

AIM HIGH

Helping People AIM Higher Than Before!!

Financial Literacy, Parenting Classes, Relationship Classes, DMV Services, Anger management, Drug and Alcohol, Housing, Case Management and Mental Health Services.

Our staff are system impacted and have been in similar situations as our client may be in. Through mentorship and community we help AIM High

We believe family significantly reduces social isolation. They can help improve mental and physical health, child welfare, and the social emotional wellbeing of the entire family unit.

WHY CHOOSE US?

We've helped hundreds of Men reacclimate back into society providing resources to help find the path that best suits them. We believe not everyone is the same so we find where you are in life and go from there.

OUR STORY

Having served the community for over 20 years our CEO felt the best way to help system-impacted people is to be the change she wanted to see. She opened her first housing program in 2017, 6 years later she now has 7 homes and plenty of success stories.

OUR VISION

reinvest in safe and healthy communities, create more living wage jobs, permanent housing and economic self-sufficiency for returning citizens, health, employment, housing, skill development, mentorship, and social networks

OUR MISSION

addressing the educational, employment, parole and probation, veteran benefits, child support, healthcare, housing, and family relationship needs of returning citizens re-entering society by providing supportive connections to needed services in the community.
