Appendix B – Pay Equity

**MEMORANDUM OF UNDERSTANDING**

**BETWEEN:**

**THE GREATER TORONTO AIRPORTS AUTHORITY**

**(Hereinafter referred to as the “Employer”)**

**And**

**UNIFOR**

**(Hereinafter referred to as the “Union”)**

The parties hereto agree that in order to address the potential Pay Equity issue raised through the collective bargaining process, this Memorandum of Understanding details how the Employer will address the outcome of potential Pay Equity impact if agreed to (or legislated) between Treasury Board and the Union.

Should there be a Pay Equity adjustment for CR, SCY and/or LS classifications, the Employer will recognize, by way of a one-time lump sum payment, the impact of adjustments made to these classifications subsequent to December 2, 1996 less the total annual costs for each respective year associated with collective agreement increases that have taken place for each of these years and salary range adjustments.

Adjustments will be made to any permanent incumbent Clerical (CR) or Secretarial (SCY) or Library Science (LS) classification who is employed with the Employer upon the effective date of the Treasury Board decision. Further, this will apply to any employee who formerly, during this period, occupied a permanent position of a CR, SCY or LS classification.

It is agreed that the Vice President, Human Resources and a representative of the Union will meet to identify and determine the periods of service associated with these potential payments.

Note: This is included for historical purposes only and makes reference to GTAA employees (former Transport Canada personnel) in the aforementioned classification groups which have been replaced by Band levels in the new Job Evaluation Plan.

### Delete and Amend to Read

Article 10 – **Workplace Conflict**, No Discrimination, Harassment, Bullying, **Violence** or Retaliation

10:01 The Employer and the Union agree that no discrimination, harassment **or sexual harassment**, bullying ~~or sexual harassment~~, **and violence** in employment shall be practiced by either party or their representatives and that no employee shall be subject to retaliation as a result of making a complaint ~~of discrimination, harassment or sexual harassment~~. The prohibited grounds of discrimination are race, national or ethnic origin, colour, religion, age, sex, sexual orientation, marital status, family status, disability ~~and~~ conviction for which a pardon has been granted, gender identity, gender expression and genetic characteristics, as set out in the Canadian Human Rights Act (CHRA). The provisions of this Agreement shall be interpreted and applied in a manner consistent with the **Canada Labour Code (CLC)**, ~~and the~~ CHRA and its regulations, as amended.

10:02 ~~“Bullying and Harassment” means a course of vexatious comments or conduct that is known or ought to be known to be unwelcome that denies an employee dignity and respect on one or more of the grounds set out in the Canadian Human Rights Act and that results in a hostile work environment, impairs the employee's work performance and/or adversely affects the employee's relations in the workplace. Harassment may take many forms: verbal, physical or visual. It may involve a threat or an implied threat or be perceived as a condition of employment. Workplace harassment includes, but is not limited to the following examples:~~

- ~~(a) Unwelcome remarks, jokes, innuendos, gestures, or taunting about a person's body, disability, gender, racial or ethnic background, colour, place of birth, sexual orientation, citizenship or ancestry;~~
- ~~(b) Objectionable conduct, comment or display made on either a one time or continuous basis that is intended to bully, demean, belittle, or cause humiliation or embarrassment;~~
- ~~(c) Posting or circulation of visuals of a sexual, racial or otherwise offensive nature such as pornographic pictures, cartoons or graffiti;~~
- ~~(d) Refusal to work, converse or share facilities with another employee based on prohibited grounds (CHRA);~~
- ~~(e) Unwanted sexual solicitation or advances and physical conduct such as touching, patting, or pinching;~~
- ~~(f) Backlash or retaliation for the lodging of a complaint or participation in an investigation.~~
- ~~(g) Sexual harassment means any conduct, comment, gesture or contact of a sexual nature that might reasonably be expected to cause offense or humiliation; or that might~~

~~reasonably be perceived as placing a condition of a sexual nature on employment or on an opportunity for training or promotion.~~

**Workplace harassment and violence is defined as any action, conduct or comment, including of sexual nature, that can reasonably be expected to cause offence, humiliation or other physical or psychological injury or illness to an employee, including any prescribed action, conduct or comment. Definitions of discrimination, harassment, or sexual harassment, bullying, violence and all related terminology may be found within the GTAA's Workplace Harassment, Violence and Discrimination Prevention Policy (the "Policy").**

- 10:03 Properly discharged management responsibilities, such as the assignment of work tasks, employee coaching, the imposition of discipline or any conduct that does not undermine the dignity of the individual is not harassment.
- 10:04 The Employer and the Union agree that discrimination, harassment and sexual harassment are serious misconduct that, if proven, may result in disciplinary action. In addition, the pursuit of frivolous allegations through this procedure has a detrimental effect on the spirit and intent for which this policy was rightfully developed and may result in disciplinary action by the Company.

