

Van Bros Trading Co Ltd.

Internal Sustainable Purchasing Statement

PURPOSE

01 /

Van Bros Trading Co Ltd. is committed to promoting sustainable business practices. As part of this commitment, our internal purchasing processes are designed to integrate sustainability considerations in everyday operations.

02

Environmentally Friendly Office Supplies

We prioritize the use of environmentally friendly products, such as recycled paper and FSC-certified stationery, whenever available.

3. Energy-Efficient Equipment

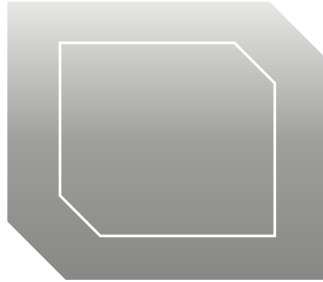

When procuring office equipment or supplies, preference is given to products that are energy-efficient, durable and environmentally responsible.

4. Digital Solutions

We actively reduce paper usage and environmental impact by adopting digital tools, cloud-based data hosting services, and electronic communication in place of traditional paper processes.

ECO
FRIENDLY

5. Continuous Improvement

Van Bros will continue to review and improve its internal purchasing practices to further reduce environmental impact and support sustainability across the supply chain.
