

## **Brightwheel Information**

Brightwheel is an app that Heart 'n' Hand uses to communicate with parents and to make things a little easier for families and employees. Once your child is enrolled and inputted into the system you will get an invitation on your phone to join Brightwheel.

Features of Brightwheel:

- Your child's daily sheet is produced on the app and when something is inputted it is directly sent to you.
- Messages can be sent through app between parents and teachers.
- Lesson plans/what they are learning will be posted.
- Pictures will be sent to you throughout the day of your child.
