria. Both Mr. and Mrs. Jackson and Mr. Taylor receive Old Age Security payments 4.

¹ from the Butte County Welfare Department. The exterior boundaries of the rancheria were surveyed by this office in March of 1954. The land is used primarily for home sites and is not arable except for a small garden plot adjoining each house. Should title to the rancheria be transferred to the resident occupants, no particular problems or difficulties are foreseen except the possible need for internal surveys. A work sheet such as was furnished for other rancherias in the group is enclosed.

Sincerely yours,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the lands, including minerals, water rights, and improvements located on the lands, and other assets of the following rancherias and reservations in the State of California shall be distributed in accordance with the provisions of this Act: Alexander Valley, Auburn, Big Sandy, Big Valley, Blue Lake, Buena Vista, Cache Creek, Chicken Ranch, Chico, Cloverdale, Cold Springs, Elk Valley, Guidiville, Graton, Greenville, Hopland, Indian Ranch, Lytton, Mark West, Middletown, Montgomery Creek, **Mooretown**, Nevada City, North Fork, Paskenta, Picayune, Pinoleville, Potter Valley, Quartz Valley, Redding, Redwood Valley, Robinson, Rohnerville, Ruffeys, Scotts Valley, Smith River, Strawberry Valley, Table Bluff, Table Mountain, Upper Lake, Wilton.

Indian rancher-
ias.
Land distribu-
tion.

SEC. 2. (a) The Indians who hold formal or informal assignments on each reservation or rancheria, or the Indians of such reservation or rancheria, or the Secretary of the Interior after consultation with such Indians, shall prepare a plan for distributing to individual Indians the assets of the reservation or rancheria, including the assigned and the unassigned lands, or for selling such assets and distributing the proceeds of sale, or for conveying such assets to a corporation or other legal entity organized or designated by the group, or for conveying such assets to the group as tenants in common. The Secretary shall provide such assistance to the Indians as is necessary to organize a corporation or other legal entity for the purposes of this Act.

Distribution of
assets.

(b) General notice shall be given of the contents of a plan prepared pursuant to subsection (a) of this section and approved by the Secretary, and any Indian who feels that he is unfairly treated in the proposed distribution of the property shall be given an opportunity to present his views and arguments for the consideration of the Secretary. After such consideration, the plan or a revision thereof shall be submitted for the approval of the adult Indians who will participate in the distribution of the property, and if the plan is approved by a majority of such Indians who vote in a referendum called for that purpose by the Secretary the plan shall be carried out. It is the intention of Congress that such plan shall be completed not more than three years after it is approved.

Referendum.

(c) Any grantee under the provisions of this section shall receive an unrestricted title to the property conveyed, and the conveyance shall be recorded in the appropriate county office.

Record of con-
veyance.

(d) No property distributed under the provisions of this Act shall at the time of distribution be subject to any Federal or State income tax. Following any distribution of property made under the provisions of this Act, such property and any income derived therefrom by the distributee shall be subject to the same taxes, State and Federal, as in the case of non-Indians: *Provided*, That for the purpose of capital gains or losses the base value of the property shall be the value of the property when distributed to the individual, corporation, or other legal entity.

Taxation.

SEC. 3. Before making the conveyances authorized by this Act on any rancheria or reservation, the Secretary of the Interior is directed:

(a) To cause surveys to be made of the exterior or interior boundaries of the lands to the extent that such surveys are necessary or

appropriate for the conveyance of marketable and recordable titles to the lands.

Improvement of
roads.

(b) To complete any construction or improvement required to bring Indian Bureau roads serving the rancherias or reservations up to adequate standards comparable to standards for similar roads of the State or subdivision thereof. The Secretary is authorized to contract with the State of California or political subdivisions thereof for the construction or improvement of such roads and to expend under such contracts moneys appropriated by Congress for the Indian road system. When such roads are transferred to the State or local government the Secretary is authorized to convey rights-of-way for such roads, including any improvements thereon.

Water systems.

(c) to install or rehabilitate such irrigation or domestic water systems as he and the Indians affected agree, within a reasonable time, should be completed by the United States.

(d) To cancel all reimbursable indebtedness owing to the United States on account of unpaid construction, operation, and maintenance charges for water facilities on the reservation or rancheria.

Land exchanges.

