TEACHER

Hello...

My name is Ashley Basham. I am currently enrolled at New River Community College and am working on my degree in Early Childhood Education. After I graduate, I would like to work full-time in a childcare center and possibly open my own center one day. I started working at Heart n Hand at the end of June 2022 and have enjoyed every minute of working. I have known since I was younger that I wanted to work with small children because it is an extremely important job.
