Hello...

My name is Katie. I am 27 years old and am a mom to a spunky little boy named Apollo. I grew up in Riner and attended Auburn all through school. I am currently a student at New River Community College working towards a degree in Early Childhood Education. I have worked in the childcare field for the last 5 years and have had the pleasure of working at Heart n Hand since August of 2019. I really love being with the toddlers, they continuously teach me patience and offer a new perspective on life.