#### **Informal Conflict Resolution**

An employee who believes they are the ~~victim of harassment~~ **subject of offence** is **encouraged to** make their objection known to the ~~alleged harasser~~ **necessary party**, directly or through a third party, and is encouraged to resolve the matter wherever possible on an informal basis. The employee may choose to ask for help from their local manager, **Human Resources Representative** and/or Union Representative to facilitate a resolve. The Union Representative, **Human Resources Representative** and/or local manager ~~will~~ **may** meet the ~~complainant~~ **employee** together to review ~~the employee's~~ **their** concerns and subsequently meet the ~~respondent~~ **other party** to ~~present~~ **share** those concerns. The Company and Union will undertake to meet in order to resolve the matter quickly and appropriately in the spirit of establishing a better working relationship/environment. Where it is not possible for the local manager, **Human Resources Representative** and Union Representative to resolve the matter ~~jointly~~, the ~~person attempting to resolve the matter~~ **should inform their counterpart of the complaint and the resolve employee may pursue a resolve through a Formal Complaint Resolution process.**

**The informal conflict resolution process is best resolved as soon as possible.**

At any point the ~~complainant, Management or the Union~~ **employee** may decide to ~~discontinue the informal process and proceed with a formal harassment complaint~~ **proceed directly with the filing of a formal Notice of Occurrence, either verbally or in writing as stated in the Policy.** The informal conflict resolution process should be completed within thirty (30) days from the date of the initial complaint.

The report(s) It will include the facts of the alleged harassment and will provide findings of the harassment complaint. Recommendations to resolve the complaint will be made by the Company investigator. **Double Shifts**

Double 12-hour shifts are not permitted.

For employees on a 5X3 rotation working 8.58 hours a day, double shifts will only be permitted on the following basis:

- (a) There is a two-shift rest period between the double shift and the employee's next scheduled shift (e.g., 17.16 hours for those on 5x3 rotation). The employee will be noted as unavailable for overtime during these two shifts. **This article supersedes Article 17:04.**
- (b) Only one double shift will be permitted per eight (8) day work cycle by way of shift trading. One additional double shift is permitted per cycle through the overtime process, which must also meet the two-shift rest period referred to above.
- (c) For the period of overlap during a double shift the employee must make an election at the time of the shift trade initiation of taking this time without pay or covering it with earned leave credits.

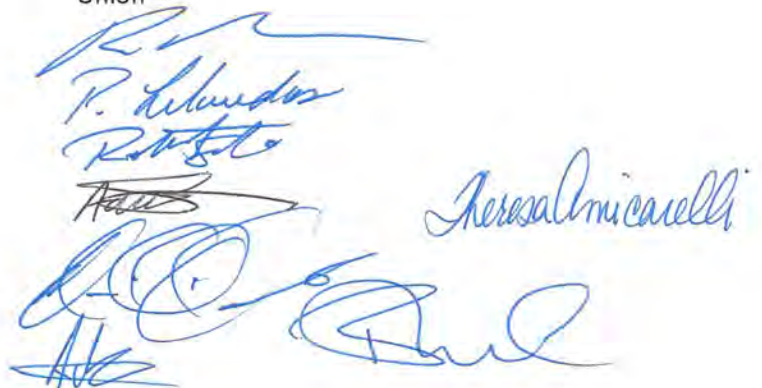

For shifts other than the 5X3 rotation or twelve (12) hour shifts which are created during the life of the agreement, the employer will provide parameters pertaining to double shifts.

The Employer reserves the right to establish the threshold qualifications for job postings identified in clause 31:03, including education, knowledge, abilities, skills and experience, provided that such qualifications are reasonable and relevant and reflect the minimum requirements of the position being posted. It is understood that such qualifications may be amended from time to time but, in every case, the threshold qualifications shall be set out on the posting(s).

31:07 The Employer shall notify, in writing, all unsuccessful applicants within seven (7) calendar days of its decision along with the reason(s) why their application was unsuccessful.
