

Meet **DIRECTOR**

Your

Hello...

My name is Chelsea Naughton Sharlow. I am married and have two children that are my world. I have lived in Christiansburg almost my entire life and I graduated from Auburn High School in 2012. I began my childcare career in 2014 where I started as a 3-year-old assistant teacher and then spent 5 years as a toddler lead teacher before becoming a director. Heart n Hand was a dream come true for me and I have enjoyed every second of it since the day we opened. I have my associate degree in early childhood education. I also hold certificates in Child Development: Infant and Toddler, Child Development, and Early Childhood Development. My favorite part of working with children is seeing them learn new things. In my spare time my family and I stay busy with our 6 dogs, 7 cats, 2 goats, a rabbit, and a possum that likes to frequent our porch.
