1. In one paragraph, summarize the description of the project.

2. Why do you consider this project to be an innovative and/or creative approach to teaching?

a) What are the major objectives of the project?

b) What teaching methods will be used to implement this project?

c) What method will be used to determine whether or not your objectives have been achieved and your project is successful?

3. Give a time schedule for implementation.

4. Approximately how many students will be affected by this project, both directly and indirectly?

5. What grade level(s) will be affected by this project? What is the potential for expansion of this project to other grade levels and/or schools?

6. What, if any additional materials, etc. will be required from the District to implement this project?

7. Can this grant request be partially funded by other sources?

8. Detail your budget. Include specific information such as what material and equipment will be needed sources of supply cost (including transportation, honorariums, shipping/handling, etc.)