(e) To exchange any lands within the rancheria or reservation that are held by the United States for the use of Indians which the Secretary and the Indians affected agree should be exchanged before the termination of the Federal trust for non-Indian lands and improvements of approximately equal value.

Water rights.

SEC. 4. Nothing in this Act shall abrogate any water right that exists by virtue of the laws of the United States. To the extent that the laws of the State of California are not now applicable to any water right appurtenant to any lands involved herein they shall continue to be inapplicable while the water right is in Indian ownership for a period not to exceed fifteen years after the conveyance pursuant to this Act of an unrestricted title thereto, and thereafter the applicability of such laws shall be without prejudice to the priority of any such right not theretofore based upon State law. During the time such State law is not applicable the Attorney General shall represent the Indian owner in all legal proceedings, including proceedings before administrative bodies, involving such water right, and in any necessary affirmative action to prevent adverse appropriation of water which would encroach upon the Indian water right.

Conveyances.

SEC. 5. (a) The Secretary of the Interior is authorized to convey without consideration to Indians who receive conveyances of land pursuant to this Act, or to a corporation or other legal entity organized by such Indians, or to a public or nonprofit body, any federally owned property on the reservations or rancherias subject to this Act that is not needed for the administration of Indian affairs in California.

(b) For the purposes of this Act, the assets of the Upper Lake Rancheria and the Robinson Rancheria shall include the one-hundred-and-sixty-acre tract set aside as a wood reserve for the Upper Lake Indians by secretarial order dated February 15, 1907.

(c) The Secretary of the Interior is authorized to sell the five hundred and sixty acres of land, more or less, which were withdrawn from entry, sale, or other disposition, and set aside for the Indians of Indian Ranch, Inyo County, California, by the Act of March 3, 1928 (45 Stat. 162), and to distribute the proceeds of sale among the heirs of George Hanson.

Disbursements.

SEC. 6. The Secretary of the Interior shall disburse to the Indians of the rancherias and reservations that are subject to this Act all funds of such Indians that are in the custody of the United States.

Claims.

SEC. 7. Nothing in this Act shall affect any claim filed before the Indian Claims Commission, or the right, if any, of the Indians sub-

ject to this Act to share in any judgment recovered against the United States on behalf of the Indians of California.

SEC. 8. Before conveying or distributing property pursuant to this Act, the Secretary of the Interior shall protect the rights of individual Indians who are minors, non compos mentis, or in the opinion of the Secretary in need of assistance in conducting their affairs, by causing the appointment of guardians for such Indians in courts of competent jurisdiction, or by such other means as he may deem adequate, without application from such Indians, including but not limited to the creation of a trust for such Indians' property with a trustee selected by the Secretary, or the purchase by the Secretary of annuities for such Indians.

Appointment of guardians.

SEC. 9. Prior to the termination of the Federal trust relationship in accordance with the provisions of this Act, the Secretary of the Interior is authorized to undertake, within the limits of available appropriations, a special program of education and training designed to help the Indians to earn a livelihood, to conduct their own affairs, and to assume their responsibilities as citizens without special services because of their status as Indians. Such program may include language training, orientation in non-Indian community customs and living standards, vocational training and related subjects, transportation to the place of training or instruction, and subsistence during the course of training or instruction. For the purposes of such program, the Secretary is authorized to enter into contracts or agreements with any Federal, State, or local governmental agency, corporation, association, or person. Nothing in this section shall preclude any Federal agency from undertaking any other program for the education and training of Indians with funds appropriated to it.

Educational training.

SEC. 10. (a) The plan for the distribution of the assets of a rancharia or reservation, when approved by the Secretary and by the Indians in a referendum vote as provided in subsection 2 (b) of this Act, shall be final, and the distribution of assets pursuant to such plan shall not be the basis for any claim against the United States by an Indian who receives or is denied a part of the assets distributed.

Finality of plan.

(b) After the assets of a rancharia or reservation have been distributed pursuant to this Act, the Indians who receive any part of such assets, and the dependent members of their immediate families, shall not be entitled to any of the services performed by the United States for Indians because of their status as Indians, all statutes of the United States which affect Indians because of their status as Indians shall be inapplicable to them, and the laws of the several States shall apply to them in the same manner as they apply to other citizens or persons within their jurisdiction. Nothing in this Act, however, shall affect the status of such persons as citizens of the United States.

Laws applicable.

