To Whom It May Concern.

The Jewish Men's Outreach Group of the Desert is a philanthropic group that services the entire Coachella Valley.

We contribute, sponsor, and support many charitable organizations locally including Martha's Village, The Boys and Girls Club of the Desert, Van Buren Elementary School, College of the Desert, FIND, a food distribution center, Free Medical Clinics, the Galilee House, Loma Linda Children's Hospital plus many others too numerous to mention.

You can help us by contributing a gift certificate, gift card or any other item that we can raffle off at our many dinners and functions throughout the year.

We willingly take on the added responsibilities but ask friends to share by contributing to our organization which would benefit so many people in need.

Thank you so much,

John Gonnello
