TEACHER

*Hello...*

My name is Cassidy. I am 22 years old and have a two-year-old son named Corbin. I have a German Sheppard named Chase. I am originally from Floyd County where I graduated High School in 2018 but currently live in Christiansburg. I have been a youth leader for the younger children at my church which I have really enjoyed. I started working at Heart n Hand in 2021 where I was first the schooler teacher, and then I moved to the infant room as an assistant teacher. I am excited to be in the three-year-old room and can't wait to help your children learn and grow.
