A couple of housekeeping notes:

1. Please remember, no placing hands on or making signs when giving communion. Simply say "God Bless You" when someone comes forward for a blessing.

2. I am still waiting on new code of conduct forms from several of you. I need these ASAP. If you are unsure if you need one, please let me know!

3. If you take communion to the home bound, you also need to complete Safe Environment Training and be finger printed. If you were previously finger printed for the church just let me know when.

God Bless! Brian
