*Hello...*

My name is Lacey. I currently go to school at Radford University where I am majoring in social work. I am a senior this year and will be graduating in the Spring. After graduation I will go into my Masters program in the Fall of 2023. Once I receive my Masters I want to become a licensed clinical social worker. I just started at Heart n Hand this August, and I am so excited to start my journey here. I have been in childcare for over three years now and I absolutely love it. I love working with children because you get to watch them grow and you get to develop bonds with them that they will remember forever.
