

3. Water pressure regulators are recommended.

Sewer

1. Sewer hoses must not leak.
2. Sewer hoses must utilize a tight gasket connection at the site drainpipe.
3. No dumping of grey water on the ground.

Electric

1. No sharing, borrowing, or using electricity from another RV site.
2. All electrical connections after the pedestal are the sole responsibility of the guest.
3. Unexpired electrical surge protectors and voltage regulators are recommended.

Trash & Hazardous Materials

1. No trash or trash bags will be allowed outside the RV.
2. Trash must be placed in the RV Park dumpster.
3. No hazardous materials may be kept at RV sites.
4. Do not throw trash on the ground (wrappers, cigarette butts, etc.)

RV & RV Appearance

1. RV's older than Ten (10) years must get prior approval. Please text 2 current pictures of your RV including a roof picture to (940) 277-9711 before arrival.
2. All RV's must be in clean, good working order with no leaks or damage.
3. Homemade RV's and converted cargo trailers are not allowed.
4. No homemade RV skirting (foamboard, wood, metal, etc.). RV skirting that is specifically designed and manufactured by a third-party company for the RV and snapped on to the sides of the RV is permitted. Prior approval from QVRV park management is required for all skirting.
5. RV's must maintain functional hitches, wheels and tires at all times inside the park. These items may not be removed or disabled at any time or for any reason. Failure to comply will result in the reservation being canceled.

RV Site Appearance

1. Keep your site clean and tidy. The RV Park Management reserves the right to require guests to clean up their site for any reason.
2. No clothes lines allowed outside.
3. No child toys, bikes, pet toys, yard art or other items may be left on the grass.
4. No rugs, mats, tarps or carpets are allowed on the grass.