SEC. 11. The constitution and corporate charter adopted pursuant to the Act of June 18, 1934 (48 Stat. 984), as amended, by any rancharia or reservation subject to this Act shall be revoked by the Secretary of the Interior when a plan is approved by a majority of the adult Indians thereof pursuant to subsection 2 (b) of this Act.

Dear Sirs:

In reference to Public Law 85-671, ² ¹ we, the undersigned, ³ summarize ⁴ our reasons for asking for a clear fee simple title ⁵ to the land ⁶ we are occupying.

I, Robert Jackson, ⁸ and my wife ⁷ Ina Jackson, have lived here on Mooretown Rancheria as sole residents for nineteen years.

At the time ⁹ we took up ¹⁰ our residence here, there was only a small cabin in run-down condition on the place. ¹¹ We made necessary repairs so that ¹² we could live in it. There were also a few fruit trees in neglected condition that required much work to make them produce again.

As I was still able to work at that time, ¹³ we saved and started to make improvements. ¹⁴ We started a new house which ¹⁵ we completed over the years. ¹⁶ We also planted new fruit trees and cleared a large garden area and fenced it in.

During ¹⁹¹⁸ our years here ¹⁷ we also had electricity brought in to the place and had ²⁰ our house wired. As there were interruptions in our water supply, ²¹ we had to build a small reservoir and install a pressure system. This supplies water to ²² our house.

Two years ago we added a bathroom to our house and had butane gas installed which we use for cooking and the water heater.

All this has been accomplished through our own means over the years. We have endeavored to make a home for ourselves according to the best of our means and ability, without any help.

As early as 1948, when we first contacted the Bureau of Indian Affairs in reference to securing a trust patent, the former area director, Walter Wohlke, gave us the right to make improvements, and assured us they would be safe.

Therefore it has been our hope for years to one day have clear title to the land we occupy, that we could rest assured we own our home and to protect our investments and labor we have expended here.

Dear Mrs. Archuleta:

In your letter of appeal which reached our office on March 23 you and the other signers are claiming all tribal rights on Mooretown rancheria. We assume you are talking about the N/2 of NE/4 Sec. 23, T. 20 N., R. 6E, M.D.M. which is the eastern most of the two eighty-acre tracts making up the rancheria. Our records show that your stepfather and his family have lived on this tract since before it was purchased by the government in 1915.

Our records also show that ¹Mr. Robert Jackson and his wife Ina Jackson have lived on the other eighty-acre tract, ²described as the N/2 of NE/4 Sec. 22, T. 20 N., R. 6 E., M. ³A. This parcel, although it is half a mile from the eastern tract, is considered part of the Mooretown rancheria.

The Rancheria Act, which makes possible the division of the lands on the Mooretown rancheria among the Indians who have an interest on this land, states that those Indians must make a plan setting forth how they want the land divided. If the Indians at Mooretown feel they need help in writing such a plan, we are sure the Area Director at Sacramento will give them this assistance as he has been delegated the authority to do this.

Until we receive your plan in this office we cannot comment on its merits or accept any appeals. We are sending Mr. Leonard M. Hill, the Area Director, a copy of your letter of appeal for his information.

Sincerely yours,

(Sgd) HOMER B. JENKINS

Dear Mr. Jackson:

We know that ²you and your wife ¹are concerned over the distribution of the assets of the Mooretown rancheria. Let us reassure you that you will not lose any of the investments you have made on this land. There are other Indians who are claiming certain portions of one of the two eighty-acre plots which make up the rancheria, but we do not think their claims involve any of the interests you have on this property.

All of the Indians who have any interest on the rancheria must make a plan for the distribution of the lands. This plan must be approved by the Secretary of the Interior and accepted by everyone who will receive a parcel of the land. If the Indians need any help in making the plan, our Area Director in Sacramento has been given the authority to assist them. We must have the distribution plan sent to us for study before we can determine whether the proposed distribution of the land is equitable.

We are sending Mr. Leonard M. Hill, the Area Director, a copy of your letter of March 15. He will assist you and the other Indians of the rancheria in making your plan if you feel you need his help. ³We want to assure you and your wife again that your interests at Mooretown will be protected.

Sincerely yours,

Commissioner, Bureau of Indian Affairs

Attention: Tribal Programs

Dear Sir:

Since General Notice of the distribution plan for Mooretown Rancheria was given August 3, 1959, the thirty-day period of of the notice expired September 2, 1959. The enclosed letter from Mike and William McCauley, received on September 3, is being forwarded in the event it is to be considered as having been received within the prescribed time limit.

