

**Nipissing Ridge Tennis Club**  
**Safety, Accident, Accident Response Policy**

**1. General**

NRTC is committed to ensuring the health and safety of its Members, visitors and guests while on the Club's courts and expects all Members to share this commitment. All our Members have a responsibility to inform the Club in the case of accidents occurring on the tennis courts during NRTC operating hours or while involved in NRTC matters.

**2. Safety**

Members, guests and visitors are reminded that they have a responsibility for their own safety and a duty of care to others while using the Club's facilities. Do not use the courts if they are slippery. Take particular care in cold weather when ice may form on the courts, court surrounds and access paving.

Use proper footwear that is designed for use on a tennis court.

If you note a hazard or problem with the courts please report this to NRTC through the Club general mailbox.

If a hazard could cause an accident or injury do not use the facilities until the hazard has been removed.

**3. First Aid/Accident Response**

A First Aid box will be available at all Club-supported major functions. In addition, a defibrillator is available at the Courts during all Court hours.

In the event of an accident or injury, please take appropriate action having regard to the nature of the injury. If the matter giving concern appears to be more serious in nature, such as a concussion, or is an emergency, then please contact the appropriate emergency service or services immediately by calling 911. The tennis courts address is 205 Blueski George Cres., Town of the Blue Mountains. The address is also posted on a Town of the Blue Mountains sign at the tennis courts.

**4. Incident/Accident Reporting**

NRTC's Tennis Insurers require that contemporary records are kept of any incident that may lead to a claim. In addition, NRTC would appreciate the advice of members and those using the courts of any incident, hazard or damage that may require remedial action by the Club or the Town of the Blue Mountains. As a result, all accidents, injuries, hazards and incidents of damage to the courts, or fences or damage to or theft of Club equipment or personal possessions should be reported to NRTC by sending an email to the Club general mailbox; in addition, you may choose to report any of these matters to any NRTC Director.
