Hello...

My name is Cassidy. I have a son named Corbin, and a German Sheppard named Chase. I am originally from Floyd County where I graduated High School in 2018 but currently live in Christiansburg. I have been a youth leader for the younger children at my church which I have really enjoyed. I started working at Heart n Hand in 2021 where I was first the schooler teacher, and then I moved to the infant room as an assistant teacher, spent some time with the threes and preschool and am now excited to work with the toddlers.
