EXECUTIVE SUMMARY

EA Shipbuilding LLC provides high-quality welding, fabrication, and ship repair services tailored for commercial and government marine sectors. Our skilled team delivers reliable, efficient solutions that enhance ship readiness and extend vessel life both in dry dock and at sea.

We are proud members of the American Welding Society (AWS) and the Virginia Ship Repair Association (VSRA). Our welding procedures are approved by MARMC (Mid-Atlantic Regional Maintenance Center) and ABS (American Bureau of Shipping), ensuring industry-compliant quality and performance.