The objection of Mike and William McCauley seems to be confined to the proposed distribution of parcel No. 1 in the Mooretown Rancheria plan. Their mother, Mrs. Ellen McCauley, appears on the 1928 California Indian Roll. Her birth date is given as December 16, 1859. She is shown to be a widow, with post office address Feather Falls, Butte County. Under the remarks column is the entry "Lives on lands purchased for Indians by the United States." Her son, William McCauley, d.o.b. (b)(6) 1902, also appears on the 1928 Roll, but there is no record of a Mike McCauley.

There are in this office no records of approved assignments on this portion of the Mooretown Rancheria. Enclosed is a copy of a letter from Mr. Robert Jackson, dated March 10, 1952, in which he states that at that time he had been living on the rancheria for thirteen years and that in a visit to this office in 1949 he was given the right to make improvements. It will be noted that this assertion is denied by Mr. Ring, former Assistant Area Director. Also enclosed is a letter from Mr. Jackson, dated September 15, 1958, in which he describes the improvements which he and his wife have made on the rancheria and refers to the fact that right to make these improvements was given by the former State Director, Walter Woehlke.

During a visit to this office on August 12, 1959, Mr. J. Golden Land, postmaster at Feather Falls, California, mentioned that the McCauley brothers claimed an interest in the Mooretown Rancheria based on residence some years in the past.

Is enclosed is
a letter from Mr. Jackson, dated September 15, 1958, in which he
describes the improvements which he and his wife have made on the
rancheria and refers to the fact that right to make these improvements
was given by the former State Director, Walter Woehlke.

1 From the few facts available it appears that Robert 2
Jackson and his wife have resided continuously on tract No. 1
of the Mooretown Rancheria since about 1939 or 1940 and that
they, with their children, have been the only persons to reside
on and use the rancheria during that period. No doubt members
of the McCauley family lived on the rancheria at an early time,
but the conditions of their occupancy and the period of residence
are not known.

In view of the scarcity of information regarding use
and occupancy of the rancheria by the McCauleys and the long
period of time since this claimed use and occupancy took place
(1942 by their own admission), we recommend, if it is considered
as having been received in time, that the objection of Mike and
William McCauley be denied.

Sincerely yours,

ACTING Area Director

MOORETOWN - Background data on the Mooretown Rancheria -
Butte County

Mooretown Rancheria is located about one and one-half miles from the town of Feather Falls in Butte County, California. It consists of two eighty-acre tracts, one-half mile apart. The eastern tract (N/2 of NE/4, Sec. 23, T. 20 N., R. 6E., M.D.M.) was purchased on October 8, 1915 for \$700 from the Central Pacific Railway. It is presently occupied by Mr. Fred Taylor and family who have lived continuously on the rancheria since prior to its purchase by the Federal Government. The second house on this tract belongs to Mr. Taylor's step-daughter, Mrs. Katy Archuleta, who presently lives in the neighboring town of Oroville, but whose non-Indian husband, and occasionally some of their children, continue to occupy the house.

3
The western tract (N/2 of NE/4, Sec. 22, T 20 N., R. 6E., M.D.M.) which was set aside by Executive Order of June 6, 1894, has been occupied for the past eighteen years by Mr. and Mrs. Robert Jackson.

Both portions of the rancheria are presently served with adequate roads. Both the Taylor and the Jackson homes have electricity and obtain domestic water from good springs which have been developed and are pumped to the houses. Both residents have rights to irrigation water from a ditch crossing the rancheria.

4
Both Mr. and Mrs. Jackson and Mr. Taylor receive old age security payments from the Butte County Welfare Department.

The exterior boundaries of the rancheria were surveyed by the Government in March of 1954. There are no liens against this land because of any improvements made by the Government.

The land is used primarily for homesites and is not arable except for a small plot adjoining each house. Should title to the rancheria be transferred to the resident occupants, no particular problem or difficulties are foreseen except the possible need

A PLAN FOR THE DISTRIBUTION OF THE ASSETS OF THE
MOORETOWN RANCHERIA, ACCORDING TO THE PROVISIONS OF
PUBLIC LAW 85-671, APPROVED AUGUST 18, 1958

The Mooretown Rancheria is comprised of 160 acres located in Butte County, California. The two parcels, one-half mile apart, are described as follows:

Parcel No. 1. N $\frac{1}{2}$ of NE $\frac{1}{4}$, Section 22, T20N., R6E., M.D.B.& M. This parcel was set aside by Secretarial Order June 12, 1894.

Parcel No. 2. N $\frac{1}{2}$ NE $\frac{1}{4}$, Section 23, T20N., R6E., M.D.B.&M., was purchased in 1915 under the 1906-1908 Acts.

Both parcels were obtained for the landless Indians of California.

Parcel No. 1 has been the home of Robert Jackson and his family for many years, and they have been generally recognized as the only people holding formal or informal assignments there. Their children are grown and have not lived on the parcel for several years.

¹ Robert and Ina Jackson are the only Indians now living on this parcel.

Parcel No. 2 has been the home of Fred Taylor and his family for many years, and they have been generally recognized as the only people holding formal or informal assignments there. His family is grown and is not dependent upon him. He has a step-daughter, Katie Archuleta, who has built a house on the parcel and makes her home

there. Mr. Taylor and his children would like for her to have Lot No. 1 of parcel 2, twenty acres west of the railroad in the northwest corner of the eighty acres, as her share of the parcel.

A timber survey made by the Bureau of Indian Affairs in December, 1958 shows an approximate volume of 1,774,215 feet of merchantable timber. Parcel No. 1 has approximately 486,936 feet and parcel No. 2 has approximately 1,287,279 feet. Both parcels are rocky and relatively steep and used for homesites.

Land parcel No. 1 has a live spring 200 yards east of the house site that furnishes an ample supply of domestic water. A pressure pump was installed by the distributee. Irrigation water is available from the ditch that crosses the property at the northwest corner above the road.

Parcel No. 2 has an adequate supply of domestic water available from a pump-operated well and from a small stream that flows through the eastern half of this parcel. No additional water development is necessary. A railroad track crosses the property and a good sawmill adjoins the property to the north.

Parcel No. 1 has a paved road crossing the northwest corner and a graveled road crosses the parcel leading from the paved road. Parcel No. 2 has a graveled road crossing about the center in a north and south direction. All families have adequate ingress and egress and no further road development is necessary.

The exterior boundaries have been surveyed and corners established. Interior surveys will be required for parcel No. 2.

There are some funds on deposit to the credit of the rancheria in the United States Treasury. They do not have a constitution or charter and no Government buildings are involved. There is no lien against the property for unpaid operation and maintenance water charges.

The Indians listed herein are recognized as the only Indians of the rancheria who hold formal or informal assignments and are entitled to share in the distribution of the property. No minors will receive deeds in the distribution of the real estate. All distributees are fully advised of the opportunity to participate in the vocational training program afforded by the Bureau of Indian Affairs and none has indicated any interest.

The Indians of the Mooretown Rancheria desire termination under the provisions of Public Law 85-671 and request that the Bureau of Indian Affairs undertake the following actions.

1. Furnish each distributee the approximate value of his or her lot at the time of conveyance.
2. Make such surveys as are necessary to convey a merchantable and recordable title to each lot.
3. Divide the funds that are on deposit in the United States Treasury to the credit of the Mooretown Rancheria as follows:

3/8	Fred Taylor
1/8	Katie Archuleta
1/2	Robert Jackson

4. Convey to individual Indians, according to this plan and the maps attached hereto and made a part of this plan, unrestricted title to the lands constituting the Mooretown Rancheria. Title will be subject to existing rights-of-way, easements or leases and will include such mineral and water rights as are now vested in the United States.

After the assets of the Mooretown Rancheria have been distributed pursuant to this plan and Public Law 85-671, the Indians who receive any part of such assets and the dependent members of their immediate families shall thereafter not be entitled to any of the services performed by the United States for these persons because of their status as Indians. All statutes of the United States which affect Indians because of their status as Indians shall not apply to them and the laws of the several states shall apply to them in the same manner as they apply to other citizens or persons within their jurisdiction. Nothing in this plan, however, shall affect the status of such persons as citizens of the United States.

The Area Director will cause the appointment of such trustees, guardians or conservators as he may deem adequate to protect the interests of individual Indians participating in the distribution of assets according to this plan, as provided in Section 8 of Public Law 85-671.
